## **Consider The Angels:**

**Angels in Our Lives** Marie Chapian,2006-08 There really are angels all around us They are given to us by God for very specific purposes Most of us lead lives far too noisy to be aware of the ministering spirits but they are here among us The more we know the more we can recognize their presence and cooperate with them as they do the Father s will on our behalf You will find the answers to these and many more questions How well do you know the angels that God sends to you to reveal His love and power Do you have a personal guardian angel Are you earth bound and soul stuck How can you partner with angels Why does God want us to recognize the angels He sends to us *Angels in Our Lives* will inspire and encourage you to know that you are never alone Ever Through clear biblical truth and tender but powerful personal experiences you will enter the interactive realm of angels where you will gain faith courage victory wisdom and strength Book jacket *PsychoBible* Armando Favazza,2014-07-01 With 2 000 religious denominations and nearly 500 000 churches and temples in the United States the Bible is not only doctrinally confusing but behaviorally confusing too Is it a sin to drink alcohol Will prayer cure the sick Is homosexuality an abomination Why is celibacy so highly valued Do belief and feminism mix How should the Passion be interpreted In this enlightening and entertaining work Armando Favazza a world renowned psychiatrist specializing in culture and society explores these and other questions and examines the impact of the Bible on behavior through time and space from the Holy Book s gradual formation thousands of years ago to the present day This is an indispensable work for all those interested in better understanding the foundations of society s and perhaps even their own beliefs and behaviors and is a thought provoking read for those not afraid to inform their faith *The Christian Platonists of Alexandria* Charles Bigg,1886 *God's Angels* Rev. R. Stienstra,Dr. A. Kuyper,2015-06-30 God s Angels His Ministering Spirits is clearly the work of a mature highly educated and experienced author Dr Abraham Kuyper 1837 1920 produced the book toward the end of his life after he had given strong leadership in church matters founded a university and also a Christian political party and served as Prime Minister of the Netherlands His extensive writing in the areas of theology and the Christian life view prepared him finally to focus on the subject of angels It was a privilege and a challenge for me to make this highly significant book available to the English speaking people The book pursues all sorts of facets in the life of angels From when they were created to what their task really entails The falling into sin of a large number of angels is important for the human race Why is there a Satan Do people have a guardian angel Will the angels be there when we die Many questions are answered This book will make the readers think and become enriched with greater Biblical and practical knowledge

**Angels in Every Detail** Francisca Kibabu,2024-09-18 What comes to your mind when you hear of angels Do angels really exist where and how What does the Bible has to say about the angels Did Jesus the Christ or Apostle Paul teach about angels or encounter or receive angelic ministration Where did the angels come from Do they have rank What is their work in the Old and New Testament ARE THERE ANGELS TODAY      **Angels** Michael S. Heiser,2018-09-19 What does the Bible really tell us about the heavenly host Everyone knows that angels have wings usually carry harps and that each of us has our own personal guardian angel right We all have some preconceptions about angels from movies television shows and other media but you might be surprised to know that a lot of those notions aren t based on anything from the Bible If you read Luke 1 26 38 and imagine the angel Gabriel standing before Mary with neatly folded white wings you re not getting that picture from anything the Bible itself says What the Bible really says about angels is overlooked or filtered through popular myths This book was written to help change that It s a book about the loyal members of God s heavenly host and while most people associate them with the word angel that s just one of many terms the Bible uses for supernatural beings In The Unseen Realm Michael Heiser opened the eyes of thousands to seeing the Bible through the supernatural worldview of the ancient world it was written in In his latest book Angels Dr Heiser reveals what the Bible really says about God s supernatural servants Heiser focuses on loyal holy heavenly beings because the Bible has a lot more to say about them than most people suspect Most people presume all there is to know about angels is what has been passed on in Christian tradition but in reality that tradition is quite incomplete and often inaccurate Angels is not guided by traditions stories speculations or myths about angels Heiser s study is grounded in the terms the Bible itself uses to describe members of God s heavenly host he examines the terms in their biblical context while drawing on insights from the wider context of the ancient Near Eastern world The Bible s view on heavenly beings begins with Old Testament terms but then moves into literature from the Second Temple period Jewish writings from around the fifth century BC to the first century AD This literature from the time between the Old Testament and the New Testament influenced the New Testament writers in significant ways With that important background established the book focuses on what the New Testament tells us about God s holy ones Finally the book reflects on common misconceptions about angels and addresses why the topic is still important and relevant for Christians today
