Daddys Promise:

Daddy's Promise Brendan T. Hoffman, 2012-03 I was with her twenty four hours a day seven days a week for the last ten months of her life The conversations we had were priceless The promises I made to her I am still fulfilling Dawn definitely made me a stronger person She taught me so many things about life about myself but also about others After she was diagnosed Dawn saw things as they were and not as she wished them to be and slowly but surely she began putting things in order Yes this cancer is going to end my life here on earth several years sooner than if I didn't have it Though it won't take away what I have I have a loving father and best friend I have Cathy my wonderful mother by marriage I have my mother and Kristie who I love so very much I have the two most beautiful children in the world in Tyler and Jordan I have peace with God and myself I also have something that is so important to me I have love from all those I just mentioned They love me So you see cancer didn't win It can never take what I have Please understand that I haven't given up on a miracle nor have I given up on life here on earth I won't live my life waiting on a miracle I'm going to live my life as if I don't need a miracle I won't live my life in fear of death I'm going to live my life as if I have nothing to fear Yes I will do whatever it takes to live I'm going to do my best to do what it takes to be happy not depressed So yes I hate that I have cancer although I love my life and those who are in it and make it what it is

Daddy's Girl Charlotte Vale-Allen, 2009-04 On Writing Daddy's Girl After I had been through many versions of the manuscript written over almost a decade I decided that for this book to have validity it would be necessary not only to show the past but also to give a picture of the present illustrating how the events of my childhood affected me at the time as well as later in life as an adult and a parent Given that I wrote the book in the first place as a document that I hoped would be useful to others who'd suffered abuse and also to professionals I felt it was very important to present detailed portraits of the child I was and the woman I grew to be in large measure as a result of trying to cope with the long term effects of the abuse As well I thought it was vital to illustrate how fallout from the abuse can be felt down through the generations if one fails to exercise awareness and caution So the book weaves back and forth between past and present the present being 1979 when the final version was completed I also had to decide at the very start whether I was going to dole out snippets of truth or be completely truthful and address the issue as fully as I was able There seemed no point to writing an autobiographical account of incest if I was going to be anything less than completely truthful It was not difficult to tell the truth nor was the writing of the book a cathartic experience as many have imagined it to be The fact is that I had long since confronted my personal demons and had managed to relegate the past to the past something exceedingly difficult for many victims of any all forms of abuse to do A few years ago in correcting the page proofs of a new British edition of the book I reread DADDY S GIRL and was gratified by what I'd written Often with my novels I am not at all happy when I reread them I think that as an author I have little if any objectivity about my work once it's completed and so am not necessarily a good judge of it But I am proud of DADDY S GIRL Since its publication in 1980 it has been of help to a lot of

people And ultimately it s my way of returning some measure of the kindness and attention people showed me when I was working my way along the rough roadway toward my future

Daddy's Home Paul Dale Anderson,2015-01-16 Terror gripped the streets of Willow Woods as the grisly deaths increased The killer struck in isolated areas slashing young women into bloody ribbons of flesh with the precision of a surgeon The experts knew he used a razor sharp butcher s knife but only the dead knew his face The bad dreams started when Danny s real dad disappeared Weird scary dreams about a strange man with a long shiny knife standing over Danny s mother covered in blood on their kitchen floor His mom told him to forget about the dreams and stop watching the TV news reports about the Mad Slasher She said they were safe especially with their new friend Michael his pretend daddy to protect them But Danny was afraid of Michael Michael looked too much like the monster in his dreams

Daddy's Girl L. T. Meade,2023-10-04 In *Daddy s Girl* L T Meade explores the complex dynamics of father daughter relationships within the framework of Victorian society The narrative intertwines themes of love loyalty and the melancholic pangs of growing up rendering a poignant portrait of youthful innocence confronted by the harsh realities of adulthood Meade s literary style characterized by vivid imagery and emotional depth invites readers into the protagonist s world characterized by both charming whimsy and harrowing seriousness reflective of the period s evolving societal norms regarding gender and familial roles L T Meade a prolific writer and a notable figure in late 19th and early 20th century literature often drew upon her own experiences and the zeitgeist of her time to craft compelling stories aimed at young adults Her upbringing intertwined with significant social issues such as women s rights and educational reform informed her Characters struggles and triumphs The author s keen insight into the challenges faced by young women in a patriarchal society lends authenticity and urgency to her narrative enriching the reader s understanding of the era This book is an essential read for those interested in the intersection of gender familial expectation and personal identity Meade s evocative storytelling not only entertains but also serves as a reflective lens on the societal conventions of the time making *Daddy s Girl* an invaluable addition to any literary collection

Napkin Sense Eric Whitaker,2015-05-26 Divine perspective raw real and impacting all might describe the authors gift Imagery through his storytelling allows Bible characters to come alive Perhaps some of these descriptions if not all describe author Eric Whitaker He explores twelve life issues about stuff that matters In *Napkin 1* he begins with getting real Travel with him on this fourteen year journey as he delves into these relevant issues Our dreams identity legacy wounds worship ministry grace and the journey are explored In *Napkin 12* he revisits the topic of love Be challenged in this unique workbook to become a world changer in which we are admonished as common people to do uncommon things The author believes a God breathed truth with a simple yet revealing catchphrase will simplify our ability to be a world changer as we give glory to God not man and we will change our world taggnapkinsense info

Daddies Don't Cry Lionel Scott,2012-03-12 This is a writing for men those who value the influence of a father on the character development of his children and teens who choose to runaway The poetry is the result of a daughter running away from home National statistics show that as many as 70 % of current and former inmates sited a broken or nonexistent relationship with their father as the major negative aspect of their lives The author travels a gamut of emotions in an effort to recapture and redefine himself as a father and man In the writings it is obvious that he feels separated from himself Anyone who loses a child can relate to such a feeling He speaks and also listens to the daughter He believes if he becomes the cosmopolitan parent he will gain her His emotions jog the distance from anger to sadness to hate to self blame to temporary insanity The book is organized in six musical sessions In the first the daughter speaks in an authentic voice of adolescence The father then responds with tender words that he believes will remind her of the value their

friendship Afterwards the father and mother express their deepest fears as they relate nightly their concern for the daughter Session four sounds like a series of songs of hat Fortunately the father who sings lead completes the performance quickly Session five finds the father not as agitated He sings tunes that he hopes his daughter will listen to one day The final session may be the best writing of the sessions The father leaps through several genres of musical style in a last effort to reach his daughter Individually these are mere contemporary lyrics Collectively they are more because they offer a fresh unique and believable expression of emotions Any musically centered person i e musician performer would do well visit this concert
