Constant: Political Writings Benjamin Constant, 1988-10-28 Classic definitions of modern liberal doctrine emerge from the first English translation of the major political works of Benjamin Constant 1767 1830 one of the most important of the French political theorists
Benjamin Constant Biancamaria Fontana, 1988
The Political Writings of Benjamin Constant Benjamin Constant, 1988
James Mill: Political Writings James Mill, 1992-02-28 This 1992 volume presents a wide sampling of the political writings and polemical essays of James Mill 1773 1836

Voltaire: Political Writings Voltaire, 1994-06-24 Presenting a selection of Voltaire's most interesting and controversial texts many not previously translated into English this edition of political writings includes the nature and legitimacy of political power law and the social order and the growing disorder in the French economy
Milton: Political Writings John Milton, 1991-02-21 John Milton was not only the greatest English Renaissance poet but also devoted twenty years to prose writing in the advancement of religious civil and political liberties The height of his public career was as chief propagandist to the Commonwealth regime which came into being following the execution of King Charles I in 1649 The first of the two complete texts in this volume The Tenure of Kings and Magistrates was easily the most radical justification of the regicide at the time In the second A Defence of the People of England Milton undertook to vindicate the Commonwealth's cause to Europe as a whole This book first published in 1991 was the first time that fully annotated versions were published together in one volume and incorporated a new translation of the Defence The introduction outlines the complexity of the ideological landscape which Milton had to negotiate and in particular the points at which he departed radically from his sixteenth century predecessors
Price: Political Writings Richard Price, 1991 Richard Price 1723 1791 was an eminent Welsh philosopher and Dissenting Minister who won considerable fame as a supporter of the American and French Revolutions The volume is comprised of his most important pamphlets 1759 1789
The Early Political Writings of the German Romantics Frederick C. Beiser, 1996-03-14 The Early Political Writings of the German Romantics contains all the essential political writings of Friedrich Schlegel Schleiermacher and Novalis during the formative period of romantic thought 1797 to 1803 While the political thought of the German romantics has been generally recognised as important it has been little studied and most of the texts have been until now unavailable in English The early romantics had an ambition still relevant to contemporary political thought how to find a middle path between conservatism and liberalism between an ethic of community and the freedom of the individual Frederick C Beiser's edition comprises all kinds of texts relevant for understanding the political ideas of the early romantic circles in Berlin and Jena essays lectures aphorisms chapters from books and jottings from notebooks All have been translated anew many for the first time
William Penn: Political Writings William Penn, 2020-12-10 A fully annotated scholarly edition of the political writings of William Penn 1644 1718 an influential

theorist of liberty of conscience **Marx: Later Political Writings** Karl Marx,1996-01-18 Marx Later Political Writings first published in 1996 brings together translations of Marx's most important texts in political philosophy written after 1848 Marx challenged political theory to its very fundamentals as his works do not follow traditional models for exploring politics theoretically In his introduction Terrell Carver situates Marx in a politics of democratic constitutionalism and revolutionary communism The works are presented here complete according to the first editions or the earliest manuscript state and include the Manifesto of the Communist Party the Preface of 1859 to A Contribution to the Critique of Political Economy The Civil War in France and the little known Notes on Adolph Wagner More than most political theorists Marx made contemporary politics the focus for his theoretical work He created a distinctive kind of political theory and this volume makes it accessible today *Kant: Political Writings* Immanuel Kant,1991-01-25 The original edition of Kant Political Writings was first published in 1970 and has long been established as the principal English language edition of this important body of writing In this new expanded edition two important texts illustrating Kant's view of history are included for the first time his reviews of Herder's Ideas on the Philosophy of The History of Mankind and Conjectures on the Beginning of Human History as well as the essay What is Orientation in Thinking In addition to a general introduction assessing Kant's political thought in terms of his fundamental principles of politics this edition also contains such useful student aids as notes on the texts a comprehensive bibliography and a new postscript looking at some of the principal issues in Kantian scholarship that have arisen since first publication **Comte: Early Political Writings** Auguste Comte,1998-11-05 This book provides translations of Auguste Comte's early writings with scholarly apparatus placing Comte in his historical context **Marx: Early Political Writings** Karl Marx,1994-06-24 A newly translated selection of Marx's early political writings *Catharine Macaulay: Political Writings* Catharine Macaulay,2023-03-02 The writings of republican historian and political pamphleteer Catharine Macaulay 1731-91 played a central role in debates about political reform in the Age of Enlightenment and Revolution A critical reader of Hume's bestselling History of England she broke new ground in historiography by defending the regicide of Charles I and became an inspiration for many luminaries of the American and French revolutions While her historical and political works engaged with thinkers from Hobbes and Locke to Bolingbroke and Burke she also wrote about religion philosophy education and animal rights Influencing Wollstonecraft and proto feminism she argued that there were no moral differences between men and women and that boys and girls should receive the same education This book is the first scholarly edition of Catharine Macaulay's published writings and includes all her known pamphlets along with extensive selections from her longer historical and political works *Astell: Political Writings* Mary Astell,1996 First modern edition of three works by an important female political theorist **Bolingbroke: Political Writings** Henry Bolingbroke,1997-09-11 Henry St John Viscount Bolingbroke was one of the most creative political thinkers in eighteenth century Britain In this volume modernised and fully annotated texts of his most important political works the Dissertation upon Parties the letter On

the Spirit of Patriotism and The Idea of the Patriot King are brought together for the first time Bolingbroke was the first major thinker to face the long term economic and political consequences of the Glorious Revolution particularly the creation of the first modern system of party politics In these works he attempted to forge an ideology of opposition to attack the Whig oligarchy of Sir Robert Walpole His analyses of constitutional government and the party system are still relevant to the dilemmas of modern democratic politics as are his recommendations for a patriotic commitment to the common good and the necessity of a non partisan executive

Weber Max Weber,1994 A selection of Max Weber s most important political writings

Rousseau: The Discourses and Other Early Political Writings Jean-Jacques Rousseau,2021-08-25 A comprehensive and authoritative anthology of Rousseau s important early political writings in faithful English translations This volume includes the Discourse on the Sciences and Arts and the Discourse on the Origin and the Foundations of Inequality among Men the so called First and Second Discourses together with Rousseau s extensive Replies to critics of these Discourses the Essay on the Origin of Languages the Letter to Voltaire on Providence as well as several minor but illuminating writings the Discourse on Heroic Virtue and the essay Idea of the Method in the Composition of a Book In these as well as in his later writings Rousseau probes the very premises of modern thought His influence was wide reaching from the very first and it has continued to grow since his death The American and the French Revolutions were profoundly affected by his thought as were Romanticism and Idealism This new edition features up to date translations an expanded introduction and an extensive editorial apparatus designed to assist students at every level access these seminal texts

Priestley: Political Writings Joseph Priestley,1993-06-03 Joseph Priestley 1733 1804 was arguably one of the most important and interesting English theorists to focus on the issue of political liberty during the English Enlightenment His concept of freedom is of crucial importance to two of the major issues of his day the right of dissenters to religious toleration and the right of the American colonists to self government Despite the fundamental importance of both these themes in liberal political theory and their contemporary relevance to national self determination Priestley s writings lack a modern edition This new collection will be the first to make accessible to students Priestleys Essay on the First Principles and The Present State of Liberty which encapsulate his political ideology An introduction and notes together with guides to further reading and key figures in the text provide the student with all the material necessary for approaching Priestley
