Contraception As a means offamily planning the pill is about 25 years old a timespan which has been characterized by an
enormous increase in public interest and concern with family health and family planning Undoubtedly we have learned a lot
over the last 25 years As you see in Figure 1 in the seventies in Holland relatively more fertile women used the pill than in

any other country in the world In 1974 new combination pills were introduced containing less than 50 JAg of ethinyl estradiol In 1981 50 % of Dutch pill users took a sub 50 Figure 2 The same is true for the Scandi navian countries In our own University Clinic 95 % of pill users take a sub 50 pill only 5 % use a 50 JAg pill on medical indication This decrease in estrogen dosage which is usually accompanied by a decrease of progestational component as well has resulted in a decrease of thromboembolic disease Factors that are still important to consider are diabetes mellitus hypertension adipositas and smoking Good selection of patients together with the prescribing where possible of sub 50 pills may result in the numbers of compli cations and side effects being close to those encountered in the control group

Real Marriage Mark Driscoll, Grace Driscoll, 2013-01-07 Most marriage books assume the author did it right Most marriage books barely mention friendship Most marriage books use intimacy as code for sex This is not one of those books In *Real Marriage* Pastor Mark Driscoll and his wife Grace share how they have struggled and how they have found healing through the power of the only reliable source the Bible They believe friendship is fundamental to marriage but not easy to maintain So they offer practical advice on how to make your spouse your best friend and keep it that way And they know from experience that sex related issues need to be addressed directly Five chapters are dedicated to answering questions like Should I confess my pre marital sexual sin to my spouse Is it okay to have a work spouse What does the Bible say about masturbation and oral sex Stunningly honest and vulnerable *Real Marriage* is like a personal counseling session with a couple you cannot surprise you cannot shock into silence who will respond to every question with wisdom humility and realism If you want to have a long lasting fulfilling marriage you should read this book Wrestle with this book Pray over this book Share this book And discover how God can use it to change your life Endorsements If you re married or plan to be someday do yourself a favor and read every page of this book DRS LES LESLIE PARROTT Founders of RealRelationships com and authors of Love Talk Whether engaged newlywed or veteran *Real Marriage* will serve as an invaluable resource I highly recommend this book ANDY STANLEY author of *The Grace of God* and Senior Pastor North Point Community Church One of my greatest concerns is that culture is going to continually define and redefine what marriage is and is not and the church is going to simply sit on the sidelines and react rather than seeking to actually become proactive by confidently teaching what the Bible has to say about it That is why I am so thankful that Mark and Grace Driscoll wrote this book Their approach to marriage its benefits and challenges are transparent and challenging and I honestly believe that every married couple who will work through what they lead us through in this book will not just merely have a marriage that survives in this world but rather thrives in it PERRY NOBLE Senior Pastor NewSpring Church Our thanks to Mark and Grace Driscoll who have served this generation well by tastefully but boldly addressing the real issues facing real marriages Taking the unchanging truth of God s word and sprinkling in is the story of God s mercy in their own marriage they have filled every chapter with real helpfulness This book is powerful biblical practical and healing for marriages that hurt My wife and our adult children read it to great profit DR JAMES
