ONE SIXTH-ISM : THE LAST Jun Ho Kim, 2012-06-27 1 6thism The Last A world scaled down to one sixth of its size that s where I seek to realize the aspiration of mankind The Last is a series diorama based subjects from World War II The Axis were defeated by the Allied in WWII But what did the war mean to both sides They may have suffered mental scars by the tragedy of battles They were probably in search of hope in a war whose end no one knew In this series I tried to express their state of mind The Last would mean despair to the Axis the defeated and hope to the Allied the victors But for us who did not experience the war and therefore do not share the point of view of those in the war The Last can either be despair or hope In other words the Axis could represent hope while the Allied represent despair It depends on your point of view What do you think Zuno
