Consumer Church Can Evangelicals Win The World Without Losing Their Souls:

The Impact of Church Consultancy Ian G. Duncum, 2019-01-14 This book follows the journey of ten churches who underwent church consultancies and explores in depth both the consultancy and its outcomes Pre consultancy and post consultancy snapshots four to five years apart of vitality indicators and attendance figures using National Church Life Survey and other data are used to compare these with churches that have not undertaken church consultancies Theologies of church consultancy church health and church growth are also developed and examined intersecting with a wide body of literature including contemporary ecclesiologies Consultancy outcomes are examined in detail This includes interviews with pastors of some of those churches reflecting on their perceptions of whether and how the church consultancy impacted the health and growth of their church Conclusions are drawn about the efficacy of church consultancy in influencing the health and growth of churches as well as contexts for the best use of church consultancy This is a significant book for denominational leaders theological lecturers pastors and church leaders as they encounter lack of health in churches and seek ways forward for greater health and impact in their local communities

Systematic Theology, Volume 2, Second Edition James Leo Garrett Jr., 2014-09-14 Rivals the major systematic theologies of this century Baptist History and Heritage Journal July 1996 One of the characteristics of Garrett's system that needs especially to be noted is its balanced judicious and nearly invariably objective presentation of materials While holding true to the teachings of his own Baptist faith Garrett so carefully and judiciously presents alternatives that teachers and students from other confessional and denominational positions will find his work instructive Consensus 1997 If one is searching for an extensive exposition of the biblical foundations and historical developments of the various loci of systematic theology there is no more complete presentation in a relatively short work than this Pastors will especially find this feature to be a real help in teaching theology It is an indispensable contribution to the task of systematic theology Journal of the Evangelical Theological Society September 1999 Many students and pastors will find all they need here and will in addition be helped to relate their knowledge to recent developments in the theological world The Churchman A Journal of Anglican Theology 1991 A gold mine of helpful material The Christian Century May 29 June 5 1991 No book that I know is more loaded with biblical and theological facts than this one The prodigious research that must have gone into the preparation of this volume is truly mind boggling Faith and Mission Fall 1991 Garrett has provided a massive and scholarly systematic theology from a thoroughly conservative and comprehensive viewpoint The work is well documented in both biblical and historical scholarship and will prove to be a classic William Hendrickson Southern Baptist Theological Seminary One of the most comprehensive concise books of its type available it should receive wide use in the classroom and in the study Robert H Culpepper Southern Baptist Theological Seminary

A Royal Waste of Time Marva J. Dawn, 1999 In this book Marva Dawn insists that churches need to engage in a serious process of community discernment concerning worship in order to employ the best tools and forms and she offers reflections to further the discussion Each part

of *A Royal Waste of Time* begins with a sample Scripture based sermon since Dawn emphasizes that the church's worship must follow biblical guidelines and form a biblical people From publisher's description *God's Word and Our Words* W. Hulitt Gloer, Shawn E. Boyd, 2019-09-18 Written by nationally and internationally known homiletics and preachers this book offers a fascinating survey of the significant developments in preaching beginning with the Old Testament moving through the history of preaching and concluding with a look into the future all while offering practical suggestions for meeting the challenges that lie ahead In a unique way it addresses both the academic issues raised during each period and the practical implications for preaching today and in the future **A Theology for the Church** Akin, Daniel L. Akin, 2014-06 Leading Baptist thinkers Daniel L. Akin, R. Albert Mohler Jr, Paige Patterson, Mark Dever et al address four major issues in regard to eight Christian doctrines: revelation, God, humanity, Christ, the Holy Spirit, salvation, the Church, and last things Revised edition **Feeling the Future at Christian End-Time Performances** Jill Stevenson, 2022-02 How Christian depictions of the End allow spectators to experience and feel their place within the future history of humankind *Church Planting from the Ground Up* Tom Jones, 2004 Church Planting from the Ground Up is a visionary guide for the critical task of new church multiplication Share in the wisdom of these field-tested veterans as you gain insight from their stories, practical ideas, and real-world experiences Book jacket *Sensational Devotion* Jill Stevenson, 2013-04-15 In *Sensational Devotion* Jill Stevenson examines a range of evangelical performances including contemporary Passion plays, biblical theme parks, Holy Land re-creations, creationist museums, and megachurches to understand how they serve their evangelical audiences while shaping larger cultural and national dialogues Such performative media support specific theologies and core beliefs by creating sensual live experiences for believers but the accessible, familiar forms they take and the pop culture motifs they employ also attract nonbelievers willing to try out these genres even if only for curiosity's sake This familiarity not only helps these performances achieve their goals but it also enables them to contribute to public dialogue about the role of religious faith in America Stevenson shows how these genres are significant and influential cultural products that utilize sophisticated tactics in order to reach large audiences comprised of firm believers, extreme skeptics, and those in between Using historical research coupled with personal visits to these various venues, the author not only critically examines these spaces and events within their specific religious, cultural, and national contexts but also places them within a longer devotional tradition in order to suggest how they cultivate religious belief by generating vivid, sensual, affectively oriented, and individualized experiences *Christians in an Age of Wealth* Craig L. Bloomberg, 2013-11-26 What does the Bible say about money, material possessions, and stewardship In *Christians in an Age of Wealth* Craig Bloomberg addresses tough questions about the place and purpose of wealth and material possessions in a Christian's life He points to the goodness of wealth as God originally designed it but also surveys the Bible's many warnings against making an idol out of money Taking a close exegetical look at this topic as it's discussed in Scripture Bloomberg answers the toughest questions about Christianity and wealth Is there any one key to

keeping possessions in their proper God intended perspective Are there limits on how rich we should become or on how poor we should allow others to get What does a truly Christian economic system look like How does the Bible s teaching on wealth fit into the gospel Blomberg expounds upon how the sharing of goods and possessions is the key safeguard against both greed and covetousness He expands on the concept of giving generously even sacrificially to those who are needier demonstrating how Christians can participate in God s original good design for abundance and demonstrate the world altering gospel of Christ _____ Part of the Biblical Theology for Life series this practical and challenging book will help you and your church ground your worldly possessions on the solid foundation of biblical understanding and reflection

Rethinking Materialism Robert Wuthnow,1995 This collection of essays by ten of the nation s prominent social scientists and theologians offers serious commentary on our culture s obsession with material goods and examines the uneasy relation of materialism to religion The contributors assess the ways in which materialism has been understood in recent analyses of American character how the economy shapes our understandings of ourselves the ways in which religious thought is being reshaped by economic circumstances and the nature of consumerism The complement to Wuthnow s God and Mammon in America this volume challenges us all to look at materialism in new ways and suggests viable means for reversing our country s prevailing material fixation and its destructive effects on our spiritual lives

Preaching the Manifold Grace of God, Volume 2 Ronald J. Allen,2022-07-05 Preaching the Manifold Grace of God is a two volume work describing theologies of preaching from the historical and contemporary periods Volume 1 focuses on historical theological families Orthodox Roman Catholic Lutheran Reformed Anabaptist Anglican Episcopal Wesleyan Baptist African American Stone Campbell Friends and Pentecostal Volume 2 focuses on families that are evangelical liberal neo orthodox postliberal existential radical orthodox deconstructionist Black liberation womanist Latinx liberation Mujerista Asian American Asian American feminist LGBTQAI Indigenous postcolonial and process In each case the author describes the circumstances in which the theological family emerged describes the purposes and characteristics of preaching from that perspective and assesses the strengths and limitations of the approach

Preaching to Convert John Fletcher,2013-11-13 Preaching to Convert offers an intriguing new perspective on the outreach strategies of U S evangelicals Author John Fletcher frames these activities from door to door proselytizing to the spirited sermons of superstar televangelists as examples of activist performance broadly defined here as acts performed before an audience in the hopes of changing hearts and minds Most writing about activist performance has focused on left progressive causes events and actors and if evangelicals have appeared at all they often appear as one dimensional forces of ignorance or bigotry against which brave left leaning activists must fight Preaching to Convert argues against such a constricted view of activism and for a more nuanced understanding of U S evangelicalism as a movement defined by its desire to win converts and spread the gospel In other words evangelicals are activist performers par excellence The book positions evangelicals as a diverse complicated group confronting the loss of

conservative Christianity's default status in twenty first century U S culture In the face of an increasingly secular age evangelicals have been reassessing models of outreach In acts like handing out Bible tracts to strangers on the street or going door to door with a Bible in hand in elaborately staged horror themed morality plays or multi million dollar creationist discovery centers in megachurch services beamed to dozens of satellite campuses and in controversial ex gay ministries striving to return gays and lesbians to the straight and narrow evangelicals are redefining what it means to be deeply committed in a pluralist world The book's engaging style and careful argumentation make it accessible and appealing to scholars and students across a range of fields

Biblical Foundations for Baptist Churches John S.

Hammett,2019-02-26 An updated examination of ecclesiology from a Baptist perspective In this useful book professor and former pastor John Hammett helps church leaders think through foundational questions about the nature of the church Blending biblical teaching and practical ministry experience Hammett presents a comprehensive ecclesiology from a historic Baptist perspective examining crucial contemporary issues such as church discipline the role of elders and church ministry in a post Christian culture This second edition contains updates throughout including Substantive changes to chapters on the nature of the church Baptist church polity and deacons An expanded chapter on baptism and the Lord's Supper A thoroughly revised chapter on church models like multisite churches and missional churches A brand new chapter on meaningful church membership

Christian Churches and Nigeria's Political Economy of Oil and Conflict Nkem Emerald

Osuigwe,2014-09-18 The received account on African evangelical Christianity regarding social witness in a section of Western scholarship is that it is anti development and a political Such an account heavily draws from an instrumentalist and functionalist assessment of such Christianity without recourse to its emic perspective Using the case study method this book presents an ethnographic examination of this functionalist reading by investigating describing and analysing evangelical Christian theological and socio political consciousness within the context of oil and conflict in Nigeria's Niger Delta region Adopting approaches from practical theology congregational studies and anthropology of religion the author challenges such a reading using data gathered from three congregations in the region His discourse revolves around answers to the following four critical questions What are the underlying theological issues and beliefs of Nigerian evangelical Christians within the context of oil and conflict What is their prevalent praxis within the context of Nigeria's political economy of oil and conflict How accurate is the received account that African evangelical and fundamentalist Christianity lacks social responsibility and is a political and anti development What would a contextual political theology for Nigeria's political economy of oil look like The theological issues are varied and the prevalent praxis nuanced which then serves as a veritable critique of the claim that African evangelical Christianity lacks social responsibility due to its preoccupation with soul winning Whereas such Christianity places much emphasis on the winning of souls as an expression of its spirituality it is neither oblivious nor indifferent to its socio political milieu Rather it sees such spirituality as a form of political praxis Some of the trajectories of

the spirituality include a theology of conversion a theology of prayer and an ethics of crude oil with Total Freedom as the nomenclature for the specific theological perspective offered for Nigeria s political economy of oil While locating this theological perspective within the taxonomy of Liberation Theology the affinity and dissonance between the two are identified

Those Who Must Give an Account John S. Hammett, Benjamin L. Merkle, 2012 A Bible based study of church membership and church discipline with contributions from respected theologians including Mark E Dever Thomas R Schreiner Bruce Riley Ashford Danny Akin John S Hammett Benjamin L Merkle Nathan A Finn Gregory A Wills and Andrew M Davis

Evangelicalism Richard Kyle, 2017-09-20 Most forms of religion are best understood in the con text of their relationship with the surrounding culture This may be particularly true in the United States Certainly immigrant Catholicism became Americanized mainstream Protestantism accommodated itself to the modern world and Reform Judaism is at home in American society In *Evangelicalism* Richard Kyle explores paradoxical adjustments and transformations in the relationship between conservative Protestant Evangelicalism and contemporary American culture Evangelicals have resisted many aspects of the modern world but Kyle focuses on what he considers their romance with popular culture Kyle sees this as an Americanized Christianity rather than a Christian America but the two are so intertwined that it is difficult to discern the difference between them Instead in what has become a vicious self serving cycle Evangelicals have baptized and sanctified secular culture in order to be considered culturally relevant thus increasing their numbers and success within abundantly populous and populist driven American society In doing so Evangelicalism has become a middle class movement one that dominates America s culture and unabashedly populist Many Evangelicals view America as God s chosen nation thus sanctifying American culture consumerism and middle class values Kyle believes Evangelicals have served themselves well in consciously and deliberately adjusting their faith to popular culture Yet he also thinks Evangelicals may have compromised themselves and their future in the process so heavily borrowing from the popular culture that in many respects the Evangelical subculture has become secularism with a light gilding of Christianity If so he asks can Evangelicalism survive its own popularity and reaffirm its religious origins or will it assimilate and be absorbed into what was once known as the Great American Melting Pot of religions and cultures Will the Gospel of the American dream ultimately engulf and destroy the Gospel of Evangelical success in America This thoughtful and thought provoking volume will interest anyone concerned with the modern day success of the Evangelical movement in America and the aspirations and fate of its faithful

The Consumer Church Bruce Leon Shelley, Marshall Shelley, 1992 Strategies such as guilt free sermons and surfing for Jesus are becoming more common in evangelical churches The authors illustrate the difficulty of balancing faithfulness and effectiveness and offer their own conclusions on how to carry out an ambidextrous ministry that is both loyal to the Bible and engaging to contemporary men and women

Biblical Counsel , 1993

The Subversive Evangelical Peter J. Schuurman, 2019-06-30 Evangelicals have been scandalized by their association with Donald Trump their megachurches

summarily dismissed as religious Walmarts In *The Subversive Evangelical* Peter Schuurman shows how a growing group of reflexive evangelicals use irony to critique their own tradition and distinguish themselves from the stereotype of right wing evangelicalism Entering the Meeting House an Ontario based Anabaptist megachurch as a participant observer Schuurman discovers that the marketing is clever and the venue a rented movie theatre is attractive to the more than five thousand weekly attendees But the heart of the church is its charismatic leader Bruxy Cavey whose anti religious teaching and ironic tattoos offer a fresh image for evangelicals This charisma Schuurman argues is not just the power of one individual it is a dramatic production in which Cavey his staff and attendees cooperate cultivating an identity as an irreligious megachurch and providing followers with a more culturally acceptable way to practise their faith in a secular age Going behind the scenes to small group meetings church dance parties and the homes of attendees to investigate what motivates these reflexive evangelicals Schuurman reveals a playful and provocative counterculture that distances itself from prevailing stereotypes while still embracing a conservative Christian faith

The Evangelical Landscape Garth Rosell, 1996 Mark A Noll looks at the evangelical mind in the twentieth century Arguing that evangelicals must be concerned about questions of the intellect and the development of a Christian mind he asserts that though striking gains have been made since the Fundamentalist Modernist controversy the task remains incomplete because recent progress has been modest at best Bruce Shelley sets up what he sees as a crucial agenda for America s evangelicals recovery of a sense of community within the church renewed commitment to the Bible s evangelistic mandate and the development of transformational leaders with a clear vision of the future Defining essential evangelicalism as commitment to biblical authority conversion and worldwide evangelization Timothy L Smith points out that evangelicalism enfolds a rich diversity of traditions He pleads with these groups to lay aside their divisiveness and to focus instead on seeking peace with one another and pursuing that holiness of life without which no one can see the Lord

The Top Books of the Year Consumer Church Can Evangelicals Win The World Without Losing Their Souls The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have charmed audiences this year. Consumer Church Can Evangelicals Win The World Without Losing Their Souls : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Consumer Church Can Evangelicals Win The World Without Losing Their Souls : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
