Contemporary Cases Retail Operation

Joia, Luiz Antonio

Contemporary Cases Retail Operation:

Contemporary Cases in Retail Operations Brenda Oldfield, 2000 These case studies are written as an accompaniment for any student of retailing or those professionals newly working within the retailing sector Each case demonstrates typical day to day management problems with a significant practical problem solving flavour The case studies have clear learning objectives designed to encourage the reader to develop awareness and experience in the analysis and evaluation of retail business situations

Contemporary Cases in Retail Operations Management ,2000 **Contemporary Case Studies on Fashion Production, Marketing and Operations** Pui-Sze Chow, Chun-Hung Chiu, Amy C. Y. Yip, Ailie K. Y.

Tang, 2017-12-04 This book adopts a case study based research approach to examine the contemporary issues in the fashion industry It documents real world practices in fashion business from production marketing to operations Founded on an extensive review of literature these case studies discuss the challenges that are pertinent to the current business environment in this important industry provide benchmarks and generate insights to practitioners as well as suggest future directions to researchers The book serves as a nexus of the theories and the industrial practices that advances knowledge for both the academia and the private sector in fashion business

Retail Product Management Rosemary Varley, 2006-05-02 Introducing students to the product management process this revised and updated second edition gives an insight into the operations and practices used by retailers to achieve their product strategy objectives Blending theoretical approaches from a number of management perspectives including marketing purchasing and logistics this text illustrates the breadth of knowledge needed for this complex managerial task Including photos figures tables and conceptual diagrams it also examines the practical elements of product management Incorporating significant new chapters and integrating discussions on the relationship between the product and its selling environment and the overall retail brand this second edition builds on the foundations of the highly successful first edition and uses a broad range of contemporary case studies and practical examples to give a clear and concise introduction to retail product management

[International Retailing](#) ,2005

Contemporary Retail Marketing in Emerging Economies David Eshun Yawson, Fred A. Yamoah, 2022-10-11 This book highlights the development of retail marketing in developing economies and presents this sector as a major area of growth and business opportunity With a special focus on supermarket chains the authors show that the advancement of technology and infrastructure means that there are now increased electronic capabilities for data collection giving retailers more opportunities to pursue micro and macro marketing strategies The authors explain the evolution of this new era of marketing and the associated impact on all stakeholders especially consumers Taking the example of Ghana which is considered a leader among African nations in the use of loyalty cards the authors are able to set a benchmark for other emerging countries especially those that are experiencing similar trends The book is a valuable resource for students researchers and foreign companies wishing to expand their knowledge of the marketing strategies employed by emerging
