Xerox Contemporary High School Library Program ,1970

Interpreting the Early Modern World Mary C. Beaudry,James Symonds,2010-10-20 Interpretive archaeology meaning the interpretation social science as opposed to hard science of archaeology and archaeological artifacts has predominantly been the realm of prehistoric archaeologists Many historical archaeologists are participating in this disciplinary shift from processualism to post processualism and interpretation but to date few have called their work interpretive archaeology This volume is based on a session at the Society for Historical Archaeology meeting in 2005 The organizers now editors brought together historical archaeologists from both the UK and the US working in the same areas industrial landscape monuments etc but because of their country based training their work arises out of differing intellectual traditions The chapters in each section do not stand in isolation rather the authors exchange ideas about what each other has written They construct dialogues about theories and practices that inform interpretive archaeology on either side of the Atlantic ends with commentary by two well known names in interpretive archaeology in the UK and in the States

New York Magazine ,1983-04-04 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea
