Custer's Last Campaign John S. Gray, 1993-01-01 Easily the most significant book yet published on the Battle of the Little Bighorn Paul L Hedren Western Historical Quarterly Gray has applied rigorous analysis as no previous historian has done to these oft analyzed events His detailed time motion study of the movements of the various participants frankly boggles the mind of this reviewer No one will be able to write of this battle again without reckoning with Gray Thomas W Dunlay Journal of American History Gray challenges many time honored beliefs about the battle Perhaps most significantly he brings in as much as possible the testimony of the Indian witnesses especially that of the young scout Curley which generations of historians have dismissed for contradictions that Gray convincingly demonstrates were caused not by Curley but by the assumptions made by his questioners The contrasts in this book restate the basic components of what still attracts the imagination to the Little Bighorn Los Angeles Times Book Review Gray's analysis by and large is impressively drawn it is an immensely logical reconstruction that should stand the test of time As a contribution to Custer and Indian wars literature it is indeed masterful Jerome A Greene New Mexico Historical Review John S Gray was a distinguished historian whose books included the acclaimed Centennial Campaign The Sioux War of 1876 Custer's Last Campaign is the winner of the Western Writers of America Spur award and the Little Bighorn Associates John M Carroll Literary Award

Custer's Luck Edgar Irving Stewart, 1955 This is undoubtedly a remarkable book on a period of American history about which much has been written the period of the Indian wars in the Northwest from the close of the Civil War until the Custer disaster on the Little Big Horn It presents in graphic detail and on a vast canvas the great events and the small which reached a decisive crescendo in Custer's fate Here is no savage battle incident presented in isolation from other events but a sweeping panorama of a whole ere inept hesitant and tragic To insure comprehensiveness the author describes the pertinent facts of the Grant administration the embitterment of the Great Plains tribes and the deteriorating Civil War army The book is the record not only of the dashing Seventh Cavalry and its leader but also of the Grant-Custer feud Sitting Bull the Belknap scandal Rain in the Face the battle strategy of the Indians and Custer's military rivals Particular note is taken of the effect on history of Custer's recklessness and glory seeking and of the superstitions and fatalistic determination of the Sioux and the Cheyennes The Battle of the Little Big Horn reconstructed in this account largely on Indian eyewitness testimony climaxed the long developing tragedy and provided a smashing crescendo to the vacillating policy of the United States government towards the Indians of the Great Plains A four color reproduction of an oil painting by John Hauser entitled The Challenge has been selected for the cover of Custer's Luck The original canvas is in the collection of the Thomas Gilcrease Institute of American History and Art Tulsa Oklahoma and the publishers gratefully acknowledge the cooperation of that organization in making this reproduction possible
