**Children's Constitutional Rights in the Nordic Countries** Trude Haugli,Anna Nylund,Randi Sigurdson,Lena R.L. Bendiksen,2019-12-02 The book presents a comparative study of children s constitutional rights in Denmark Finland Iceland Norway and Sweden The authors discuss the value of enshrining children s rights in national constitutions in addition to implementing the Convention on the Rights of the Child CRC Central issues are whether enshrining children s rights in the Constitution improves implementation and enforcement of those rights by providing advocacy tools and by mandating courts legislators policy makers and practitioners to take children s rights seriously The study assesses whether the Nordic constitutions are in line with the child rights approach of the CRC both on a general level and in detail in three domains the best interests of the child participation rights and the right to respect for family life      *Civil Rights Commission Authorization Act of 1978* United States.
