D. H. Lawrence and the body mystical Frederick Carter, 1966 **D.H. Lawrence and His Body Mystical** Frederick Carter, 1932 D. H. Lawrence: Dying Game 1922-1930 David Ellis, 1998 This final volume chronicles Lawrence's progress from leaving Europe in 1922 to his death in Venice in 1930 Ellis reveals Lawrence as a complex humorous man exemplary in his resolute grappling with the central problems of life and death *D. H. Lawrence's Philosophy of Nature* Tianying Zang, 2011 This book is a study of D H Lawrence's view of nature his ecological consciousness contributes to his unique place within modern aesthetics An affinity has been examined between Lawrence's ideology of man nature relationship and the classic oriental philosophies concerning nature particularly the ancient Taoism In Lawrence's novels and essays one finds that virtually all aspects of his religious vision are anticipated in Eastern literature His almighty Holy Ghost for example who is responsible for the sacred underlying unity is named Brahman by Hindus Dharmakaya by Buddhists and Tao by Taoists His duality with its stress on the dynamic balance between complementary life principles is fully worked out in the Yin Yang philosophy of Taoism **D. H. Lawrence, Ecofeminism and Nature** Terry Gifford, 2022-09-30 Shortlisted for the ASLE UKI Prize for Best Academic Monograph This is the first ecocritical book on the works of D H Lawrence and also the first to consider the links between nature and gender in the poetry and the novels In his search for a balanced relationship between male and female characters what role does nature play in the challenges Lawrence offers his readers How far are the anxieties of his characters in negotiating relationships that might threaten their sense of self derived from the same source as their anxieties about engaging with the Other in nature Indeed might Lawrence's metaphors drawn from nature actually be the causes of human actions in *The Rainbow* for example The originality of Lawrence's poetic and narrative strategies for challenging social attitudes towards both nature and gender can be revealed by new approaches offered by ecocritical theory and ecofeminist readings of his books This book explores ecocritical notions to frame its ecofeminist readings from the difference between the Other and otherness in *The White Peacock* and *Lady Chatterley's Lover* otherness in the poetry of *Birds Beasts and Flowers* psychogeography in *Sea and Sardinia* emergent ecofeminism in *Sons and Lovers* land and gender in *The Boy in the Bush* gender dialogics in *Kangaroo* human animality in *Women in Love* trees as tests in *Aaron's Rod* to radical animism in *The Plumed Serpent* Finally three late tales provide a reassessment of ecofeminist insights into Lawrence's work for readers in the present context of the Anthropocene D.H. Lawrence Dolores LaChapelle, 1996 This book will change the way you think about D H Lawrence Critics have tried to define him as a Georgian poet an imagist a vitalist a follower of the French symbolists a romantic or a transcendentalist but none of the usual labels fit The same theme runs through all his work beginning with his very first novel *The White Peacock* and ending with the last line of his final book *Apocalypse* Always it is nature He said this over and over again and no one especially those who feared the old ways of harmonious and balanced living on the earth understood him *D. H. Lawrence's Bestiary* Kenneth Inniss, 2019-01-29 No

detailed description available for D H Lawrence s Bestiary *D.H. Lawrence* Fiona Becket, Annotation This guide moves beyond the controversy surrounding Lady Chatterley s Lover to examine the prolific output of poetry novels and non fiction that made Lawrence a central figure in the Modernist movement *The Last Poems of D.H. Lawrence* Bethan Jones,2016-03-03 In the first book to take D H Lawrence s Last Poems as its starting point Bethan Jones adopts a broadly intertextual approach to explore key aspects of Lawrence s late style The evolution and meaning of the poems are considered in relation to Lawrence s prose works of this period including Sketches of Etruscan Places Lady Chatterley s Lover and Apocalypse More broadly Jones shows that Lawrence s late works are products of a complex process of textual assimilation as she uncovers the importance of Lawrence s reading in mythology cosmology primitivism mysticism astronomy and astrology The result is a book that highlights the richness and diversity of his poetic output also prioritizing the masterpieces of Lawrence s mature style which are as accomplished as anything produced by his Modernist contemporaries **A D.H. Lawrence Handbook** Keith Sagar,1982 Includes information on author and playwright D H Lawrence such as a chronology of his life a chronology of his writings a checklist of his reading calendar and maps of his travel bibliography filmography and discography **D.H. Lawrence** Jeffrey Meyers,2002-09-09 Jeffrey Meyers the author of highly acclaimed biographies of Hemingway and George Orwell offers this masterly work on British novelist D H Lawrence 1885 1930 Meyers fresh insights into Lawrence s life illuminate Lawrence s working class childhood his tempestuous marriage and his death in France after the scandalous publication of Lady Chatterley s Lover revealing Lawrence s complex method of intermingling autobiography and fiction Through intensive research and access to unpublished essays and letters of Lawrence and his circle Meyers describes the circumstances of his mother s death the reason for the suppression of *The Rainbow* and the author s protean and extreme sexuality that mirrored that of his fiction *D. H. Lawrence and the Bible* T. R. Wright,2000-07-27 Wright s study sheds light not only on his work but on the Bible on the creative process itself **The Letters of D. H. Lawrence** D. H. Lawrence,2002-06-06 This volume contains almost all of the letters D H Lawrence wrote in the last fifteen months of his life 763 letters the majority previously unpublished Despite his failing strength Lawrence was in constant communication with publishers and agents He continued to write frequently to his sisters and friends There is no new fiction for Lawrence to discuss but there are paintings poems the major essays Pornography and Obscenity and A Propos of Lady Chatterley s Lover articles and his last work Apocalypse The most dramatic episodes of these months were the seizure of the Pansies manuscript and the police raid on an exhibition of Lawrence s paintings and the subsequent trial The subject of his illness becomes ominously more prominent and Lawrence apologises for letters which lack his customary vitality The volume includes an introduction maps illustrations chronology and index full notes identify persons and explain Lawrence s allusions *D.H. Lawrence, the Poet who was Not Wrong* Douglas A. Mackey,1986-01-01 Although D H Lawrence is justly celebrated as the author of such seminal novels as *The Rainbow* *Sons and Lovers* *Women in Love* *The Plumed Serpent* and *Lady Chatterley s*

Lover he also produced a considerable body of poetry collected together in a thousand page volume in 1928 The overall quality of the writer s verse is superb It is permeated with the Lawrencean voice the incandescent language the recurrent symbology the sense of wonder at nature the subtle portrayals of human relationships and the metaphysical thrust Mackey provides the first lengthy examination of Lawrence s poems Complete with Chronology Bibliography and Index *D H Lawrence: Poet* Keith Sagar,2008 This new collection of Keith Sagar s writings on the poetry of D H Lawrence includes many new interpretations of well known poems It ends with a year by year checklist of reviews and criticism of Lawrence s poems from 1913 to the present Though much has been written about Lawrence s poetry as revealed by the several hundred entries in the book s checklist of criticism there have been relatively few full length studies This book deals with the whole range of his poetry from his earliest poems such as To Campions and To Guelder Roses through the poems inspired by his elopement with and subsequent marriage to Frieda Weekley Look We Have Come Through to the mature achievement in free verse forms inspired by Walt Whitman of Birds Beasts and Flowers Pansies and Last Poems The genesis of the poems in Lawrence s life is explored and there are new interpretations of his most memorable poems such as The Wild Common Piano Song of a Man Who Has Come Through Tortoises Peach Pomegranate Snake Bavarian Gentians and The Ship of Death **The Risen Adam** Virginia Hyde,2010-11 Showing Lawrence s familiarity with biblical typology from both written and visual sources Virginia Hyde explores its many ironic and paradoxical versions in his works She demonstrates his use of typological precursors of Christ such as Adam and David Moses and Aaron and his development of a coherent cosmology centered on the cross and the Tree of Life These features often take on radically revisionist meanings when informed by Lawrence s interests in theosophy and occult lore Hyde fully recognized Lawrence s intensely dynamic style and examines the ways in which he works creatively with his models Hyde sheds new light on Lawrence s leadership views linking them to patriarchal assumptions inherent in biblical typology She utilizes manuscripts and sketches as well as his traditional works to show that a complex form of biblical symbolism affects both his form and content in unexpected ways His symbols are often traceable to iconographic models with typological significance The Risen Adam includes pioneering treatments of the first Quetzalcoatl the 1923 version of The Plumed Serpent so different in part from the final novel as to form a separate creative effort Hyde also offers provocative new readings of The Rainbow Women in Love Aaron s Rod The Border Line The Plumed Serpent David The Man Who Died Birds Beasts and Flowers and other works The book is illustrated with artwork by Lawrence and with examples of the medieval and other iconography he knew **The American Lawrence** Lee M. Jenkins,2021-01-18 Reassessing Lawrence s relationship to American modernism and his American literary contemporaries Jenkins offers new insights into the literary exchange between America and Europe *Apocalypse in British Art and Visual Culture in the Early Twentieth Century* Thomas Bromwell,2024-11-29 This book is the first substantial study of the presence and relationship with the concepts of apocalypse eschatology and millennium in modern British art from 1914 to 1945 addressing how and why

practitioners in both religious and secular spheres turned to the subjects The volume examines British art and visual culture's relationship with the then contemporary anxieties and hopes regarding the orientation of society and culture arguing that there is an acute relationship to the particular forms of cultural discourse of eschatology apocalypse and millennium Chapters identify the continued relevance of religion and religious themes in British art during the period and demonstrate that eschatology apocalypse and millennium were thriving and surprisingly mainstream concepts in the period that remained vital in early to mid twentieth century society and culture This book is a research monograph aimed at an audience of scholars and graduate students already familiar with the core focus of modern British art and cultural histories especially those working on the late nineteenth and early twentieth centuries or the concepts of apocalypse eschatology and millennium in Theology Sociology or other disciplinary settings It will also be of interest to scholars and students working on war and visual culture or histories of imperialism It will benefit scholars of early twentieth century British art demonstrating the intersection of art and religion in the modern era and critically qualifies the standard secular canon and narrative of modern British art and the general neglect of religion in existing art historical literature River of Dissolution Colin

Clarke, 2016-03-31 First published in 1969 This title concerns itself with the ambivalence of Lawrence's attitude towards corruption Clarke demonstrates that Lawrence's attitude to will and to sensational or disintegrative sex is much more equivocal than conceded At the same time this is a study of Lawrence's debt as a novelist to the English Romantic poets A tradition of metaphor is traced from the second half of the eighteenth century through the poetry of the major Romantics to the Decadents and so to Lawrence whose attitudes to mechanism and corruption are shown to be articulated above all through ambivalent images of dissolution and disintegration This title will be of interest to students of literature **Moving**

Bodies Debra Hawhee, 2022-03-23 A sophisticated study of how bodies and language move and are moved by each other Kenneth Burke may be best known for his theories of dramatism and of language as symbolic action but few know him as one of the twentieth century's foremost theorists of the relationship between language and bodies In *Moving Bodies* Debra Hawhee focuses on Burke's studies from the 1930s 40s and 50s while illustrating that his interest in reading the body as a central force of communication began early in his career By exploring Burke's extensive writings on the subject alongside revealing considerations of his life and his scholarship Hawhee maps his recurring invocation of a variety of disciplinary perspectives in order to theorize bodies and communication working across and even beyond the arts humanities and sciences Burke's sustained analysis of the body drew on approaches representing a range of specialties and interests including music mysticism endocrinology evolution speech gesture theory and speech act theory as well as his personal experiences with pain and illness Hawhee shows that Burke's goal was to advance understanding of the body's relationship to identity to the creation of meaning and to the circulation of language Her study brings to the fore one of Burke's most important and understudied contributions to language theory and she establishes Burke as a pioneer in a field where
