In Defense of the American Public School Arthur J. Newman,1978-01-01 The fifties saw schools as purveyors of international Communism the sixties attacked the public educational system as racist mindless and irrelevant and the Bicentennial era

calls the schools down for their failure to teach students fundamental academic skills Professor Arthur Newman's book of readings reflects an idea clearly regarded as heretical in many circles the idea that the American public school is not nearly so inadequate as many present day critics insist In order to aid the teacher to be the educator and the concerned citizen in evaluating the validity of such reproval Newman has included a wide variety of material both classic and recent under the following heads The Charge to the Public Schools The Always Abundant Criticism The Schools Record in Academic Achievement The Treatment of Minority Group Youngsters Are the Schools Inflexible Public School Teachers Public Schools and Social Ills A Critique of the Critics Anyone disturbed about the state of American public education will appreciate Newman's celebration of the myriad strengths of our schools and will esteem the intelligent and responsible perspective he sets forth to evaluate today's criticism of U S schools

The Constitutional Rights, Privileges, and Immunities of the American People Arnold T. Guminski, 2009 The Constitutional Rights Privileges and Immunities of the American People explores the idea that the Supreme Court should radically revise its general theory of constitutional rights and discusses various aspects of some special theories of constitutional rights in order to ensure a sufficient universe of discourse As a former deputy district attorney for Los Angeles County Guminski gained a wealth of experience in preparing arguments for appellate courts Based on his experience and careful research he proposes a persuasive theory that explains why some but not all rights secured against infringement by the United States are also secured against infringement by the states by both the privileges or immunities and the due process clauses of the fourteenth amendment adopted in 1868 He examines whether national citizenship before the Civil War was paramount and superior addresses the procedural and substantive aspects of the due process clause and recites the reasons supporting his general theory In presenting the essentials of his theory about how the Constitution should be judicially construed Guminski thereby encourages other citizens to express their own opinions about constitutional law with the hope that these views may one day have an impact on the way the Supreme Court interprets the Constitution

Glass, 2014-03-07 This book is guaranteed to spark lively debates and critical thinking in any classroom Two of the most respected voices in education identify 50 myths and lies that threaten America's public schools Berliner and Glass argue that many citizens' conception of K12 public education in the United States is more myth than reality Warped opinions about our nation's public schools include they are inferior to private schools they are among the worst in the world in math and science teachers should be fired if their

students don't score at the national average and on and on With more than a little humor Berliner and Glass separate fact from fiction in this comprehensive look at modern education reform They explain how the mythical failure of public education has been created and perpetuated in large part by political and economic interests who stand to gain from its destruction They expose a rapidly expanding variety of organizations and media that intentionally misrepresent facts Where appropriate they name the promoters of the hoax and point out how their interests are served by encouraging false beliefs Their method of debunking these falsehoods is to argue against their logic criticize the data supporting them and present more credible contradictory data This dynamic book features short essays on important topics to provide every teacher administrator school board member and concerned parent with reliable knowledge from authoritative sources **Public Opinion and**

Constitutional Controversy Nathaniel Persily, Jack Citrin, Patrick J. Egan, 2008-04-04 American politics is most notably characterized by the heated debates on constitutional interpretation at the core of its ever raging culture wars and the coverage of these lingering disputes are often inundated with public opinion polls Yet for all their prominence in contemporary society there has never been an all inclusive systematic study of public opinion and how it impacts the courts and electoral politics Public Opinion and Constitutional Controversy is the first book to provide a comprehensive analysis of American public opinion on the key constitutional controversies of the twentieth century including desegregation school prayer abortion the death penalty affirmative action gay rights assisted suicide and national security to name just a few With essays focusing on each issue in depth Nathaniel Persily Jack Citrin Patrick Egan and an established group of scholars utilize cutting edge public opinion data to illustrate these contemporary debates methodically examining each one and how public attitudes have shifted over time especially in the wake of prominent Supreme Court decisions More than just a compilation of available data however these essays join the popular constitutionalism debate between those who advocate a dominant role for courts in constitutional adjudication and those who prefer a more pluralized constitutional discourse Each essay also vividly details the gap between the public and the Supreme Court on these hotly contested issues and analyzes how and why this divergence of opinion has grown or shrunk over the last fifty years Ultimately Public Opinion and Constitutional Controversy sheds light on a major yet understudied part of American politics providing an incisive look at the crucial part played by the voice of the people on the issues that have become an indelible part of the modern day political landscape
