Consumer Value A Framework For Analysis And Research:

Consumer Value Morris B. Holbrook, 1999 *Consumer Value* is one of the few books that attempts to define and analyse exactly what consumers want By setting down a new and innovative framework for the concept of value it is as provocative as it is rigorous

Consumer Value Morris Holbrook, 2002-03-11 As shoppers what factors influence our decision to purchase an object or service Why do we chose one product over another How do we attribute value as part of the shopping experience The theme of serving the customer and customer satisfaction is central to every formulation of the marketing concept yet few books attempt to define and analyse exactly what it is that consumers want In this provocative collection of essays Morris Holbrook brings together a team of the top US and European scholars to discuss an issue of great importance to the study of marketing and consumer behaviour This ground breaking interdisciplinary book provides an innovative framework for the study of consumer value which is used to critically examine the nature and type of value that consumers derive from the consumption experience efficiency excellence status esteem play aesthetics ethics spirituality Guaranteed to provoke debate and controversy this is a courageous individualistic and idiosyncratic book which should appeal to students of marketing consumer behaviour cultural studies and consumption studies

The Routledge Companion to Arts Marketing Daragh O'Reilly, Ruth Rentschler, Theresa Kirchner, 2013-12-17 The relationship between the arts and marketing has been growing ever more complex as the proliferation of new technologies and social media has opened up new forms of communication This book covers the broad and involved relationship between the arts and marketing It frames arts marketing in the context of wider related issues such as the creative and cultural industries cultural policy and arts funding developments in the different art forms and the impact of environmental forces on arts business models and markets The Routledge Companion to Arts Marketing provides a comprehensive up to date reference guide that incorporates current analyses of arts marketing topics by leaders of academic research in the field As such it will be a key resource for the next generation of arts marketing scholars and teachers and will constitute the single most authoritative guide on the subject internationally

ECEI2009-4th European conference on entrepreneurship and innovation Johan Breat, 2009 [The Service-Dominant Logic of Marketing](#) Robert F. Lusch, Stephen L. Vargo, 2014-12-18 Expanding on the editors award winning article *Evolving to a New Dominant Logic for Marketing* this book presents a challenging new paradigm for the marketing discipline This new paradigm is service oriented customer oriented relationship focused and knowledge based and places marketing once viewed as a support function central to overall business strategy Service dominant logic defines service as the application of competencies for the benefit of another entity and sees mutual service provision rather than the exchange of goods as the proper subject of marketing It moves the orientation of marketing from a market to philosophy where customers are promoted to targeted and captured to a market with philosophy where the customer and supply chain partners are collaborators in the entire marketing process The editors elaborate on this model through an historical analysis clarification

and extension of service dominant logic and distinguished marketing thinkers then provide further insight and commentary The result is a more comprehensive and inclusive marketing theory that will challenge both current thinking and marketing practice
