innovative look at Irish history by some of today's most exciting historians of Ireland. This book brings together some of today's most exciting scholars of Irish history to chart the pivotal events in the history of modern Ireland while providing fresh perspectives on topics ranging from colonialism and nationalism to political violence, famine, emigration and feminism. The Princeton History of Modern Ireland takes readers from the Tudor conquest in the sixteenth century to the contemporary boom and bust of the Celtic Tiger, exploring key political developments as well as major social and cultural movements. Contributors describe how the experiences of empire and diaspora have determined Ireland's position in the wider world and analyze them alongside domestic changes ranging from the Irish language to the economy. They trace the literary and intellectual history of Ireland from Jonathan Swift to Seamus Heaney and look at important shifts in ideology and belief, delving into subjects such as religion, gender and Fenianism. Presenting the latest cutting-edge scholarship by a new generation of historians of Ireland, The Princeton History of Modern Ireland features narrative chapters on Irish history followed by thematic chapters on key topics. The book highlights the global reach of the Irish experience as well as commonalities shared across Europe and brings vividly to life an Irish past shaped by conquest, plantation, assimilation, revolution and partition.

History's Erratics David M. Emmons, 2024-10-22 As Ice Age glaciers left behind erratics so the external forces of history tumbled the Irish into America. Existing both out of time and out of space, a diverse range of these Roman Catholic immigrants saw their new country in a much different way than did the Protestants who settled and claimed it. These erratics chose backward-looking tradition and independence over assimilation and embraced a quintessentially Irish form of subversiveness that arose from their culture, faith and working-class outlook. David M. Emmons draws on decades of research and thought to plumb the mismatch of values between Protestant Americans hostile to Roman Catholicism and the Catholic Irish strangers among them. Joining ethnicity and faith to social class, Emmons explores the unique form of dissidence that arose when Catholic Irish workers and their sympathizers rejected the beliefs and symbols of American capitalism. A vibrant and original tour de force, *History's Erratics* explores the ancestral roots of Irish nonconformity and defiance in America.

Ireland, Memory and Performing the Historical Imagination Mary P. Caulfield, 2014-12-09 This book explores the performance of Irish collective memories and forgotten histories. It proposes an alternative and more comprehensive criterion of Irish theatre practices. These practices can be defined as the rejected, contested and undervalued plays and performativities that are integral to Ireland's political and cultural landscapes.

Women in the Struggle for Irish Independence Joseph McKenna, 2019-11-13 Women have too often been written out of history. This is especially true in the fight for Irish independence. The women's struggle was three-fold, beginning with the suffragettes' fight to win the vote. Then came the push for fair pay and working conditions. Binding them together became part of the national struggle, first for home rule, then for the establishment of an Irish Republic. The Easter Rising of 1916 brought them together as soldiers of the Republic. Through the terrible years that followed, they became the conscience of Republicanism. Following independence,

they were betrayed by the men they had served alongside DeValera and the Catholic Church restricted their roles in society they were to be wives and mothers without a voice It was not until Ireland's entry into the European community and the self destruction of a corrupt Church that Irish women were acknowledged for what they had achieved *A Short History of Ireland* John Ranelagh,1994 An updated printing of John O Beirne Ranelagh's history covering events to September 1998
