Symphony the Alexander Nevsky Cantata and the Lieutenant Kizhe Suite Prokofiev 1891 1953 lived a life complicated and enriched by the momentous political and social transformation of his homeland in the aftermath of the 1917 Bolshevik Revolution Born to a middle class family in rural Ukraine he demonstrated amazing music talent at a very early age In 1904 he began serious musical study at St Petersburg Conservatory For graduation he composed and performed his audacious Piano Concerto No 1 which helped to make his name as the Bad Boy of Russian Music As one of the most accomplished pianists of his time Prokofiev composed many works for the instrument which remain today an important fixture of the concert repertory Prokofiev fled the chaos following the 1917 Bolshevik Revolution for the United States where he lived and worked for several years producing his comic opera The Love for Three Oranges and his very popular Third Piano Concerto But he found American taste too underdeveloped and moved to Paris in 1923 where he collaborated on ballets with Sergei Diaghilev's Ballets Russes including Prodigal Son and wrote several more operas The Gambler The Fiery Angel Prokofiev also toured widely as a concert pianist reaching nearly all major European capitals and returning several times to the United States where his music was promoted by Serge Koussevitsky conductor of the Boston Symphony Orchestra During his Paris years he began returning regularly on tours to the USSR greeted with ecstatic enthusiasm Dissatisfied with his music's reception in Paris and homesick for Russia Prokofiev in 1936 made the controversial decision to move with his wife and two sons to Moscow just as Josef Stalin's purges were intensifying Until 1938 he continued to tour abroad In Moscow and Leningrad Prokofiev worked with brilliant artists including film director Sergei Eisenstein for whom he wrote the scores to Alexander Nevsky and Ivan the Terrible pianist Sviatoslav Richter cellist Mstislav Rostropovich and ballerina Galina Ulanova who danced the role of Juliet in Romeo and Juliet But life was difficult during World War II Prokofiev and his second wife were evacuated to Central Asia Even so he managed to compose his gigantic opera War and Peace his epic Fifth Symphony and many other seminal works of Soviet and world music After suffering a stroke in 1945 Prokofiev's health worsened At the same time his music was attacked as formalist by Stalin's cultural officials in 1948 when his first wife was arrested and sent to a labor camp Ironically Prokofiev died on the very same day as Stalin March 5 1953 One is grateful for Harlow Robinson's Sergei Prokofiev A Biography which is about as good as a musical biography gets Robinson illuminates the artist's character penetrates the human significance of the music demonstrates an easy command of Russian political and cultural history and writes with clarity and vigor Anyone thinking about Prokofiev is deeply in his debt Algis Valiunas The Weekly Standard Harlow Robinson's biography of the composer is the fullest account to date a thoughtful study of a puzzling personality in and out of music and a comprehensive history of the East West cultural curtain as it constrained the life and work of the one major artist who had been active on both of its sides The biographer is fair minded generous to Prokofiev but by no means an apologist the best written biography of a modern composer Robert Craft The Washington Post An indefatigably productive composer who achieved considerable success during his lifetime Prokofiev seldom seemed satisfied

as he restlessly sought ever greater recognition Mr Robinson explores the darkest corners of this labyrinthine life and brings clarity to some of its more puzzling twists and turns he skillfully relates Prokofiev's life to greater political and cultural currents Carol J Oja The New York Times Robinson tells us more than anyone hitherto about the composer's life as well as much about the origins and qualities of the music The first full biography published in English to avoid the pitfalls of cold war politics A book of many virtues Robinson gives us more facts about Prokofiev's life than any previous biographer and he weaves them into a story of politics art and romance that marvelously gathers momentum Robinson writes with the skill of a novelist but the story in this instance is true George Martin The Opera Quarterly A splendid life by a Slavic studies specialist who is also a musician of one of our century's most popular composers Mr Robinson's account of the musical development of his monomaniacal hero is first rate The New Yorker A well written scholarly and very detailed book April FitzLyon The Times Literary Supplement Certainly there is nothing in English to rival Robinson's book in scope and detail Richard Dyer The Boston Globe Prokofiev has long been in need of the full impressively researched congenially written study that Robinson gives us Gary Schmidgall Opera News A fluent readable and detailed biography of Prokofiev from the perspective of a musically informed cultural historian Robinson has made a complicated and contradictory life accessible to the western reader Robinson has performed the important first step of chronicling for the general reader one of the twentieth century's major musical personalities and his biography will stitch music into the Russian cultural scene for many professional Slavists as well Caryl Emerson The Russian Review The manner in which Stravinsky and Prokofiev pursued their careers in tandem for a while is one of the subjects generously described by Harlow Robinson with his flair for interesting and relevant information in his absorbing new biography of Prokofiev Arthur Berger The New York Review of Books More detailed and comprehensive and less politically partisan than previous biographies this readable account deals objectively but compassionately with the life and work of a major Russian composer Publishers Weekly This is the best biography in English to date on Prokofiev Robinson candidly exposes Prokofiev's flaws from his musical capriciousness and opportunism to his unpardonable social tactlessness Throughout the writing is intended for the lay reader crisp fast paced and unencumbered by technical jargon Highly recommended Library Journal

Frederic Chopin Maurycy Karasowski, Emily Active 19th Century Hill, 2025-03-28 Delve into the life letters and works of one of history's most beloved composers with Frederic Chopin Vol 1 of 2 His Life Letters and Works by Moritz Karasowski This biography offers a detailed exploration of the Polish composer's journey providing invaluable insights into his creative process and personal experiences A cornerstone of music history this volume explores Chopin's contributions to Romantic music Karasowski meticulously chronicles Chopin's life drawing upon letters and accounts to present a comprehensive portrait of the man behind the music From his early influences to his lasting legacy this book examines the events and relationships that shaped Chopin's compositions A must read for enthusiasts of classical music piano aficionados and anyone interested in the life of Frederic Chopin This work has been selected by

Chopin Jeremy Nicholas,2007 An intimate and thrilling portrait of the piano virtuoso from Naxos the world s leading classical music label with two CDs and exclusive Web access Diaries, 1915-1922 Sergey Prokofiev,2008 The second volume in Prokofiev s recently uncovered diaries covers the period from 1915 to 1923 a momentous epoch in European history in the personal story of Prokofiev s life and in the development of his art *Frederic Chopin; His Life, Letters, and Works Volume* Karasowski Maurycy 1823-1892,Hill Emily,2025-05-22 Frederic Chopin his Life Letters and Works is a comprehensive biography exploring the life and musical legacy of the renowned Polish composer and pianist Fr d ric Chopin This first volume delves into his early years influences and the development of his unique style Drawing upon extensive research and Chopin s personal correspondence Maurycy Karasowski provides a detailed portrait of the man behind the music shedding light on his artistic journey and personal relationships This biography remains a valuable resource for scholars musicians and anyone interested in the life and work of one of the most important figures in Romantic music Discover the story of a musical genius whose compositions continue to inspire and captivate audiences worldwide This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *Chopin in Paris* Tad Szulc,1999-03-12 Chopin in Paris introduces the most important musical and literary figures of Fryderyk Chopin s day in a glittering story of the Romantic era During Chopin s eighteen years in Paris lasting nearly half his short life he shone at the center of the immensely talented artists who were defining their time Hugo Balzac Stendhal Delacroix Liszt Berlioz and of course George Sand a rebel feminist writer who became Chopin s lover and protector Tad Szulc the author of Fidel and Pope John Paul II approaches his subject with imagination and insight drawing extensively on diaries memoirs correspondence and the

composer's own journal portions of which appear here for the first time in English. He uses contemporary sources to chronicle Chopin's meteoric rise in his native Poland, an ascent that had brought him to play before the reigning Russian grand duke at the age of eight. He left his homeland when he was eighteen just before Warsaw's patriotic uprising was crushed by the tsar's armies. Carrying the memories of Poland and its folk music that would later surface in his polonaises and mazurkas, Chopin traveled to Vienna. There he established his reputation in the most demanding city of Europe. But Chopin soon left for Paris where his extraordinary creative powers would come to fruition amid the revolutions roiling much of Europe. He quickly gained fame and a circle of powerful friends and acquaintances ranging from Rothschild the banker to Karl Marx. Distinguished by his fastidious dress and the wracking cough that would cut short his life, Chopin spent his days composing and giving piano lessons to a select group of students. His evenings were spent at the keyboard playing for his friends. It was at one of these Chopin gatherings that he met George Sand, nine years his senior. Through their long and often stormy relationship, Chopin enjoyed his richest creative period. As she wrote dozens of novels, he composed furiously; both were compulsive creators. After their affair unraveled, Chopin became the protégé of Jane Stirling, a wealthy Scotswoman who paraded him in his final year across England and Scotland to play for the aristocracy and even Queen Victoria. In 1849, at the age of thirty-nine, Chopin succumbed to the tuberculosis that had plagued him from childhood. Chopin in Paris is an illuminating biography of a tragic figure who was one of the most important composers of all time. Szulc brings to life the complex, contradictory genius whose works will live forever. It is compelling reading about an exciting epoch of European history, culture, and music, and about one of the great love dramas of the nineteenth century.

The Enigmatic Realm of **Basil Poledouris His Life And Music Film Composer Interview Volume 1**: Unleashing the Language is Inner Magic
