Agnes Grey:

Agnes Grey Anne Brontë, 2010-06-10 How delightful it would be to be a governess When the young Agnes Grey takes up her first post as governess she is full of hope she believes she only has to remember myself at their age to win her pupils love and trust Instead she finds the young children she has to deal with completely unmanageable They are as she observes to her mother unimpressible incomprehensible creatures In writing her first novel Anne Bront drew on her own experiences and one can trace in the work many of the trials of the Victorian governess often stranded far from home and treated with little respect by her employers yet expected to control and educate her young charges Agnes Grey looks at childhood from nursery to adolescence and it also charts the frustrations of romantic love as Agnes starts to nurse warmer feelings towards the local curate Mr Weston The novel combines astute dissection of middle class social behaviour and class attitudes with a wonderful study of Victorian responses to young children which has parallels with debates about education that continue to this day ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford's commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more

Agnes Grey Anne Bronte, 2018-10-11 Agnes Grey is an autobiographical novel which recounts the experience of a young governess born of a financially ruined clergyman During England's Victorian period there wasn't much else for a respectable and intelligent young woman to do you were either wealthy and had governesses to care for your children or you were well a governess yourself Such was Anne's life and the life of her protagonist Agnes goes to work for two families the Bloomfields and the Murrays who are not so much the virtuous Victorian bourgeois but are the corrupt and callous but aren't If one were to read the novel for its realistic depiction of life as a governess it's an incredibly accurate account the spoiled kids the sneering servants the aloof parents with their yapping dogs If one were to look at Agnes Grey with contemporary eyes one could see her as a nanny working for a rich couple today in London or New York of today Agnes Grey Bronte A., *Agnes Grey* Anne Anne Bronte, 2016-07-06 Why buy our paperbacks Most Popular Gift Edition One of it's kind Printed in USA on High Quality Paper Expedited shipping Standard Font size of 10 for all books 30 Days Money Back Guarantee Fulfilled by Amazon Unabridged 100% Original content BEWARE OF LOW QUALITY SELLERS Don't buy cheap paperbacks just to save a few dollars Most of them use low quality papers binding Their pages fall off easily Some of them even use very small font size of 6 or less to increase their profit margin It makes their books completely unreadable About Agnes Grey Agnes Grey is the debut novel of English author Anne Bront first published in December 1847 and republished in a second edition in 1850 The novel follows Agnes Grey a governess as she works within families of the English gentry Scholarship and comments by Anne's sister Charlotte Bront suggest the novel is largely based on Anne Bront's own experiences as a governess for five years Like her sister Charlotte's

novel Jane Eyre it addresses what the precarious position of governess entailed and how it affected a young woman The choice of central character allows Anne to deal with issues of oppression and abuse of women and governesses isolation and ideas of empathy An additional theme is the fair treatment of animals Agnes Grey also mimics some of the stylistic approaches of bildungsromans employing ideas of personal growth and coming to age but representing a character who in fact does not gain in virtue The Irish novelist George Moore praised Agnes Grey as the most perfect prose narrative in English letters and went so far as to compare Anne s prose to that of Jane Austen Modern critics have made more subdued claims admiring Agnes Grey with a less overt praise of Bront s work than Moore *The New Nineteenth Century* Barbara Leah Harman, Susan Meyer, 2012-11-12 This book includes essays on writers from the 1840s to the 1890s well known writers such as Anne Bronte Wilkie Collins and Bram Stoker lesser known writers such as Geraldine Jewsbury Charles Reade Margaret Oliphant George Moore Sarah Grand and Mary Ward The contributors explore important thematic concerns the relation between private and public realms gender and social class sexuality and the marketplace and male and female cultural identity Agnes Grey, by Anne Brontë Charlotte Brontë, 1911 *Agnes Grey* Anne Brontë, 2017-05-02 Agnes Grey is the novel by Anne Bront published in 1847 The novel follows Agnes Grey a governess as she works within families of the English gentry Scholarship and comments by Anne s sister Charlotte Bront suggest the novel is largely based on Anne Bront s own experiences as a governess for five years Like her sister Charlotte s novel Jane Eyre it addresses what the precarious position of governess entailed and how it affected a young woman Plot Summary Agnes Grey is the daughter of Mr Grey a minister of modest means and Mrs Grey a woman who left her wealthy family and married purely out of love Mr Grey tries to increase the family s financial standing but the merchant he entrusts his money to dies in a wreck and the lost investment plunges the family into debt Agnes her sister Mary and their mother all try to keep expenses low and bring in extra money but Agnes is frustrated that everyone treats her like a child To prove herself and to earn money she is determined to get a position as a governess Eventually she obtains a recommendation from a well placed acquaintance is offered a position and secures her parents permission With some misgivings she travels to Wellwood house to work for the Bloomfield family The Bloomfields are rich and much crueller than Agnes had expected Biography Anne Bront 1820 1849 was an English novelist and poet the youngest member of the Bront literary family The daughter of Patrick Bront a poor Irish clergyman in the Church of England Anne Bront lived most of her life with her family at the parish of Haworth on the Yorkshire moors She also attended a boarding school in Mirfield between 1836 and 1837 At 19 she left Haworth and worked as a governess between 1839 and 1845 After leaving her teaching position she fulfilled her literary ambitions She published a volume of poetry with her sisters Poems by Currer Ellis and Acton Bell 1846 and two novels Agnes Grey based upon her experiences as a governess was published in 1847 Her second and last novel The Tenant of Wildfell Hall which is considered to be one of the first sustained feminist novels appeared in 1848 Like her poems both her novels were first published under the masculine pen

name of Acton Bell Anne's life was cut short when she died of what is now suspected to be pulmonary tuberculosis at the age of 29. Extrat All true histories contain instruction though in some the treasure may be hard to find and when found so trivial in quantity that the dry shrivelled kernel scarcely compensates for the trouble of cracking the nut Whether this be the case with my history or not I am hardly competent to judge I sometimes think it might prove useful to some and entertaining to others but the world may judge for itself Shielded by my own obscurity and by the lapse of years and a few fictitious names I do not fear to venture and will candidly lay before the public what I would not disclose to the most intimate friend My father was a clergyman of the north of England who was deservedly respected by all who knew him and in his younger days lived pretty comfortably on the joint income of a small incumbency and a snug little property of his own My mother who married him against the wishes of her friends was a squire's daughter and a woman of spirit In vain it was represented to her that if she became the poor parson's wife she must relinquish her carriage and her lady's maid and all the luxuries and elegancies of affluence which to her were little less than the necessities of life A carriage and a lady's maid were great conveniences but thank heaven she had feet to carry her and hands to minister to her own necessities An elegant house and spacious grounds were not to be despised but she would rather live in a cottage with Richard Grey **Agnes Grey** Agnes

Grey, 2019-01-15 Agnes Grey is the debut novel of English author Anne Bront writing under the pen name of Acton Bell first published in December 1847 and republished in a second edition in 1850 The novel follows Agnes Grey a governess as she works within families of the English gentry Scholarship and comments by Anne's sister Charlotte Bront suggest the novel is largely based on Anne Bront's own experiences as a governess for five years Like her sister Charlotte's novel Jane Eyre it addresses what the precarious position of governess entailed and how it affected a young woman The choice of central character allows Anne to deal with issues of oppression and abuse of women and governesses isolation and ideas of empathy An additional theme is the fair treatment of animals Agnes Grey also mimics some of the stylistic approaches of bildungsromans employing ideas of personal growth and coming to age but representing a character who in fact does not gain in virtue The Irish novelist George Moore praised Agnes Grey as the most perfect prose narrative in English letters and went so far as to compare Anne's prose to that of Jane Austen Modern critics have made more subdued claims admiring Agnes Grey with a less overt praise of Bront's work than Moore wikipedia.org **Agnes Grey** Anne Bront, 2018-08-24

Nachdem ihr Vater sein Vermögen verloren hat ist die Pfarrerstochter Agnes Grey gezwungen zum Familieneinkommen beizutragen Sie wird Erzieherin im Hause einer reichen Familie Doch die Atmosphäre in ihrer neuen Umgebung ist unerwartet rau Die sensible und rücksichtsvolle Agnes muss kämpfen um sich gegenber vielfältigen Anforderungen zu behaupten Als Agnes dem Vikar Eduard Weston begegnet verliebt sie sich in ihn Weston erwidert ihre Gefühle wagt sich jedoch nicht aus der Deckung Das Paar verharret zunächst zwischen Bangen und Hoffen Anne Bront hat in ihren Roman Agnes Grey von 1847 umfassende eigene Erfahrungen als Erzieherin und Gouvernante verarbeitet Der Roman Agnes Grey

entstand in einer Art Wettbewerb zwischen Anne Bronte und ihren Schwestern Charlotte und Emily die im selben Jahre ihre Bestseller Jane Eyre Charlotte Bronte und Sturmh he Emily Bronte ver ffentlichten **Agnes Grey** Acton Bell,2019-09-25

Reproduction of the original Agnes Grey by Acton Bell Agnes Grey Anne Brontë,1847 Published in 1847 Anne Bront s first novel has a documentary quality being based on her experiences of working as a governess at the time the only respectable occupation available to unmarried women of reduced circumstances Bront depicts in detail the isolation inherent in a governess s life as an educated but by necessity not too educated woman trapped in an awkward halfway world between the classes The governess is not a servant but nor is she on the same social level as her employers the very fact of her needing to take a job underlining that division Over the course of the novel Agnes serves time with two families the Bloomfields and the Murrays The Bloomfield children are hateful creatures so spoiled and disobedient that Agnes has at times to restrain them physically The Murrays are a notch up on the social scale and both children somewhat older but they bring their own particular challenges one sister is preening manipulative and deeply self involved while the other is prone to playing with a horsewhip and cursing like a stableboy Agnes s character takes a backseat to those of her charges and when her voice does come through its prim righteous tone can grate But this seems fitting given that the governess was expected to be almost invisible that her existence was often a source of discomfort to her employers and their set People literally fail to see Agnes doors are shut upon her and she takes pains not to walk beside anyone on the way to church to avoid unpleasant silences Salvation comes in the form of a man not a tempestuous Rochester figure but the safe kind curate Mr Weston the only one to look at Agnes and see not a governess but a woman Agnes Grey a Novel Anne Bronte,2017-04-02 This collection of literature attempts to compile many of the classic works that have stood the test of time and offer them at a reduced affordable price in an attractive volume so that everyone can enjoy them *Agnes Grey by Anne Bronte Unabridged 1847 Original Version* Anne Brontë,2017-07-24 At age 19 Anne Bront left home and worked as a governess for a few years before becoming a writer Agnes Grey was an 1847 novel based on her experience as a governess Bronte depicts the precarious position of a governess and how that can affect a young woman Agnes was the daughter of a minister whose family was in financial difficulty She has only a few choices for employment Agnes experiences the difficulty of reining in spoiled children and how wealth can corrupt morals *Agnes Grey Illustrated* Anne Brontë,2021-03-28 Agnes Grey A Novel is the debut novel of English author Anne Bront writing under the pen name of Acton Bell first published in December 1847 and republished in a second edition in 1850 The novel follows Agnes Grey a governess as she works within families of the English gentry Scholarship and comments by Anne s sister Charlotte Bront suggest the novel is largely based on Anne Bront s own experiences as a governess for five years Like her sister Charlotte s novel Jane Eyre it addresses what the precarious position of governess entailed and how it affected a young woman *Agnes Grey* Anne Brontë,Acton Bell,2015-06-17 Agnes Grey A Novel by Acton Bell Anne Bronte Agnes Grey is the debut novel of English author Anne Bronte first published in December

1847 and republished in a second edition in 1850 The novel follows Agnes Grey a governess as she works within families of the English gentry Scholarship and comments by Anne's sister Charlotte Brontë suggest the novel is largely based on Anne Brontë's own experiences as a governess for five years Like her sister Charlotte's novel Jane Eyre it addresses what the precarious position of governess entailed and how it affected a young woman The choice of central character allows Anne to deal with issues of oppression and abuse of women and governesses isolation and ideas of empathy An additional theme is the fair treatment of animals Agnes Grey also mimics some of the stylistic approaches of bildungsromans employing ideas of personal growth and coming to age but representing a character who in fact does not gain in virtue The Irish novelist George Moore praised Agnes Grey as the most perfect prose narrative in English letters and went so far as to compare Anne's prose to that of Jane Austen Modern critics have made more subdued claims admiring Agnes Grey with a less overt praise of Brontë's work than Moore

"We are Three Sisters" Drew Lamonica,2003 **Walking with Anne Brontë (black & white edition)** Tim Whittome,2023-07-31 Whether on the seashore or on the trails between clumps of Haworth heather let us walk with Anne Brontë and listen to her discussing the kind of truth that always conveys its own moral to those who are able to receive it Join us in our academic and personal celebratory reflections on gentle Anne's core of steel sense of family duty and enduring courage Anne was the most underrated and least known of the three Brontë sisters for the better part of a century after she died in May 1849 Walking with Anne Brontë adds gravitas and personality to the growing chorus of academic and other voices honoring the youngest Brontë sibling's inspirational life and literary legacy Agnes Grey Anne Brontë,2012 The only one volume hardcover edition of the two uncommonly powerful novels written by the youngest of the famous Brontë sisters Anne Brontë wrote these two fantastically successful novels just before her tragically early death both of them in a much more grittily realistic mode than the more romantic ones favored by her sisters Agnes Grey the story of a governess working for disdainful and cruel employers is a wrenching account of the desperate straits faced by Victorian women without money or husband The Tenant of Wildfell Hall tells a story that was shocking for its time a woman leaves her alcoholic and abusive husband in order to protect their young son and must live in hiding to prevent the law from taking her child away from her These novels have become classics not only by dint of the subtle and ironic force of Anne Brontë's prose but because of the passionate indictments of social injustice that animate them Publisher's website **Anne Brontë** Elizabeth Langland,1989-01-01 IAnne Brontë% The Other One is the first full length study to provide a feminist reading of the life and work of this youngest Brontë% In the Brontë% mythology of three talented intimate and devoted sisters Anne has played in George Moore's words the role of literary Cinderella relegated to the ashes of history for her failure to reach the standards set by her sisters Elizabeth Langland demonstrates that the sisterly context which enabled the work of all three has proved detrimental to a full critical appreciation of Anne Measured by the standards of Emily and Charlotte Anne's work must inevitably suffer Through a close examination of the life poetry and novels Elizabeth Langland shows that Anne's work drew

its inspiration from a different literary tradition than that which influenced her sisters and further that Anne's novels and poems in fact offer a stringent critique of the values inherent in her sisters' works. In detailing the literary debt Charlotte in particular owed her youngest sister and in demonstrating the intertextual relationships among all the Brontë novels, Professor Langland presents a genuinely revisionary perspective on Anne Brontë. In key chapters on the poetry of *Agnes Grey* and *The Tenant of Wildfell Hall*, Professor Langland argues persuasively that we revise upward our critical estimate of this literary Cinderella.

Contents

- 1 Anne Brontë's Life, age and experience
- 2 Influences
- 3 Action: Bell is neither Currer nor Ellis Bell
- 4 The Poems: pillars of witness
- 5 *Agnes Grey*: all true histories contain instruction
- 6 *The Tenant of Wildfell Hall*: wholesome truths versus soft nonsense

6 Critics on Anne Brontë: a literary Cinderella
