**Aesthetic and Philosophical Reflections on Mood** Birgit Breidenbach, 2020-04-19 This study explores the concept of Stimmung in literary and philosophical texts of the modern age Signifying both mood and attunement Stimmung speaks to the categories of affective experience and aesthetic design alike The study locates itself in the nexus between discourses on modernity existentialism and aesthetics and uncovers the pivotal role of Stimmung in 19th and 20th century European narrative fiction and continental philosophy The study first explores the philosophical and aesthetic origins and implications of Stimmung to then discuss its role in the narrative fiction of three key authors of modern literature Fyodor Dostoevsky Samuel Beckett and Thomas Bernhard These readings demonstrate a significant shift towards an aesthetic of affective intensity and immediacy in which the experience of the reading process takes centre stage as each author develops an aesthetic philosophy of Stimmung in their own right Through its focus on the concept of Stimmung the study thus unearths a fundamental link between existentialist concerns and narrative practice in modern literature

*Concrete* Thomas Bernhard, 2019-03-05 LRB BOOKSHOP S AUTHOR OF THE MONTH ONE OF THE GUARDIAN S BEST BOOKS OF 2019 WITH A NEW AFTERWORD BY MICHAEL HOFMANN If you haven t read Bernhard you will not know of the most radical advance in fiction since Joyce My advice dive in Lucy Ellmann I absolutely love Bernhard he is one of the darkest and funniest writers A must read for everybody Karl Ove Knausgaard Instead of the book he is meant to write Rudolph a Viennese musicologist produces this dark and grotesquely funny account of small woes writ large of profound horrors detailed and rehearsed to the point of distraction We learn of Rudolph s sister whose help he invites then reviles his really marvellous house which he hates the suspicious illness he carefully nurses his ten year long attempt to write the perfect opening sentence and his escape to the island of Majorca which turns out to be the site of someone else s very real horror story and ultimately brings him no release from himself Concrete is Thomas Bernhard at his very finest a bleakly hilarious insight into procrastination and failure that scratches the murky depths of our souls

*Metanoia* Armen Avanessian, Anke Hennig, 2017-11-16 Fusing speculative realism analytical and linguistic philosophy this book theorises the fundamental impact the experience of reading has on us In reading language provides us with a world and meaning becomes perceptible We can connect with another subjectivity another place another time At its most extreme reading changes our understanding of the world around us Metanoia meaning literally a change of mind or a conversion refers to this kind of new way of seeing To see the world in a new light is to accept that our thinking has been irrevocably

transformed How is that possible And is it merely an intellectual process without any impact on the world outside our brains Innovatively tackling these questions this book mobilizes discussions from linguistics literary theory philosophy of language and cognitive science It re articulates linguistic consciousness by underlining the poetic creative moment of language and sheds light on the ability of language to transform not only our thinking but the world around us as well Problems of the Softwood Lumber Industry, Hearings ..., 87-2 United States.
