Ibyimanikora,2021-08-19 Not all religions that claim to be of Christianity serve the Lord Jesus Christ some mysteriously work as the agents of Satan and announce his kingdom Satan can disguise himself to look like an angel of light His agents also disguise themselves as servants of righteousness In order to deceive the world to depart from the faith and the true God certain secret and satanic organizations invented a society which works under the umbrella of a religious organization which claims to be of Christianity but with mysterious teachings that are intended to announce the kingdom of Satan and his sovereignty and rulership They distort the Scriptures in such a way people believe in lie leading them to destruction Their literature is full of images where many of them hide satanic and demonic subliminal images intended to prepare readers to happily welcome the kingdom of Satan This book exposes the mysterious teachings of a such religious organization that works as an agent of Satan the teachings that announce the kingdom of Satan the satanic and demonic subliminal images hidden in its publications and its parallel beliefs with Satanism It also reveals organization s trace and root in a certain certain secret and satanic organization This book is divided in 5 chapters Chapter one speaks of the organization background Chapter two discusses the Satanism in Jehovah s name clothing Chapter three reveals some of the mysterious teachings of the organization that are intended to teach the Kingdom and Sovereignty of Satan Chapter four shows how the organization takes Root in Satanism and Chapter five exposes some of Satanic and Demonic Subliminal images hidden in the Organization s Literature

Quest for the Historical Satan Miguel A. De La Torre, Albert Hernández, For centuries the figure of Satan has incarnated absolute evil Existing alongside more intellectualist interpretations of evil Satan has figured largely in Christian practices devotions popular notions of the afterlife and fears of retribution in the beyond Satan remains an influential reality today in many Christian traditions and in popular culture But how should Satan be understood today The Quest for the Historical Satan excavates cultural historical religious and morally constructed productions of evil within Christianity from myth and legend to the complex ways people conjure the embodiment of evil and harm De La Torre and Hernández are engaging sleuths as they carefully examine Satan's conception and his presence in modernity and through the ages The wrestle with the spiritual notions of Good and Evil and justice and injustice Cheryl A Kirk Duggan Professor of Theology and Women's Studies Shaw University Divinity School **God's Seven Ways To Ease Suffering , Homiletic Review ,1893 Your Soul to Keep** Ed Stauffer,2016-11-21 Good and evil have always existed and the battle between heaven and hell has been waged since before humankind's earliest memories Agents on both sides of this unending war move across the world searching for and claiming souls to fill their ranks They scour battlefields and dark alleys appearing in hospitals and at the bedsides of the dying They sometimes dwell among the oblivious masses going about their lives not knowing that anyone could be an agent of heaven or of hell Hellerman is one of these agents a shadow who descends upon the dying to procure their souls for his master Throughout millennia he has traveled across the continents appearing at one moment in a far removed village in Africa and later in the vast cities of Europe and North America He has never questioned his duty before But he has never had anyone show him what it is like to have someone care about him and for him And with that friendship comes another battle this time inside himself whose outcome will alter his destiny completely **Spiritualism, a Satanic Delusion, and a Sign of the Times** William Ramsey,1856 The Town and Country Magazine, Or Universal Repository of Knowledge, Instruction, and Entertainment ,1790 Metropolitan Pulpit and Homiletic Monthly ,1893 **The Voice of the Bridegroom and the Voice of the Bride. Five Sermons on Solomon's Song II. 14. 15** Grey Hazlerigg,1869 The Elocutionist ,1879 **The 666 Theory Proved** Bernard Nwaokeleme PhD,2020-09-18 This book attempts to use the encouragement given in Revelation 13:18 where it is clearly implied that the identity of the Beast Antichrist is embedded in the number 666 which requires wisdom and understanding for its interpretation Hence the number 6 that stands as the common feature of the identity of the Beast is used as a base value in the mathematical calculation Following the results obtained whereby it was proved mathematically in the book that the Beast Antichrist will be A Cloned Human the authors now appear to have removed all doubts based on the previous conceptions people had of The 666 Theory interpreted as being represented by historical personages and dignitaries Lots of obstacles were experienced during the composition of this corpus Severally important written manuscripts disappeared and attempts were made by unknown forces to cancel or efface the drawings stored in the memory of the computer Prayers were often said over the lost manuscripts and some were

recovered after These obstacles did prolong the publication of this work However the obstacles do prove the reality of the existence of the Devil and his hordes of evil angels who had tried everything possible to stop the research work The attention of world governments have been drawn in the book to the imminent dangers that would face our world if the Antichrist were allowed to surface from either the sea or land as suggested in the Book of Revelation The actual probable date of 2012AD for the birth of the Antichrist has been worked out mathematically as implied in the Revelation Text 13 18 The authors therefore warn all governments that the greatest world enemy is about to come through human cloning science The most needful war to be launched and fought must be the war against human cloning If this is not done the Antichrist must surface from a colony of human clones in a few years ahead If this war against human cloning is not launched now the world should get ready to face a very severe war of the Antichrist as from the year 2042 AD when the Antichrist would have grown into maturity as a world Dictator This book cautions that all hands must be on deck to fight the battles of this imminent war If you want to be a soldier in this crusade war this book is your armour and weapon I recommend this book to Governments Institutions Churches and families because it will likely serve as a deterrent to the menace the Devil is planning to usher into the world in the near future
