Constance Markievicz Anne Haverty,1988 A biography of Countess Constance Georgina Gore Booth Markievicz 1863 1927 She was a child of Henry Gore Booth heir to the baronetcy of Lissadell County Sligo and of his wife Georgina Hill of Tickhill Castle in Yorkshire whose grandfather was Lord Scarborough Shortly after her birth Constance was brought to Lissadell Court in County Sligo She went to Paris to study art and in 1901 married a Polish widower Count Casimir Dunin Markievicz They moved to Dublin in 1903 where she became a committed socialist and in spite of being born an Anglo Irish an increasingly fervent Irish nationalist She was one of the first women to face many of the problems associated with nationalist struggles and feminism which are still hotly debated today Constance Markievicz was also the first woman to be elected to the British Parliament and the first woman to become a Minister of State in any European government Back lining paper **Prison Letters of Countess Markievicz (Constance Gore-Booth)** Constance de Markievicz,1970 *The Field Day Anthology of Irish Writing* Seamus Deane,Andrew Carpenter,Angela Bourke,Jonathan Williams,1991 Markievicz Lindie Naughton,2018-09-28 Countess Constance Markievicz one of the most remarkable women in Irish history was a revolutionary a socialist and a feminist as well as an artist and writer A natural leader Madame as she was known to

thousands of Dubliners took an active part in the 1916 Rising and was one of the few leaders to escape execution. Instead she spent an arduous year in an English prison surrounded by murderers, prostitutes and thieves. Later during another stretch in prison she would make history as the first woman elected to the British Houses of Parliament and a momentous event that is due to receive widespread commemoration at the time of its centenary in December 2018. Lindie Naughton's compelling biography sheds light on all facets of Markievicz's life: her privileged upbringing in County Sligo, her adventures as an art student in London and Paris, her marriage to an improbable Polish count, her political education, her several prison terms, and her emergence as one of the pivotal figures in early 20th century Britain and Ireland. Constance Markievicz, a woman with a huge heart, battled all her adult life to establish an Irish republic based on co-operation and equality for all. Her message is as relevant today as it was a century ago. *Constance de Markievicz in the Cause of Ireland* Jacqueline Van Voris, 1967

Twentieth-Century Fiction by Irish Women Heather Ingman, 2017-03-02 During much of the twentieth century Irish women's position was on the boundaries of national life. Using Julia Kristeva's theories of nationhood, often particularly relevant to Ireland, this study demonstrates that their marginalization was to women's and indeed the nation's advantage, as Irish women writers used their voice to subvert received pieties both about women and about the Irish nation. Kristeva's theories of the other, the foreigner, the semiotic, the mother and the sacred are explored in authors as diverse as Elizabeth Bowen, Kate O'Brien, Edna O'Brien, Mary Dorcey, Jennifer Johnston and Eilís Ní Dhuibhne, as well as authors from Northern Ireland like Deirdre Madden, Polly Devlin and Mary Morrissy. These writers, whose voices have frequently been sidelined or misunderstood because they write against the grain of their country's cultural heritage, finally receive their due in this important contribution to Irish and gender studies. *Irish Orientalism* Joseph Lennon, 2004-05-01 Centuries before W.B. Yeats wove Indian, Japanese and Irish forms together in his poetry and plays, Irish writers found kinships in Asian and West Asian cultures. This book maps the unacknowledged discourse of Irish Orientalism within Ireland's complex colonial heritage.

The Rebel Countess Anne Marreco, 2000 She was a vivid star in the constellation of remarkable men and women who created Ireland's political and literary renaissance in the early years of the twentieth century. Beautiful, admirable, aggravating, Constance is chiefly known for her part in the Easter Rising of 1916, but how she came to be there is as strange a story as her role in it, and what happened to her afterwards. Friend of Yeats, Sean O'Casey, A.E. Huxley, Maud Gonne, James Connolly and others, she knew everyone significant in the Ireland of her time and was at the forefront of events from the first. Anne Marreco, with full access to family papers and hitherto unpublished materials, has written a remarkable biography of an extraordinary woman. **Great Irish Heroes - Fifty Irishmen and Women Who Shaped the World** Stuart Pearson, 2016-04-07 How did the Irish independence movement lead directly to the invention of the modern submarine? Who was the Irish Queen of Paraguay whose delusions of grandeur caused the destruction of her adopted country? Who escaped execution for participating in the Easter Rising of 1916 only to go on and be elected to the UK Parliament in London? Whose

belief in reform through non violent means became the inspiration for Mahatma Ghandi Nelson Mandela and Martin Luther King The answers to these questions and more can be found in the pages of Great Irish Heroes covering over a thousand years of Irish history and encompassing outstanding leaders in a broad range of pursuits including literature mathematics sport religion entertainment and politics Ireland has for centuries produced a great number of exceptional heroic men and women far out of proportion to the island's small population and geographical size It is also true to say that few nations have been so shaped by their history a history with which the country still resonates today In this companion volume to his Great Scottish Heroes Stuart Pearson examines the lives and careers of fifty of the greatest Irishmen and women from St Columba to Brian O Driscoll Brian Boru to Pierce Brosnan In doing so he shows how this remarkable island race has contributed so much to our world and continues to do so to this day

Irish Writing in the Twentieth Century David Pierce, 2000 With five Nobel Prize winners seven Pulitzer Prize winners and two Booker Prize winning novelists modern Irish writing has contributed something special and permanent to our understanding of the twentieth century Irish Writing in the Twentieth Century provides a useful comprehensive and pleasurable introduction to modern Irish literature in a single volume Organized chronologically by decade this anthology provides the reader with a unique sense of the development and richness of Irish writing and of the society it reflected It embraces all forms of writing not only the major forms of drama fiction and verse but such material as travel writing personal memoirs journalism interviews and radio plays to offer the reader a complete and wonderfully varied sense of Ireland's contribution to our literary heritage David Pierce has selected major literary figures as well as neglected ones and includes many writers from the Irish diaspora The range of material is enormous and ensures that work that is inaccessible or out of print is now easily available The book is a delightful compilation including many well known pieces and captivating discoveries which anyone interested in literature will long enjoy browsing and dipping into
