

A photograph of a nuclear power plant. Two large, white, hourglass-shaped cooling towers are the central focus, with thick white steam rising from their tops into a clear blue sky. To the left of the towers, there are several smaller, white, dome-shaped containment buildings. In the background, there are power lines and a body of water. The foreground consists of a field of tall, golden-brown grass. A black rectangular box with white text is overlaid at the bottom of the image.
