*A basic guide to eschatology : making sense of the millennium* Millard J. Erickson, 1977      **A Basic Guide to Eschatology** Millard J. Erickson, 1998-12-01 A leading evangelical theologian provides a comprehensive examination of the various evangelical views of the millennium and other eschatological subjects      The Oxford Handbook of Eschatology Jerry L. Walls, 2007-12-03 Eschatology is the study of the last things death judgment the afterlife and the end of the world Through centuries of Christian thought from the early Church fathers through the Middle Ages and the Reformation these issues were of the utmost importance In other religions too eschatological concerns were central After the Enlightenment though many religious thinkers began to downplay the importance of eschatology which in light of rationalism came to be seen as something of an embarrassment The twentieth century however saw the rise of phenomena that placed eschatology back at the forefront of religious thought From the rapid expansion of fundamentalist forms of Christianity with their focus on the end times to the proliferation of apocalyptic new religious movements to the recent and very public debates about suicide martyrdom and paradise in Islam interest in eschatology is once again on the rise In addition to its popular resurgence in recent years some of the worlds most important theologians have returned eschatology to its former position of prominence The Oxford Handbook of Eschatology will provide an important critical survey of this diverse body of thought and practice from a variety of perspectives biblical historical theological philosophical and cultural This volume will be the primary resource for students scholars and others interested in questions of our ultimate existence      **Introducing World Missions (Encountering Mission)** A. Scott Moreau, Gary R. Corwin, Gary B. McGee, 2015-06-09 This bestselling textbook by leading missionary scholars offers an engaging introduction to the work of missions in the contemporary world It provides a broad overview of the biblical theological and historical foundations for missions It also considers personal and practical issues involved in becoming a missionary the process of getting to the mission field and contemporary challenges a mission worker must face Sidebars charts maps and numerous case studies are included This new edition has been updated and revised throughout and features a full color interior Additional resources for professors and students are available online through Baker Academic s Textbook eSources      *Israelism and the Place of Christ* Steven Paas, 2018 From the perspective of Christian theology speaking about Israel not only touches on issues of international politics or social convictions but also on the core questions of faith and theology such as How does God relate to the peoples in this world Does the dictum that with God there is no partiality apply only to individuals or also to peoples In other words Does He still favour a people How do we read the Bible To what extent should we use the New Testament as a lens for the Old Testament What is the place of Christ in theology How far does salvation through Christ reach Does it apply to Jews and non Jews in the same way Should Christians keep the Jewish festivals What will be the place of the people of Israel in the future These are important questions about the concept of God hermeneutics christology soteriology practical theology and eschatology Therefore from a

theological vantage point the subject of the collection of essays before you is extremely important Professor Dr Wido van Peursen Free University Amsterdam Netherlands Series Contributions to the Understanding of the Bible Beitr ge zum Verstehen der Bibel Vol 34 Subject Biblical Studies Religious Studies Models of Premillennialism Sung Wook Chung, David L. Mathewson, 2018-08-27 The meaning of the millennium the thousand year reign of Christ spoken of in Revelation 20 has been controversial for much of the church's history and even the main perspectives on the matter turn out to be more variegated than is often realized This book takes the oldest of those options premillennialism and offers an excellent introduction to a variety of models of premillennialism currently available including classical dispensationalism progressive dispensationalism historic premillennialism thematic premillennialism and historic premillennialism in Asian context The product of collaboration between a systematic theologian and a New Testament scholar this book provides a fascinating reference tool for anyone interested in what Scripture teaches about the last things of redemptive history the Parousia and the millennial kingdom Christ's Prophetic Plans Richard Mayhue, John MacArthur, 2012-02-21 General editors and experienced bible scholars John MacArthur and Richard Mayhue help to provide a clear and convincing Biblical explanation for the interpretive approach to Scripture that results in a knowable futuristic view of Christ's millennial reign on earth Christ's Prophetic Plans also helps provide the certain validity of God's promises to future Israel and the crucial differences between Israel as a people and a nation and the New Testament church **Encyclopedia of Protestantism** J. Gordon Melton, 2005 An illustrated A to Z reference containing over 600 entries providing information on the theology people historical events institutions and movements related to Protestantism Baptist Theology James Leo Garrett, 2009 This title offers a comprehensive analysis of Baptist theology Embracing in one common trajectory the major Baptist confessions of faith the major Baptist theologians and the principal Baptist theological movements and controversies this book spans four centuries of Baptist doctrinal history Acknowledging first the pre 1609 roots patristic medieval and Reformational of Baptist theology it examines the Arminian versus Calvinist issues that were first expressed by the General Baptists and the Particular Baptists that dominated English and American Baptist theology during the seventeenth and eighteenth centuries from Helwys and Smyth and from Bunyan and Kiffin to Gill Fuller Backus and Boyce and that were quickened by the awakenings and the missionary movement Concurrently there were the Baptist defense of the Baptist distinctives vis a vis the pedobaptist world and the unfolding of a strong Baptist confessional tradition Then during the nineteenth and twentieth centuries the liberal versus evangelical issues became dominant with Hovey Strong Rauschenbusch and Henry in the North and Mullins Conner Hobbs and Criswell in the South even as a distinctive Baptist Landmarkism developed the discipline of biblical theology was practiced and a structured ecumenism was pursued Missiology both impacted Baptist theology and took it to all the continents where it became increasingly indigenous Conscious that Baptists belong to the free churches and to the believers churches a new generation of Baptist theologians at the advent of the twenty first century appears somewhat more

Calvinist than Arminian and decidedly more evangelical than liberal      *Biblical Hermeneutics* Bruce Corley, Steve Lemke, Grant Lovejoy, 2002 *Biblical Hermeneutics* is a textbook for introductory courses in hermeneutics      **From Pentecost to Patmos** Craig L. Blomberg, 2006 A companion to Jesus and the Gospels Blomberg's ECPA Gold Medallion winner *From Pentecost to Patmos* introduces serious Bible students to the depths of information found in Acts through Revelation      *Across the Spectrum* Gregory A. Boyd, Paul Rhodes Eddy, 2009-09 This accessible yet comprehensive primer explores the breadth of viewpoints on major issues in evangelical theology by examining positions taken by evangelicals on seventeen seminal issues The second edition retains the helpful features of the first edition and adds an appendix that addresses thirteen peripheral issues in contemporary evangelicalism Praise for the first edition The authors do what no book on the market does In one volume they faithfully present divergent views on the crucial issues that divide evangelicals and they do so in an unbiased succinct and lively manner This book is perfect as a supplemental text in an introductory theology course or as a manual for church study groups It will help everyone arrive at his or her own conclusions within the parameters of the evangelical tradition Dennis Okholm Azusa Pacific University *Across the Spectrum* succeeds with distinction in at least two respects First it represents a very useful tool for those who wish to begin grappling with different approaches to difficult theological problems The book will be most helpful to beginning students in evangelical theology the target audience Second the work presents various perspectives in fair and unbiased tones If used with care it will repeatedly reward the reader with its fair and even treatment of different theological views Nathan D Holsteen Bibliotheca Sacra I've been waiting for this book for some time Due to its brief nontechnical format it can be used in a variety of ways in undergraduate theology courses Although a concise volume it succinctly outlines multiple arguments both pro and con for incredibly over two dozen issues in disputed largely non fundamental areas of doctrine The professor can present positions in favor of particular views or leave the issues open It's settled I'm requiring it Gary R Habermas Liberty University A collective sigh of relief will arise from the evangelical student body when it discovers this book It helpfully and critically surveys the many legitimate evangelical theological options and convincingly demonstrates that there is no single authentically evangelical viewpoint on a wide range of controversial issues It constitutes a small library between two covers Roger E Olson George W Truett Theological Seminary Baylor University      *Insights on Revelation* Charles R. Jackson,2025-01-07 This monograph explores the topic of eschatological violence in Pentecostal biblical interpretation of Ezek 36 16 39 29 Rev 19 11 21 and Rev 20 7 10 By reviewing Pentecostal reception history of these texts considering the influence of classical dispensationalism on Pentecostal biblical interpretation and eschatology this study offers a peace reading that aligns with both early Pentecostal writers and contemporary Pentecostal scholars whose eschatology departs from classical dispensationalism This monograph builds a case for envisioning a hopeful and proleptic premillennial eschatology that emphasizes the peace and reconciliation of the gospel more than end times war and violence *Understanding the New Testament and the End Times, Second Edition* Rob Dalrymple,2018-04-16 Many evangelicals have come to embrace a populist eschatology that has neither the support of the historical church nor of the scholarly world today For some this has led to a disillusionment with eschatological speculations For others the results are apathy and a failure to understand the mission of God s people This is tragic For when the entirety of the New Testament is read and understood from an eschatological perspective the grand narrative of Scripture and its fulfillment in Jesus comes clearly into focus A proper framework for understanding eschatology directly correlates to a proper understanding of the mission of God s people who are themselves carrying forth the biblical story as we approach the New Jerusalem To fail to comprehend eschatology is to fail to comprehend our mission This book has two objectives First to provide a proper hermeneutical framework from which we may discern a biblical eschatological worldview Second to demonstrate that a proper eschatological framework relates to the mission of God s people and the demand for holiness Thus eschatology matters **Biblical Eschatology, Second Edition** Jonathan Menn,2018-03-07 Biblical Eschatology provides what is not found in any other single volume on eschatology it analyzes all the major eschatological passages including the Olivet Discourse and the book of Revelation issues including the second coming of Christ the millennium the rapture and Antichrist and positions including all the major views of the millennium in a clear but not superficial way The book concludes with a chapter showing how eschatology is relevant for our lives Biblical Eschatology makes understanding eschatology easier by including chapters on how to interpret prophecy and apocalyptic literature by showing the history of eschatological thought and by placing eschatology in the context of the Bible s overall story line and structure Clarity and understanding are enhanced by the use of comparative tables and appendices Subject and Scripture indexes are included The book interacts with the best of Evangelical and Reformed scholarship and the extensive bibliography which includes the web addresses of many online resources provides an excellent source for the reader s further study This is a perfect resource for intelligent Christians including pastors students and teachers who desire to understand eschatology and to see how it fits together with

the rest of the Bible      *Revolution* Michael L. Brown, 2020-10-06 A revolution of repentance by the power of the Holy Spirit is needed in the church to bring renewal to a hurting nation After reading *Revolution* you will understand what a biblical revolution looks like and how to implement it starting within your own heart and going outward from there This book is not a call to the violent overthrow of the government nor is it a call to take up arms nor is it a call to political activism in and of itself It is a call to something far more extreme a call to live out the gospel with all its radical claims a call for the people of God to impact this generation with the prophetic message of repentance a call to spark the most sweeping counterculture movement in our nation's history a call to take back the moral high ground that has been stolen from under our feet a call to follow Jesus by life or by death *Revolution* answers such questions as What is the role of the Christian and the church during these tumultuous times How are we to respond to the racial upheaval happening in our nation What is the church's role in healing the divide in our fractured divided country Dr Brown turns up the volume in this call to God's remnant people to pray repent and act according to the teachings of Jesus who is calling us to holy revolution      *The Fathers on the Future: A 2nd-Century Eschatology for the 21st-Century Church* Michael J. Svigel, 2024-11-05 Dive into the classic eschatology of Irenaeus of Lyons with *The Fathers on the Future* as you unpack key truths untangle misunderstandings and get a deeper understanding of this balanced and biblically sound end times framework Many today with an interest in the end times face a problem they have forgotten the past Knowing the history of eschatology is key to understanding its importance how we interpret our faith and our outlook on God and humanity So why do so many overlook it and what can we do to correct this *The Fathers on the Future* uses a thorough exegetical and theological analysis to defend the foundation and structure of the second century premillennial futurist eschatology of Irenaeus of Lyons and other church fathers It makes a case for a contemporary Irenaean premillennial eschatology arguing that it is a reliable framework for a biblically defensible theologically balanced and historically informed eschatology *The Fathers on the Future* includes these key features Restores historical perspective Recovers the forgotten roots of early Christian eschatology emphasizing the teachings of Irenaeus of Lyons and other church fathers Biblically grounded framework Offers a well supported case for a biblically defensible premillennial eschatology balancing theology and history Clarifies and corrects Clarifies complex aspects of early eschatology strengthens key theological points and corrects missteps Fresh yet ancient approach Presents an eschatological perspective that is new to modern readers but deeply rooted in ancient Christian traditions *The Fathers on the Future* begins with the belief that Irenaeus and other early church fathers represented a widespread and well developed eschatology inherited from those who were close associates of the apostles It then explores some of features of that early eschatology clarifying obscure points strengthening some elements and correcting a few missteps By looking back to Irenaeus and the eschatological emphases of his age this book provides a new approach to eschatology today new to contemporary readers but ancient in its original perspective      *Plowshares and Pruning Hooks* Brent Sandy, 2025-10-28 What are we to make of Isaiah

s image of Mount Zion as the highest of the mountains or Zechariah s picture of the Mount of Olives split in two or Daniel s beast rising out of the sea or Revelation s great red dragon with seven heads and ten horns How can Peter claim that on the day of Pentecost the prophecy of Joel was being fulfilled with signs in heaven and wonders on earth the sun turned to darkness and the moon to blood The language and imagery of biblical prophecy has been the source of puzzlement for many Christians and a point of dispute for some How ironic that is For the prophets and seers were the wordsmiths of their time They took pains to speak God s word clearly and effectively to their contemporaries How should we as citizens of the twenty first century understand the imagery of this ancient biblical literature Are there any clues in the texts themselves any principles we can apply as we read these important but puzzling biblical texts D Brent Sandy carefully considers the language and imagery of prophecy and apocalyptic how it is used how it is fulfilled within Scripture and how we should read it against the horizon of our future Clearly and engagingly written Plowshares and Pruning Hooks is the kind of book that gives its readers a new vantage point from which to view the landscape of prophetic and apocalyptic language and imagery

The Pith of the Apocalypse Paul A. Rainbow, 2008-10-15 To serve God and Christ faithfully in the midst of a pagan society that exalts power wealth and pleasure is the tenor of the prophetic summons to the church in the book of Revelation Unfortunately this simple message as potent today as it was at the end of the first century is often obscured by misguided if sincere interpreters The present book explores the background issues and lays out the principles that inform a sound approach to this enigmatic writing its historical and cultural setting its literary structure its symbolic code its core theological concepts its scheme of last things and its preachable and teachable points In dialogue with dispensationalism on the one hand and with the skeptical criticism of it on the other The Pith of the Apocalypse derives clues for cracking the Apocalypse from the book itself viewed against the sweep of the biblical prophetic tradition that flowed into it through the lens of methods widely accepted in mainstream New Testament scholarship Readers will return to the book of Revelation itself with enhanced confidence penetration and understanding
