Daily Except Sundays The Diaries Of A Nineteenth Century Locomotive Engineer:

The American Steam Locomotive in the Twentieth Century Tom Morrison, 2018-07-24 Between 1900 and 1950 Americans built the most powerful steam locomotives of all time enormous engines that powered a colossal industry They were deceptively simple machines yet the more their technology was studied the more obscure it became Despite immense and sustained engineering efforts steam locomotives remained grossly inefficient in their use of increasingly costly fuel and labor In the end they baffled their masters and as soon as diesel electric technology provided an alternative steam locomotives disappeared from American railroads Drawing on the work of eminent engineers and railroad managers of the day this lavishly illustrated history chronicles the challenges triumphs and failures of American steam locomotive development and operation Daily Except Sundays Philip Tyler Adams, Dana Story, 2005 In the winter of 1991 the Boston Maine Railroad Historical Society acquired a rare collection of forty three diaries kept by Philip T Adams an engineman on the Essex branch of the Eastern Railroad later to become the Boston Maine Railroad These diaries open windows into history recording the intimacies of the day to day operation of the railroad glimpses of life in the town of Essex and a personal look into the life and affairs of Philip Adams and his family **Engineering News and American Railway Journal**, 1897

Engineering News-record, 1897 **Engineering News**, 1897 **Harper's Weekly** John Bonner, George William Curtis, Henry Mills Alden, Samuel Stillman Conant, Montgomery Schuyler, John Foord, Richard Harding Davis, Carl Schurz, Henry Loomis Nelson, John Kendrick Bangs, George Brinton McClellan Harvey, Norman Hapgood, 1901 **American Publishers' Circular and Literary Gazette** Charles R. Rode, 1870 *The Literary World*, 1898 *The Illustrated London News*, 1844 **Nineteenth Century Short Title Catalogue** Averro Publications Limited, 1984 **Norton's Literary Gazette and Publishers' Circular**, 1851 John Payne Collier Arthur Freeman, Janet Ing Freeman, 2004-01-01 John Payne Collier 1789 1883 one of the most controversial figures in the history of literary scholarship pursued a double career A prolific and highly influential writer on the drama poetry and popular prose of Shakespeare's age Collier was at the same time the promulgator of a great body of forgeries and false evidence seriously affecting the text and biography of Shakespeare and many others This monumental two volume work for the first time addresses the whole of Collier's activity systematically sorting out his genuine achievements from his impostures Arthur and Janet Freeman reassess the scholar forger's long life milieu and relations with a large circle of associates and rivals while presenting a chronological bibliography of his extensive publications all fully annotated with regard to their creditability The authors also survey the broader history of literary forgery in Great Britain and consider why so talented a man not only yielded to its temptations but also persisted in it throughout his life **Daughter of Boston** Caroline Wells Healey Dall, 2005 Boston was well known in the nineteenth century as a center for intellectual ferment Amidst the popular lecturing of Ralph Waldo Emerson and the discussion groups led by Margaret Fuller sat a remarkable young woman Caroline Healey Dall 1822-1912 transcendentalist

early feminist writer reformer and perhaps most importantly active diarist During the seventy five years that Dall kept a diary she captured all the fascinating details of her sometimes agonizing personal life and she also wrote about all the major figures who surrounded her Her diary filling forty five volumes is perhaps the longest diary ever written by any American and the most complete account of a nineteenth century womans life Daughter of Boston is a selection of the best from Dalls diary woven together with biographical narrative What Samuel Pepys did in his Diary for seventeenth century London Caroline Dall does in hers for nineteenth century Boston The citys celebrations mob scenes poverty ridden neighborhoods lectures and exhibits are described with great wit and insight Dall also writes colorfully about people whose names never made it into the history books wives and mothers fugitives servants children and working people of all ages Daughter of Boston is both a significant document of social history and an engrossing account of one womans life and thoughts In Daughter of Boston Helen Deese one of our foremost scholars of American Romanticism has unearthed the fascinating journals of Caroline Healey Dall a nineteenth century New Englander who was an astute observer and active participant in nearly every major intellectual and political movement of her day from Transcendentalism to abolition to womens rights Megan Marshall author of The Peabody Sisters News from the State Library of Ohio State Library of Ohio,1999 Round Table ,1868 The Diary of Elizabeth Lee Colin Pooley,Siân Pooley,Richard Lawton,2019-02-15 Personal diaries provide rare glimpses into those aspects of the past that are usually hidden from view Elizabeth Lee grew up on Merseyside in the late nineteenth century She began her diary at the age of 16 in 1884 and it provides an unbroken record of her life up to the age of 25 in 1892 Elizabeth s father was a draper and outfitter with shops in Birkenhead and throughout the period of the diary Elizabeth lived at home with her family in Prenton However she travelled widely on both sides of the Mersey and her diary provides an unusually revealing picture of middle class life that begins to challenge conventional views of the position of young women in Victorian society The book includes a detailed introduction to and analysis of the diary together with a glossary relating to key people in the diary and maps of the localities in which Elizabeth lived her everyday life There have been a number of diaries published relating to ordinary people but most accounts were written retrospectively as life histories by people who eventually gained some degree of fame or prominence in society This very rare first hand account provides a unique insight into adolescent life in Victorian Britain **Editor & Publisher** ,1954 The academy ,1878 *The Christian Union* Henry Ward Beecher,1879 **The New Yorker** ,1970
