# Consolidation Or Fragmentation The Size Of Local Governments In Central Europe

**Copus, Colin, Kerley, Richard, Jones,  
Alistair**

## **Consolidation Or Fragmentation The Size Of Local Governments In Central Europe:**

*Comparative Studies and Regionally-Focused Cases Examining Local Governments* Sadioglu, Ugur,Dede, Kadir,2016-06-20 In the era of globalization comparative government and politics have come to the forefront due to the transformations of the social welfare state and the subsequent social economic political cultural technological and administrative changes Taking a particular look at local government systems can uncover new perspectives on issues related to globalization localization governance new democracy movements managerial reformation and privatization *Comparative Studies and Regionally Focused Cases Examining Local Governments* is a pivotal reference source for the latest scholarly research on the role played by local governments in overall administration types and models of government at the local level consequences of managerial reforms and new develops regarding structure process personnel and policymaking aspects of government Highlighting relevant perspectives from comparative research and case studies this book is ideally designed for students government officials politicians civil society representatives and academicians

**Local Government in Central and Eastern Europe** Andrew Coulson,Adrian Campbell,2007-08-02 This book examines the democratic changes that took place in civil society in Central and Eastern Europe after the break up of the Soviet Union

*35 Years of Public Sector Reform in Central Europe* Michiel S. de Vries,Juraj Nemec,2025-03-11 This book examines public administration reforms in Central and Eastern Europe during the last three decades After 1989 so called socialist countries in Central and Eastern Europe started their transformation from centralistic to democratic societies Their public administration systems changed dramatically to adopt new norms and principles Focusing on current EU member states in the region the book identifies similarities and differences in their public administrative reforms Paying particular attention to three policy areas education health care and local services it assesses the historical roots of public administrative reforms and how the legacy of being former members of the Warsaw Pact are still visible The book argues that there are important differences between administrations in Central and Eastern European countries compared to older EU member states and that even within these countries significant differences can be seen between developments and administrative reforms at the national and local level It concludes by assessing the implications of these arguments for candidate EU members and the complexities and pitfalls they might encounter in this process

**Local Government in Europe** Marta Lackowska,Katarzyna Szmigiel-Rawska,Filipe Teles,2021-09-08 Drawing on classical and emerging research perspectives this comprehensive book provides an up to date review of local government in Europe Featuring an impressive range of contributors from both eastern and western Europe the book addresses three main topics territorial reforms democratic empowerment of citizens and the role of local leadership as well as new trends in local finances Acknowledging their inherent diversity the book examines the ways that local governments have responded to shared challenges such as climate change increasing populism and democratic deficit in order to identify both the variety and communalities between the country specific features In doing so it

provides a rich picture of the latest trends in local government as well as pointing the way for future developments **Local Government in Europe** Carlo Panara, Michael R. Varney, 2013-12-04 This work considers the role of local government in 13 EU Member States Austria Belgium Czech Republic France Germany Greece Hungary Italy Netherlands Poland Spain Sweden and the United Kingdom The book aims to provide an account of the system of local government in each of the countries studied along with a critical and contextual approach to the level of autonomy that local government enjoys The approach is comparative based on a questionnaire which all of the authors considered There is then a detailed conclusion to the book which offers a detailed summary and comparative analysis of the responses in order to better consider the role of local authorities as the fourth level of governance in the EU The book aims to offer a detailed introduction to and account of each system of local government which may appeal to those seeking an overview of the area but also a critical and contextual approach that will be of interest to those actively researching in the areas of local and regional government or EU central local government relations The book contains details of reform in local government up to November 2012 including an analysis of the impact of austerity measures on local autonomy where these have become significant The Challenge of Local Government Size Santiago Lago-Peñas, Jorge Martinez-Vazquez, 2013-07-01 In the efficient delivery of local public services size matters Many countries around the world have vertical government structures that are perceived as inefficient because of their high levels of jurisdictional fragmentation This timely volume examines the different strategies used to address local government fragmentation and their observed results and consequences Expert contributors in economics and political science offer a comprehensive breakdown of the issue of local jurisdiction fragmentation and provide recommendations for successful policy reform Topics discussed include economies of scale the costs and benefits of voluntary and forced amalgamation programs the correlation between government size and corruption privatization and inter municipal cooperation A combination of theory and empirical evidence provides depth and makes this book an invaluable addition to the literature Economists public administrators and political scientists will find much of interest in this innovative volume as will professors students and international institutions with an interest in local government structure and reform

**Consolidation Or Fragmentation?** Paweł Swianiewicz, 2002 What is the optimal size of a local government unit Consolidation or Fragmentation The Size of Local governments in Central and Eastern Europe addresses this policy relevant question in relation to the emerging democracies of the region Local Governance in Developing Countries Anwar Shah, 2006 This book provides a new institutional economics perspective on alternative models of local governance offering a comprehensive view of local government organization and finance in the developing world The experiences of ten developing transition economies are reviewed to draw lessons of general interest in strengthening responsive responsible and accountable local governance The book is written in simple user friendly language to facilitate a wider readership by policy makers and practitioners in addition to students and scholars of public finance economics and politics Fiscal Federalism

in Switzerland Bernard Dafflon, Krisztina Tóth, 2005 Its highly fragmented structure of local governments and serious horizontal fiscal imbalances make Switzerland a surprisingly powerful model for Eastern European countries that are currently facing the challenge of fiscal decentralization In spite of the substantial differences in the tradition and current practice of intergovernmental fiscal relations transition economies may learn valuable lessons from the Swiss case in the fields of direct democracy horizontal cooperation expenditure and revenue assignment and fiscal discipline Among other conclusions the authors suggest that subnational authorities can effectively fend off recentralization attempts of the central government if they engage in spontaneous cooperation to enhance the efficiency of public service provision Together with an adequate fiscal equalization scheme interjurisdictional cooperation also permits the reconciliation of the objective of an increasing devolution of powers with the existing regional disparities The authors also show that the principle of subsidiarity can best be safeguarded by anchoring the expenditure and revenue powers of subnational governments in the constitution or in a similarly strong law With regard to fiscal discipline the combination of a golden rule with direct democratic instruments of budget control is proven to be successful in enhancing the accountability of local politicians toward their constituencies

**Theoretical Foundations and Discussions on the Reformation Process in Local Governments** Sadioglu, Ugur, Dede, Kadir, 2016-06-01 Local government can be defined as a public entity acting as the sub unit of a state or of a region charged with the task of enforcing public policies There have been many reforms of local government in recent years from the grassroots led movement that took root in the 90 s to the overarching effects of globalization and decentralization Local governments must adapt their practices in order to most effectively provide for their constituents Theoretical Foundations and Discussions on the Reformation Process in Local Governments addresses the effects of recent reforms in the political administrative system of local governments and politics as well as future outlooks It reviews the challenges innovations and lessons from local governments while providing theoretical perspectives on methods for positive reform This book is a critical reference source for policy makers government organizations professionals and actors in both local and international politics

**Urban Governance and Democracy** Michael Haus, Hubert Heinelt, Murray Stewart, 2004-09-09 The issue of local governance is high on the institutional agenda of many local and regional authorities throughout the OECD countries This book explores the relationship between two key issues of urban governance leadership and community involvement and how making these two elements more complementary can lead to more effective as well as legitimate policy outcomes The authors examine the dilemmas involved in ensuring effective governance focusing on issues such as legitimacy citizen participation economic performance and social inclusion

**Local Democracy in Post-Communist Europe** Harald Baldersheim, Michal Illner, Hellmut Wollmann, 2013-04-17 Der englischsprachige Band führt ein in die Lokal und Regionalpolitik der mitteleuropäischen Reformländer Der Band beleuchtet aktuelle Probleme der Kommunal und Regionalpolitik in den Ländern Mitteleuropas einschließlich Russlands Zentral sind Fragen der Beziehungen zwischen

zentraler regionaler und lokaler Politik und Verwaltungsebene der lokalen Demokratie und Partizipation sowie Fragen der Verwaltungsmodernisierung      **The Theory and Practice of Local Government Reform** Brian Dollery, Lorenzo Robotti, 2008-01-01 Structural reform has been one of the most important and yet one of the most neglected aspects of modern local government This book represents the first attempt since the early seventies at providing a comprehensive account of both the theory and practice of structural reform in local government in developed countries Using recent policy experience from seven different countries the authors present seminal theoretical perspectives on structural reforms in local governance and the policy implications deriving from them Written by well known scholars of local government from around the world this volume is a must read for all academics practitioners students and policymakers Giorgio Brosio University of Turin Italy      Coping with Demographic Change: A Comparative View on Education and Local Government in Germany and Poland Reinhold Sackmann, Walter Bartl, Bernadette Jonda, Katarzyna Kopycka, Christian Rademacher, 2014-11-12 With many OECD countries experiencing a decline in their populations this book offers a theoretical model of coping with demographic change and examines different strategies that societies have used to come to terms with demographic change In particular it details the different ways that Germany and Poland have tried to cope with this challenge and reveals three conflicting strategies expansion reduction and phasing out Coverage includes How and why demographic change was used in Poland to expand the education system The variance of linkage between demographic change and growth rates in different fields of education in a German Bundesland Modes of reflexivity and personnel policy in German and Polish municipalities Effects of demographic change and forms of coping on fiscal capacity and unemployment rates in German municipalities Coping with Demographic Change examines how and why societies cope with these detrimental effects It conceptualizes the challenges a society faces as a result of demographic change and focuses on the processes by which actors organizations and nation states try to cope with this new situation      Municipal Amalgamation Reforms António Tavares, 2024-04-23 This book provides a comprehensive analysis of municipal amalgamation reforms in Europe Adopting the analytical and methodological tools of comparative historical analysis it examines how the history of local government systems has conditioned the adoption of municipal amalgamation reforms across time and space Beginning with Sweden s early amalgamation reforms during the late 1940s and early 1950s it assesses how the evolution of the Welfare State decentralization urbanization and economic growth have all impacted amalgamation reforms in ten other European countries The book challenges the prevailing theory that amalgamations are implemented by rational design to improve the efficiency and capacity of local governments Instead it argues that state sovereignty regime changes centralization of authority and diffusion effects are more likely causes of the adoption of municipal amalgamation reforms It will appeal to all those interested in public administration public policy European politics and local governance studies      *A Modern Guide to Local and Regional Politics* Copus, Colin, Kerley, Richard, Jones, Alistair, 2022-02-04 Utilising international material to explore the roles functions tasks responsibilities powers

and actions of intra state politicians and the institutions to which they are elected this insightful book examines how local and regional authorities are pivotal in the democratic and governing arrangements of different countries OECD Multi-level Governance Studies Decentralisation and Regionalisation in Bulgaria Towards Balanced Regional Development OECD,2021-02-23 Bulgaria has made solid progress in its territorial governance and socio economic development Yet it has not been able to counteract large and increasing territorial disparities Doing so will require addressing remaining structural challenges that may be limiting further transformation government performance and regional resilience OECD Territorial Reviews: Slovenia 2011 OECD,2011-11-18 This review finds that despite its relatively small size Slovenia is a good illustration of the potential of regional development policy Its internal diversity openness and experience of rapid structural change all reinforce the need for efficient reallocation of resources

**Public Administration in the Balkans from Weberian Bureaucracy to New Public Management** Spyridon Flogaitis,Lucica Matei,2011

**Three Decades of Polish Socio-Economic Transformations** Paweł Churski,Tomasz Kaczmarek,2022-08-27 This edited volume analyses and discusses the systematisation of Polish socio economic transformations of the last three decades using selected examples of the most important changes 1989 marked the onset of the political transformation process in Poland and other countries of Central and Eastern Europe The transition involved a shift from a socialist system to a parliamentary democracy and from a command economy to a market one Due to the deep economic crisis that culminated in 1988 and the peaceful model of change developed and implemented in Poland the magnitude and manner of implementing various initiatives was unprecedented and had specific implications This transformation opened Polish society and the Polish economy to the impact of global social and economic changes triggering successive transformations often overlapping in terms of their causes and consequences This publication aims to present the course and effects in particular territorial of Poland s socio economic transformation in the years 1990 2020 The analysis covers the key aspects of this transformation illustrated with references to the concepts and theories of development domestic and foreign literature own empirical research and existing or newly developed model approaches to transformation in the territorial dimension The book appeals to researchers and student in the fields of geography spatial management economics and business sociology and political sciences public and private economic research institutes employees of governmental bodies and corporations consultants in public administration journalists and policymakers

### **Consolidation Or Fragmentation The Size Of Local Governments In Central Europe Introduction**

In today's digital age, the availability of Consolidation Or Fragmentation The Size Of Local Governments In Central Europe books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Consolidation Or Fragmentation The Size Of Local Governments In Central Europe books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Consolidation Or Fragmentation The Size Of Local Governments In Central Europe books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Consolidation Or Fragmentation The Size Of Local Governments In Central Europe versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Consolidation Or Fragmentation The Size Of Local Governments In Central Europe books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared

to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Consolidation Or Fragmentation The Size Of Local Governments In Central Europe books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Consolidation Or Fragmentation The Size Of Local Governments In Central Europe books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Consolidation Or Fragmentation The Size Of Local Governments In Central Europe books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Consolidation Or Fragmentation The Size Of Local Governments In Central Europe books and manuals for download and embark on your journey of knowledge?
