Alsop,2023-10-17 A cultural and social history of art collecting art history and the art market In The Rare Art Traditions
Joseph Alsop offers a wide ranging cultural and social history of art collecting art history and the art market He argues that
art collecting is the basic element in a remarkably complex and historically rare behavioral system which includes the
historical study of art the market for buying and selling art museums forgery and the astonishing prices commanded by some
works of art The Rare Art Traditions tells the story of three important traditions of art collecting the classical tradition that
began in Greece the Chinese tradition and the Western tradition The result is a major original contribution to art history
