London Bridget Cherry,Simon Bradley,Charles O'Brien,Nikolaus Pevsner,Sir Nikolaus Pevsner,2005-01-01 The contribution of successive generations of immigrants is reflected in the variety of places of worship and cultural centres from chapels to synagogues and mosques while a century of social housing has produced innovative planning and architecture now itself of historic interest This volume covers the boroughs of Barking and Dagenham Havering Newham Redbridge Tower Hamlets and Waltham Forest For each area there is a detailed gazetteer and historical introduction A general introduction provides an historical overview Numerous maps and plans over one hundred specially taken photographs and full indexes make this volume invaluable as both reference work and guide Jacket Essex Journal ,1999 *Adverse Camber : An incomplete walk to the seaside* Mike Newman,2018-08-19 Walking a road from origin to end point was difficult enough but it may have seemed a little out of character too After all it would necessitate my engaging with open countryside terrain to which I was unaccustomed and ill equipped for walking However it felt like a project worth undertaking not least because the road was there to be walked And so on a blustery but strangely warm December morning my trudge began **The London Cabbie's Quiz Book** Ian Beetlestone,2020-07-28 Get up to speed on London trivia and get inside the heads of black cab drivers with questions from the famously difficult test they have to pass Pay a visit to London and a black cab will probably

be one of the first things you will see The London taxi drivers are almost as famous as the black cabs in which they drive this is mainly due to their in depth knowledge of London and ability in taking their occupants to their desired destination amid the congestion and the chaos that you often find when travelling through London s streets London taxi drivers go through stringent training to obtain their licence they need to pass The Knowledge a test which is among the hardest to pass in the world and has been described as like having an atlas of London implanted into your brain The test requires you to master no fewer than 320 basic routes all of the 40 000 streets that are scattered within the basic routes and approximately 20 000 landmarks and places of public interest that are located within a six mile radius of Charing Cross This book breaks the test down into a series of head scratching questions and features enough trivia about the capital to surprise even born and bred Londoners It s the perfect gift for anyone who thinks they know London inside out or wants to learn more **Killers, Kidnappers, Gangsters and Grasses** Dick Kirby,2022-10-07 In his latest thrilling book much published crime author Dick Kirby draws on his fast moving policing service much of which was with Scotland Yard s Serious Crime Squad and the Flying Squad As if that was not enough he brings in accounts of fellow coppers during the final decades of the 20th century to add a fresh dimension It quickly becomes clear to the reader that Kirby and his colleagues practiced their art in a markedly different style than that prevailing today Corners were cut regulations ignored and pettifogging rules trampled on in the wider public interest of bringing criminals to justice and preserving law and order Above all the best senior detectives led fearlessly Kirby describes front line policing where the public came first and the criminals a poor second There are great stories of arrests ambushes fights and meeting informants in unlikely places Eyebrows may be raised at the book s contents but many will feel that there is no place in the fight against serious crime for woke ness and political correctness and regret the passing of no nonsense law enforcement *Paterson's roads; by E.
