Constructing The U S Rapprochement With China 1961 1974 From Red Menace To Tacit Ally:

Constructing the U.S. Rapprochement with China, 1961-1974 Evelyn Goh, 2004 With Nixon's historic reconciliation with China in 1972 Sino American relations were restored and China moved from being regarded as America's most implacable enemy to a friend and tacit ally Existing accounts of the rapprochement focus on the shifting balance of power between the USA China and the Soviet Union but in this book Goh argues that they cannot adequately explain the timing and policy choices related to Washington's decisions for reconciliation with Beijing Instead she applies a more historically sensitive approach that privileges contending official American constructions of China's identity and character This book demonstrates that ideas of reconciliation with China were already being propagated and debated within official circles in the USA during the 1960s It traces the related policy discourse and imagery and examines their continuities and evolution into the early 1970s that facilitated Nixon's new policy *Constructing the U.S. Rapprochement with China, 1961-1974* Evelyn Goh, 2004-11-22 With Nixon's historic reconciliation with China in 1972 Sino American relations were restored and China moved from being regarded as America's most implacable enemy to a friend and tacit ally Existing accounts of the rapprochement focus on the shifting balance of power between the USA China and the Soviet Union but in this book Goh argues that they cannot adequately explain the timing and policy choices related to Washington's decisions for reconciliation with Beijing Instead she applies a more historically sensitive approach that privileges contending official American constructions of China's identity and character This book demonstrates that ideas of reconciliation with China were already being propagated and debated within official circles in the USA during the 1960s It traces the related policy discourse and imagery and examines their continuities and evolution into the early 1970s that facilitated Nixon's new policy **From Red Menace to Tacit Ally** Evelyn Goh, 2001 **Southeast Asia and the Cold War** Albert Lau, 2012 The origins and the key defining moments of the Cold War in Southeast Asia have been widely debated This book focuses on an area that has received less attention the impact and legacy of the Cold War on the various countries in the region as well as on the region itself The book contributes to the historiography of the Cold War in Southeast Asia by examining not only how the conflict shaped the milieu in which national and regional change unfolded but also how the context influenced the course and tenor of the Cold War in the region It goes on to look at the usefulness or limitations of using the Cold War as an interpretative framework for understanding change in Southeast Asia Chapters discuss how the Cold War had a varied but notable impact on the countries in Southeast Asia not only on the mainland countries belonging to what the British Foreign Office called the upper arc but also on those situated on its maritime lower arc The book is an important contribution to the fields of Asian Studies and International Relations *Advancing East Asian Regionalism* Melissa Curley, Nicholas Thomas, 2012-10-12 Developments in East Asia have progressed rapidly in terms of regionalism since the 1997 crisis The end of the Asian miracle called into question not only the capacity of regional states to meet the needs of their attendant peoples but also challenged

the viability of regional organizations such as ASEAN to adapt and respond to the changing circumstances Advancing East Asian Regionalism looks at the ways in which ASEAN has expanded since the crisis and evaluates the potential of East Asia to come together in a regional formation one capable of representing the region as a whole akin to the European Community It draws upon the knowledge and perspectives of academics and policy makers actively engaged in the contradictory issues of regionalism Coupling case study material on regionalism institutions and sectoral cooperation with theoretical debates on regionalization this book is an invaluable resource that pushes our understanding of East Asian regionalism forward **The**

Transition of Global Order M. Terhalle, 2015-03-17 This study looks at the underlying foundations of global order putting aside mainstream institutionalist approaches in showing how China and the US are engaged in an intense process of contestation and renegotiation of an institutionalized order that has long been taken for granted *Behind the Bamboo Curtain* Priscilla Mary Roberts, 2006 Based on new archival research in many countries this volume broadens the context of the U S intervention in Vietnam Its primary focus is on relations between China and Vietnam in the mid twentieth century but the book also deals with China s relations with Cambodia U S dealings with both China and Vietnam French attitudes toward Vietnam and China and Soviet views of Vietnam and China Contributors from seven countries range from senior scholars and officials with decades of experience to young academics just finishing their dissertations The general impact of this work is to internationalize the history of the Vietnam War going well beyond the long standing focus on the role of the United States

Globalization & Identity Majid Tehranian, B. Jeannie Lum, 2006 In the first decade of the twenty first century globalization and identity have emerged as the most critical challenges to world peace This volume of Peace Policy addresses the overarching question What are the effects of globalization in the areas of culture ethnic diversity religion and citizenship and how does terrorism help groups attain a sense of global identity Part I Citizenship in a Globalizing World reexamines globalization in light of the traditions from which human civilizations have evolved Linda Groff focuses on Samuel R Huntington s thesis that the Cold War would be followed by a clash of civilizations Joseph A Camilleri traces the history of the concept of citizenship and its transformation through the ages to modern times Kamran Mofid argues that the marketplace is not just an economic sphere but one where economic and business interests must embrace the spiritual assets of the community Majid Tehranian raises the problem of identity and advocates the assumption of global identity responsibility and citizenship Part II Convergence in Global Cultures explores the complex issues of diversity in religions Christopher Leeds Vladimir Korobov and Bharat Gupta show how the reconceptualization of the world both geographically and regionally can recreate new sensibilities needed to overcome differences Part III Divergence in Global Conflicts discusses the multiple dimensions of the globalizing effects of economic expansion and political strife experienced by different cultures at local and regional levels Audrey Kitigawa and Ade Ogunrinade use Nigeria as an example of political manipulation of religious and ethnic groups to divert attention from the real problems of social and economic marginalization Fred Riggs looks at how the

Web has become a medium in the globalization of religious movements The authors maintain that continuing efforts for dialogue across cultural and religious boundaries in today s interreligious and interfaith organizations can become a force for healing Majid Tehranian is director of the Toda Institute for Global Peace and Policy Research B Jeannie Lum is an associate professor at the University of Hawaii at Mnoa in the Department of Educational Foundations College of Education

Globalization and Identity B. Lum,2017-07-05 In the first decade of the twenty first century globalization and identity have emerged as the most critical challenges to world peace This volume of Peace Policy addresses the overarching question What are the effects of globalization in the areas of culture ethnic diversity religion and citizenship and how does terrorism help groups attain a sense of global identity Part I Citizenship in a Globalizing World reexamines globalization in light of the traditions from which human civilizations have evolved Linda Groff focuses on Samuel R Huntington s thesis that the Cold War would be followed by a clash of civilizations Joseph A Camilleri traces the history of the concept of citizenship and its transformation through the ages to modern times Kamran Mofid argues that the marketplace is not just an economic sphere but one where economic and business interests must embrace the spiritual assets of the community Majid Tehranian raises the problem of identity and advocates the assumption of global identity responsibility and citizenship Part II Convergence in Global Cultures explores the complex issues of diversity in religions Christopher Leeds Vladimir Korobov and Bharapt Gupta show how the reconceptualization of the world both geographically and regionally can recreate new sensibilities needed to overcome differences Part III Divergence in Global Conflicts discusses the multiple dimensions of the globalizing effects of economic expansion and political strife experienced by different cultures at local and regional levels Audrey Kitigawa and Ade Ogunrinade use Nigeria as an example of political manipulation of religious and ethnic groups to divert attention from the real problems of social and economic marginalization Fred Riggs looks at how the Web has become a medium in the globalization of religious movements The authors maintain that continuing efforts for dialogue across cultural and religious boundaries in today s

Ascending China and the Hegemonic United States Jörg Vogelmann,2020-09-04 J rg Vogelmann looks into one of the central political and economic relationships of the 21st century The author finds Sino U S ties marked by strong slightly asymmetric economic interdependence a relatively fast economic power transition under way as well as slow to moderate shifts in military power He develops a neoliberal and a neorealist grand theory picture of Sino U S and international relations and empirically verifies these influential perspectives by analyzing post Cold War Chinese and U S foreign policies in the major flashpoints the Taiwan and the North Korea issue Despite and due to globalization ties between ascending China as a potential regional or once even global U S challenger and the hegemonic United States may likely continue to be marked by strategic power politics and will decisively affect trans and international relations **A**

Companion to Richard M. Nixon Melvin Small,2013-05-03 This companion offers an overview of Richard M Nixon s life presidency and legacy as well as a detailed look at the evolution and current state of Nixon scholarship Examines the central

arguments and scholarly debates that surround his term in office Explores Nixon's legacy and the historical significance of his years as president Covers the full range of topics from his campaigns for Congress to his career as Vice President to his presidency and Watergate Makes extensive use of the recent paper and electronic releases from the Nixon Presidential Materials Project *American Political Discourse on China* Michelle Murray Yang, 2017-06-14 Despite the U S and China's shared economic and political interests distrust between the nations persists How does the United States rhetorically navigate its relationship with China in the midst of continued distrust This book pursues this question by rhetorically analyzing U S news and political discourse concerning the 2008 Beijing Olympic Games the 2010 U S midterm elections the 2012 U S presidential election and the 2014 2015 Chinese cyber espionage controversy It finds that memory frames of China as the yellow peril and the red menace have combined to construct China as a threatening red peril Red peril characterizations revive and revise yellow peril tropes of China as a moral political economic and military threat by imbuing them with anti communist ideology Tracing the origins functions and implications of the red peril this study illustrates how historical representations of the Chinese threat continue to limit understanding of U S Sino relations by keeping the nations relationship mired in the past *Improbable Diplomats* Pete Millwood, 2022-12-22 In 1971 Americans made two historic visits to China that would transform relations between the two countries One was by US official Henry Kissinger the other earlier visit was by the US table tennis team Historians have mulled over the transcripts of Kissinger's negotiations with Chinese leaders However they have overlooked how alongside these diplomatic talks a rich program of travel and exchange had begun with ping pong diplomacy Improbable Diplomats reveals how a diverse cast of Chinese and Americans athletes and physicists performing artists and seismologists played a critical but to date overlooked role in remaking US China relations Based on new sources from more than a dozen archives in China and the United States Pete Millwood argues that the significance of cultural and scientific exchanges went beyond reacquainting the Chinese and American people after two decades of minimal contact exchanges also powerfully influenced Sino American diplomatic relations and helped transform post Mao China *Sino-US Relations and the Role of Emotion in State Action* T. Shepperd, 2015-12-04 Examining twenty first century relations between the US and China Shepperd investigates three well publicised crises between these states highlighting how social interests relating to identity and emotional needs were key dynamics driving these interactions and their transformation *A Companion to Lyndon B. Johnson* Mitchell B. Lerner, 2012-02-13 This companion offers an overview of Lyndon B Johnson's life presidency and legacy as well as a detailed look at the central arguments and scholarly debates from his term in office Explores the legacy of Johnson and the historical significance of his years as president Covers the full range of topics from the social and civil rights reforms of the Great Society to the increased American involvement in Vietnam Incorporates the dramatic new evidence that has come to light through the release of around 8 000 phone conversations and meetings that Johnson secretly recorded as President **Development of Modern Chinese Foreign**

Policy Thought Ivica Bakota, Zvonimir Stopić, Mato Njavro, 2024-11-15 This book presents a comprehensive exploration of China's foreign policy evolution from the early twentieth century to the contemporary era. The intricate interplay between the People's Republic of China, the Chinese Communist Party (CCP), and the global stage is meticulously traced, offering a nuanced understanding of China's dynamic engagement with the world. With a detailed analysis spanning eight chapters, the book delves into the contextual factors that influenced the CCP's initial foreign policy ideas prior to the establishment of the People's Republic. It systematically unravels the gradual development of these ideas during the Cold War era and unveils the fundamental and adaptive trajectories that have shaped China's foreign policy landscape over the past three decades. Utilizing primary sources and academic texts, the book incorporates both Chinese and global perspectives to shed new light on the evolution of Chinese foreign policy thought, making it an invaluable contribution to the study of China's global interactions. The authors uniquely bridge the gap between different stages of China's foreign policy development across a centennial timeframe, offering an organic perspective on its growth and their comprehensive analysis of China's foreign policy toolset adds a distinctive dimension to existing knowledge. By steering clear of preconceived notions, the book delivers a well-rounded analysis of China's foreign policy evolution. *Managing the China Challenge* Quansheng Zhao, Guoli Liu, 2008-09-25 This edited volume addresses one of the most significant issues in international strategic studies today: how to meet the challenge of a rising China. The contributors take a global view of the topic, offering unique and often controversial perspectives on the nature of the China challenge. The book approaches the subject from a variety of angles, including realist, offensive realist, institutional, power transition, interdependence, and constructivist perspectives. Chapters explore such issues as the US response to the China challenge, Japan's shifting strategy toward a rising China, EU-China relations, China's strategic partnership with Russia and India, and the implications of unipolarity for China, the US, and the world. In doing so, the volume offers insights into some of the key questions surrounding China's grand strategy and its potential effects on the existing international order.

The China-India Rivalry in the Globalization Era T.V. Paul, 2018-09-03 As the aspirations of the two rising Asian powers collide, the China-India rivalry is likely to shape twenty-first century international politics in the region and far beyond. This volume, by T.V. Paul and an international group of leading scholars, examines whether the rivalry between the two countries that began in the 1950s will intensify or dissipate in the twenty-first century. The China-India relationship is important to analyze because past experience has shown that when two rising great powers share a border, the relationship is volatile and potentially dangerous. India and China's relationship faces a number of challenges, including multiple border disputes that periodically flare up, division over the status of Tibet and the Dalai Lama, the strategic challenge to India posed by China's close relationship with Pakistan, the Chinese navy's greater presence in the Indian Ocean, and the two states' competition for natural resources. Despite these irritants, however, both countries agree on issues such as global financial reforms and climate change and have much to gain from increasing trade and investment, so there are

reasons for optimism as well as pessimism The contributors to this volume answer the following questions What explains the peculiar contours of this rivalry What influence does accelerated globalization especially increased trade and investment have on this rivalry What impact do US China competition and China s expanding navy have on this rivalry Under what conditions will it escalate or end The China India Rivalry in the Globalization Era will be of great interest to students scholars and policymakers concerned with Indian and Chinese foreign policy and Asian security

The Routledge Handbook of US Foreign Policy in the Indo-Pacific Oliver Turner,Nicola Nymalm,Wali Aslam,2022-12-30 This handbook provides a comprehensive survey of US foreign policy throughout the Indo Pacific Home to around 60 percent of the world s population most of the world s largest and fastest growing economies around half of the world s states with full nuclear capabilities and a complicated web of unresolved tensions disputes and conflicts the Indo Pacific is arguably the most diverse dynamic and contested region on Earth US strategy there has evolved over centuries with its physical presence going broadly unchallenged since at least the middle of the last century However the rapid development and expanding influence of China alongside the growth of India Indonesia Vietnam the Philippines and others as well as political and economic crises and disruptions within the United States itself mean that in recent times the US has come to occupy a newly uncertain position and perceive a range of highly unfamiliar challenges To explore how the US has managed and continues to manage its regional history and how it approaches the modern day landscape of an Indo Pacific only recently normalised within international political discourse the book contains 33 newly commissioned chapters from leading experts in the field It does so partly with help from the more traditional realms of International Relations theory as well as more critical realms It also unpacks US policy and strategy as it pertains to regional governments states and multilateral institutions as well as to pressing issues including inter state security human rights trade artificial intelligence and cyber strategy It does so in four parts History of the US in the Indo Pacific Theorising US Policy and Presence in the Indo Pacific The US and Indo Pacific States and Institutions The US and Indo Pacific Issues The book is designed to be of interest to students and scholars of the US in the Indo Asia Pacific the international relations of the Indo Asia Pacific and US foreign policy

A Companion to Gerald R. Ford and Jimmy Carter Scott Kaufman,2015-12-21 With 30 historiographical essays by established and rising scholars this Companion is a comprehensive picture of the presidencies and legacies of Gerald Ford and Jimmy Carter Examines important national and international events during the 1970s as well as presidential initiatives crises and legislation Discusses the biography of each man before entering the White House his legacy and work after leaving office and the lives of Betty Ford Rosalynn Carter and their families Covers key themes and issues including Watergate and the pardon of Richard Nixon the Vietnam War neoconservatism and the rise of the New Right and the Iran hostage crisis Incorporates presidential diplomatic military economic social and cultural history Uses the most recent research and newly released documents from the two Presidential Libraries and the State Department

Eventually, you will certainly discover a new experience and execution by spending more cash. nevertheless when? get you tolerate that you require to acquire those every needs later having significantly cash? Constructing The U S Rapprochement With China 1961 1974 From Red Menace To Tacit Ally Introduction

In the digital age, access to information has become easier than ever before. The ability to download Constructing The U S Rapprochement With China 1961 1974 From Red Menace To Tacit Ally has revolutionized the way we consume written

Constructing The U S Rapprochement With China 1961 1974 From Red Menace To Tacit Ally

content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Constructing The U S Rapprochement With China 1961 1974 From Red Menace To Tacit Ally has opened up a world of possibilities. Downloading Constructing The U S Rapprochement With China 1961 1974 From Red Menace To Tacit Ally provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Constructing The U S Rapprochement With China 1961 1974 From Red Menace To Tacit Ally has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Constructing The U S Rapprochement With China 1961 1974 From Red Menace To Tacit Ally. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Constructing The U S Rapprochement With China 1961 1974 From Red Menace To Tacit Ally. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Constructing The U S Rapprochement With China 1961 1974 From Red Menace To Tacit Ally, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Constructing The U S Rapprochement With China 1961 1974 From Red Menace To Tacit Ally has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Constructing The U S Rapprochement With China 1961 1974 From Red Menace To Tacit Ally Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Constructing The U S Rapprochement With China 1961 1974 From Red Menace To Tacit Ally is one of the best book in our library for free trial. We provide copy of Constructing The U S Rapprochement With China 1961 1974 From Red Menace To Tacit Ally in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Constructing The U S Rapprochement With China 1961 1974 From Red Menace To Tacit Ally. Where to download Constructing The U S Rapprochement With China 1961 1974 From Red Menace To Tacit Ally online for free? Are you looking for Constructing The U S Rapprochement With China 1961 1974 From Red Menace To Tacit Ally PDF? This is definitely going to save you time and cash in something you should think about.
