In addition to the information provide below, use your assignments in Schoology to review the information we covered in Consumer Skills to study for your Unit Test ☺

- Comparison shop by deciding which features you care about and finding the best option to meet your needs.

- Why should you consider factors OTHER than just price when comparison shopping?  
 The item you purchase should reflect what you value (style, flavor, brand, etc.) and meet your needs (reliability, appropriateness, etc.). A cheap price isn't worthwhile if the item is no good for you or you won't actually use it.
