chapters on attention and reflecting Csikszentmihalyi's branching out into sociology and anthropology there are chapters on the topic of adult play and leisure and connected to that on flow a concept formulated and developed by Csikszentmihalyi. Flow has become a popular concept in business and management around the world and research on the concept continues to flourish. Finally this volume contains articles that stem from Csikszentmihalyi's connection with Martin Seligman; they deal with concepts and theories as well as with the development and short history of the field and the movement of positive psychology. *Legislative Proposals for Compensation of Victims of Sexual Crimes* United States.
