Dahomey Between Tradition And Modernity Africa In The Modern World:

Dahomey Dov Ronen,1975 **The New Communist Third World** Peter Wiles,2022-12-28 The New Communist Third World 1982 discuss the economic policies of the Soviet Union towards the countries of the developing world adopting a Marxist Leninist form of government The authors demonstrate as well the variety of political systems covered by the term Communism and provide an interesting counter balance to traditional views of the Third World and aid policies *The Fate of Africa's Democratic Experiments* Leonardo A. VillalÃ3n,Peter VonDoepp,2005-09-01 Does Western style democracy make sense in the various geographic economic and social settings of the continent How far toward democracy have recent liberalization movements gone In The Fate of Africa s Democratic Experiments Leonardo A Villal 3n Peter VonDoepp and an international group of contributors consider the aftermath success failure and future of the wave of democracy that swept Africa in the early 1990s In some countries democratic movements flourished while in others democratic success was more circumscribed This detailed analysis of key political events in countries at the forefront of democratic change Benin Central African Republic Congo Guinea Bissau Madagascar Malawi Mali Mozambique and Zambia provides for broadly representative continental and linguistic coverage of directions and prospects for Africa s democracies The contributors are Michael Chege John F Clark Joshua B Forrest Abdourahmane Idrissa Bruce Magnusson Carrie Manning Richard R Marcus Andreas Mehler David J Simon Leonardo A Villal 3n and Peter VonDoepp **Regimes in Tropical Africa** Ruth Berins Collier,2023-04-28 This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1982 **The Precolonial State in West Africa** J. Cameron Monroe,2014-06-09 This volume examines political life in the Kingdom of Dahomey located in the Republic of B nin **The International Journal of African Historical Studies** ,1976 *Rhodesia* Patrick O'Meara,2019-05-15 Rhodesia Racial Conflict or Coexistence examines the contemporary racial struggle in Rhodesia a struggle between a controlling white minority and an African majority with little political power or influence After providing background information on the development of racial attitudes from 1890 onward Professor O Meara offers a detailed treatment of current Rhodesian political parties and movements With precision and objectivity he explains why some Africans have accepted the ground rules of the Rhodesian political system including laws elections and the parliamentary structure while others have rejected them and seek to destroy the system **Africa's Elusive Quest for Development** M. Houngnikpo,2006-02-18 Matt Houngnikpo examines how domestic conflict economic stagnation political instability poverty and underdevelopment have plagued Africa for decades He argues that a reversal of the political economic and social plight of Africa lies in better policies good governance and more importantly a new type of African leader and citizen Book Review Digest ,1976 **The**

Cambridge History of Africa J. D. Fage, Roland Anthony Oliver, Michael Crowder, 1975 The eighth and final volume of The Cambridge History of Africa covers the period 1940-75 It begins with a discussion of the role of the Second World War in the political decolonisation of Africa Its terminal date of 1975 coincides with the retreat of Portugal the last European colonial power in Africa from its possessions and their accession to independence The fifteen chapters which make up this volume examine on both a continental and regional scale the extent to which formal transfer of political power by the European colonial rulers also involved economic social and cultural decolonisation A major theme of the volume is the way the African successors to the colonial rulers dealt with their inheritance and how far they benefited particular economic groups and disadvantaged others The contributors to this volume represent different disciplinary traditions and do not share a single theoretical perspective on the recent history of the continent a subject that is still the occasion for passionate debate

Democracy in Hard Places, 2022-07-22 This is an open access title available under the terms of a CC BY NC ND 4.0 International license It is free to read at Oxford Scholarship Online and offered as a free PDF download from OUP and selected open access locations The last fifteen years have witnessed a democratic recession Democracies previously thought to be well established Hungary Poland Brazil and even the United States have been threatened by the rise of ultra nationalist and populist leaders who pay lip service to the will of the people while daily undermining the freedom and pluralism that are the foundations of democratic governance The possibility of democratic collapse where we least expected it has added new urgency to the age old inquiry into how democracy once attained can be made to last In *Democracy in Hard Places* Scott Mainwaring and Tarek Masoud bring together a distinguished cast of contributors to illustrate how democracies around the world continue to survive even in an age of democratic decline Collectively they argue that we can learn much from democratic survivals that were just as unexpected as the democratic erosions that have occurred in some corners of the developed world Just as social scientists long believed that well established Western educated industrialized and rich democracies were immortal so too did they assign little chance of democracy to countries that lacked these characteristics And yet in defiance of decades of social science wisdom many countries that were bereft of these hypothesized enabling conditions for democracy not only achieved it but maintained it year after year How does democracy persist in countries that are ethnically heterogeneous wracked by economic crisis and plagued by state weakness What is the secret of democratic longevity in hard places This book the first to date to systematically examine the survival persistence of unlikely democracies presents nine case studies in which democracy emerged and survived against the odds Adopting a comparative cross regional perspective the authors derive lessons about what makes democracy stick despite tumult and crisis economic underdevelopment ethnolinguistic fragmentation and chronic institutional weakness By bringing these cases into dialogue with each other Mainwaring and Masoud derive powerful theoretical lessons for how democracy can be built and maintained in places where dominant social science theories would cause us to least expect it Guarding the Guardians Mathurin C.

Houngnikpo,2016-04-22 The relationship between civil society and the armed forces is an essential part of any polity democratic or otherwise because a military force is after all a universal feature of social systems Despite significant progress moving towards democracy among some African countries in the past decade all too many African militaries have yet to accept core democratic principles regulating civilian authority over the military This book explores the theory of civil military relations and moves on to review the intrusion of the armed forces in African politics by looking first into the organization and role of the army in pre colonial and colonial eras before examining contemporary armies and their impact on society Furthermore it revisits the various explanations of military takeovers in Africa and disentangles the notion of the military as the modernizing force Whether as a revolutionary force as a stabilizing force or as a modernizing force the military has often been perceived as the only organized and disciplined group with the necessary skills to uplift newly independent nations The performance of Africa s military governments since independence however has soundly disproven this thesis As such this study conveys the necessity of new civil military relations in Africa and calls not just for civilian control of the military but rather a democratic oversight of the security forces in Africa **New Acquisitions in the UNECA Library** United Nations. Economic Commission for Africa. Library,1979 **Palace Sculptures of Abomey** Francesca Piqué,Leslie H.

Rainer,2000-03-16 The Republic of Benin in West Africa is home to more than forty ethnic groups the largest of which is the Fon In the early seventeenth century the Fon established a society ruled by a dynasty of kings who over the years forged the powerful kingdom of Dahomey In their capital city of Abomey they built a remarkable complex of palaces that became the center of the kingdom s political social and religious life The palace walls were decorated with colorful low relief sculptures or bas reliefs which recount legends and battles and glorify the history of the dynasty s reign Over the centuries these visual stories have represented and perpetuated the history and myths of the Fon people The Palace Sculptures of Abomey combines lavish color photographs of the bas reliefs with a lively history of the Dahomey kingdom complemented by period drawings rare historical photographs and colorful textile art The book provides a vivid portrait of these exceptional narrative sculptures and the equally remarkable people who crafted them Also included are a reading of the stories on the walls and details of the four year collaboration between the Benin Ministry of Culture and Communications and the Getty Conservation Institute to conserve the bas reliefs of Abomey Final chapters describe the Historic Museum of Abomey now housed in the palace complex and discuss the continuing popularity of bas reliefs in contemporary West African art Ethnic Politics and State Power in Africa Philip Roessler,2016-12-15 This book models the trade off that rulers of weak ethnically divided states face between coups and civil war Drawing evidence from extensive field research in Sudan and the Democratic Republic of the Congo combined with statistical analysis of most African countries it develops a framework to understand the causes of state failure **A Selected Bibliography--Sub-Saharan Africa** ,1991 **Military Marxist Regimes in Africa** John Markakis,Michael Waller,2013-07-23 First published in 1986 This is a collection of editorial and articles covering military

Marxist regimes in the African locations of the Horn of Africa Benin the People s Republic of Congo Madagascar and Burkina Faso **Malawi, the Politics of Despair** T.
