This issue of *The Ministry of the Word* contains the eight messages of the international training for elders and responsible ones hosted by Living Stream Ministry in Anaheim California on April 12-14, 2024. Christianity Reformed From its Roots Jairo Mejia, 2008-03-24

Offering positive alternatives to open minded believers and unbelievers alike *Christianity Reformed from Its Roots* challenges the traditional beliefs of the Roman Catholic Church on God Jesus and the Bible. Using the text of the New Testament theologian and philosopher Jairo Mejia challenges us to rediscover the real Jesus a humble Peasant of Nazareth glorified by his resurrection. Mejia argues compellingly that a true concept of God is more vital today than ever before and can be understood by both agnostics and atheists thus asserting that there is no contradiction between science and religion but a smooth and fulfilling meshing of the two

The Ministry, Vol. 06, No. 06 Various Authors, 2002-06-01

In this issue of *The Ministry* we include the final eight messages of *The Visions of Ezekiel* concerning God's Economy given during the 2001 fall term of the Full time Training in Anaheim. The book of Ezekiel is composed of four main sections. The first section concerns the vision of the appearance of the Lord's glory. The next section concerns God's judgment both on His disobedient and wayward people and on the nations. The third section concerns the Lord's recovery by life. The first message of this volume deals with the vision of the throne above the clear sky. The highest point in our Christian experience and in our living as Christians in the church life is not simply to have a crystal clear sky. We need to reach the highest point where we see the man on the throne and realize that God's goal is to have many men on the throne with Christ as the God man. The last message of this series focuses on the last section of Ezekiel on the vision of the holy building of God. Next to God Himself this is perhaps the greatest matter in the Bible because it involves the totality of God's work in His economy through the ages to produce an expression of Himself. Last of all we include a report of the first International Blending Conference in Accra.
