Ladies in the Laboratory? American and British Women in Science, 1800-1900 Mary R.S. Creese, 2000-01-01 A systematic survey and comparison of the work of 19th century American and British women in scientific research this book covers the two countries in which women of the period were most active in scientific work and examines all the fields in which they were engaged The field by field examination brings out patterns and concentrations in women s research in both countries and allows a systematic comparison of the two national groups Through this comparison new insights are provided into how the national patterns developed and what they meant in terms of both the process of women s entry into research and the contributions they made there Ladies in the Laboratory features a specialized bibliography of nineteenth century research journal publications by women created from the London Royal Society s Catalogue of Scientific Papers 1800 1900 In addition 23 illustrations present in condensed form information about American and British women s scientific publications throughout the nineteenth century This well organized blend of individual life stories and quantitative information presents a great deal of new data and field by field analysis its broad and methodical coverage will make it a basic work for everyone interested in the story of women s participation in nineteenth century science **China's Evolving Surface Fleet** Peter

Dutton, Ryan D. Martinson, 2017 Over the past fifteen years the People s Liberation Army Navy s PLAN s missile fast attack craft and amphibious fleets have been significantly modernized While these two types of vessels have not increased in numbers their capabilities have increased exponentially This publication examines the People s Liberation Army s PLA s doctrine and training strategy in order to analyze present and predict future missions by these military vessels China s

deterrence posture is improved greatly by these ships and boats which aid coastal water defense and threaten Taiwanese attempts to gain independence In addition these two fleets improve China s long range sealift capabilities and help with the PLA s traditional and new nontraditional security practices These fleets allow the PLAN to continue offshore operations and begin blue water or far seas operations helping the United States to predict the future nature of Chinese maritime missions Related items China collection of publications can be found here <https://bookstore.gpo.gov/catalog/china> Chinese Military Reforms in the Age of Xi Jinping Drivers Challenges and Implications can be found here <https://bookstore.gpo.gov/products/chinese-military-reforms-age-xi-jinping-drivers-challenges-and-implications> Indian and Chinese Engagement in Latin America and the Caribbean A Comparative Assessment can be found here <https://bookstore.gpo.gov/products/indian-and-chinese-engagement-latin-america-and-caribbean> U S Landpower in the South China Sea can be found here <https://bookstore.gpo.gov/products/us-landpower-south-china-sea>
