He was so handsome she could barely breathe Or maybe it was just the corset When Tessa is asked to join *A Month in the Life of a Victorian Duke* a British historical reality tv show she was thrilled because it meant an end to her debts But then she found out about the corsets she d be stuffed into every day for a month No woman in her right mind would consent to such a thing would they Especially not one with an abundance of curves What was even more horrifying was the expectation that she would pretend to be the wife of a complete stranger Max Edgerton was a man who wanted to give his withdrawn daughter a change of scene and didn t expect much more than an amusing month pretending to be his distant ducal ancestor But then he met his TV wife Tessa and all bets were off While Tessa s delectable self enticed him it was her shining spirit and wacky sense of humor that kept him at her side With cameras revealing every embarrassing act and passionate kisses all the cast members live with no cell phones no televisions and no PMS medication But when the production comes under attack Tessa and Max must find a way to navigate not only the complicated threads of their blossoming romance but the scheme to take them all down In a manor in which everyone must strictly follow the Victorian lifestyle things are bound to go wrong Like when some harmless lust turns into that other thing Love was definitely not in the contract Reality TV has never been

more entertaining than here as the wickedly funny MacAlister has her heroine record her hilarious experiences with a quirky cast of characters and her passionate encounters with Max in a laughter laced diary that is a saucy sexy delight Booklist
Offbeat and wacky MacAlister has outdone herself with this reality show run amok Tessa and Max are funny sexy and slightly poignant a true match Romantic Times BookClub An enjoyable contemporary romance The story line is fun to follow Fans will enjoy this entertaining anachronistic look at displacement as the modern crowd struggles with life just over a century ago
