Cutting It Close Marion Crook, 1998 Jayleen's dream is to become Canada's greatest amateur barrel racer but first she has to find a coach who believes in her talent ADD-Friendly Ways to Organize Your Life Judith Kolberg, Kathleen Nadeau, 2012-01-04 Over 100 000 Copies Sold Organizing books fall short of addressing the unique needs of adults with ADD They fail to understand the clinical picture of ADD and how it impacts the organizing process often making their advice irrelevant or frustrating when put into application Books about ADD may address organization disorganization but do so in a cursory fashion and on a very small scale in what are usually long books on the subject This is a book that has ADD Friendly advice with the ADDer in mind This collaboration brings forth the best underlying understanding with the most effective and practical remedy from ADD experts in two important fields professional organization and clinical psychology Finally it offers organizing advice that ranges from self help to utilizing the help of non professionals to using professional assistance Thus it permits the reader to decide where they are at personally in the organizing process and what level of support will be most When You Say Nothing At All: Charles Town Brides Book Four ID Johnson, 2024-09-08 beneficial to their unique situation It s time to tie the knot in this Irish wedding Erin and Luke have been lucky in love and now it s time for them to make it official forever But when a problem with the venue makes Erin think they might have to look for alternatives their luck seems to be changing Will Luke and the rest of the Charles Town men find a way to make it right Sophie and Zach have decided to work on their relationship He s trying his best to get past the realization that his wife was murdered not killed in an accident Sophie just wants to be there for him but if he doesn't trust her how can they ever move forward Delaney and Josh get some life changing news from the doctor Will they finally be able to start a family of their own One more couple will get engaged Who will it be Will Max pop the question to Lexi Will Casey get on one knee Or will it be Sam Sam Abernathy who decides to make Macey his love forever Catch up with all of the ladies of Charles Town in this sweet Christian romance based on The Heartwarming Holidays Sweet Romance series You don't have to have read the others series to enjoy this book but it is suggested you read the first three books in this series in order to full enjoy this one Souljastory@itrilla.com Richard Warren Crosson, 2012-08 The year is 2016 in the mist of the great recession hangs like an ominous storm cloud in the backdrop of this story which is told in hindsight through the blogs of a chick named Isis In her sometimes salacious narrative this iTrills com blogger has taken her readers back in time when she was a young crazy sexy cool ride or die type that shamelessly rocked a red flag She knew more computer codes than a Silicon Valley whiz kid Readers of her blog also get a peek into her sizzling hot sexual affair with a devilishly influential guerilla gansta named Soulja leader of the notorious B R M clique and founder of the even more influential iTrilla com Never mind that Isis has a man that worships her like her goddess name She's become a drifting moth attracted to the flame of Soulja ever since she and her boyfriend met him While still in the hands of the Feds Soulja evolved into an informed convict disguised as a blogger Unfortunately for the powers that be he

is laced with controversial convictions that has inspired millions Soon after his release into the free world he covertly used his own social networking site to chop it up with other leaders of illicit underground street orgs With them he devises a radical blueprint to destroy every prison plantation in America hoping to create a slavery revolt just like the legend of his hero Nat Turner Of course no plan of this magnitude could ever unravel without a significant glitch Michaelson, 2023-09-11 A night out on the town with his brothers was just what he needed Constantly dodging his ex s calls and text messages was wearing on Tuck He didn t care what she had to say He d ended things with her and nothing she said would change his mind As his eyes scan the dance floor they land on a beautiful strawberry blonde woman in a hot little black dress and heels The way she dances and moves to the music is inspiring She spins around and he s completely caught off guard to discover that it's Kylie his friend the computer whiz Where had she been hiding this version of herself In his drunken state all he can think is that he has to have her What's a girl supposed to do when the man she's been half in love with since the very first kiss he gave her at fourteen says he has to have you You go with him obviously The night was everything Kylie could have ever hoped for hot steamy earth moving until he calls her another woman's name and passes out Devastated she tries to leave but realizes she has no car She s all set to call for a cab but one of his club brothers stumbles across her and offers to give her a ride home Several weeks go by with no word from Tuck Then the club president calls and offers her a job but she s worried about seeing Tuck again Not only does she see him at the Sons of Redemption clubhouse she sees him with another woman Before she can seal the deal on her new job and get out of there she runs into Tuck and by the time she s done talking to him she realizes he has no memory of their night together Unbelievable Tragedy of King Lear Nan Z. Da, 2025-06-10 A compelling new reading of The Tragedy of King Lear that finds parallels in twentieth century Chinese history At the start of Shakespeare's famous tragedy King Lear promises to divide his kingdom based on his daughters professions of love but portions it out before hearing all of their answers For Nan Da this opening scene sparks a reckoning between The Tragedy of King Lear one of the cruelest and most confounding stories in literature and the tragedy of Maoist and post Maoist China Da who emigrated from China to the United States as a child in the 1990s brings Shakespeare's tragedy to life on its own terms addressing the concerns it reflects over the transition from Elizabeth I to James I with a fearsome sense of what would soon come to pass At the same time she uses the play as a lens to revisit the world of Maoist China what it did to people and what it did to storytelling Blending literary analysis and personal history Da begins in her childhood during Deng Xiaoping s Opening and Reform then moves back and forth between Lear and China In her powerful reading the unfinished business of Maoism and other elements of Chinese thought and culture from Confucianism to the spectacles of Peking Opera help elucidate the choices Shakespeare made in constructing Lear and the unbearable confusions he left behind In Your Mind's Eye Gary Nanson, 2023-03-21 In the unforgiving streets of South Central Los Angeles Lieutenant Jack Adams walks through shadows most people fear to tread When a gang officer is shot by

a sniper in Nickerson Gardens Adams finds himself on a collision course with Commander Stans Jelenick whose political ambitions clash with Adams relentless pursuit of justice As Adams establishes an undercover operation called Gold Rush to take illegal guns off the streets he becomes the target of a ruthless Russian Mafia family What begins as a straightforward mission spirals into a deadly game when the Russians discover Adams identity leading to a brutal attack that leaves a detective dead and Adams fighting for his life Wounded and bleeding Adams must battle through his injuries to protect a young victim and his own family from the Russians wrath With enemies on both sides criminals who want him dead and a police commander willing to sacrifice him for political gain Adams faces the ultimate test of his resolve and commitment to the badge he carries Written by a 30 year veteran of the LAPD In Your Mind's Eye delivers an unflinching portrayal of modern policing where the line between monster and protector blurs in the struggle for justice This gripping tale explores loyalty corruption and the toll that serving in law enforcement takes on those who walk its thin blue line If you enjoyed The Black Echo The Onion Field or The Force you ll love In Your Mind s Eye Mr Sun Falls in Love K. Earth Two Chick Lung,2011-01-12 The debate over global warming stopped in the summer of 2073 when the last ice field at the South Pole vanished By then the oceans of the world had risen between twenty one and twenty four feet swamping every city and town located on the coastal plains of Earth Twenty one billion people were living on a planet that was running out of time The pollution streaming from the factories of the world had poured into small streams which in turn had drained into the larger streams and rivers that had dumped their toxic arsenal into the oceans From the beginning of time the oceans had fed the human race with such an abundant variety of sustenance that no one ever dreamed that one day there would be no more fish or other crustaceans to fill their bellies Mankind had cut and burned the forests of Earth and cemented over the fertile ground to make way for buildings and factories that took more by the hour from the Earth than the Earth could replenish A third of the world s population now lived and worked underground By 2180 the Earth was shrouded in a thick black mist that let little sunlight penetrate to the cities below A young scientist Carson Chase has discovered a far distant world whose chemical signals are the same as Earth s and the three richest and most powerful nations still left on

enhanced assassins but also a terrifying discovery Aerocyclus while cleansing the air threatens to thin the atmosphere trading one existential threat for another Anya must race against time to refine her creation while Nicholas fans the flames of resistance within the domes In a climactic showdown the Sky Pirates and the burgeoning resistance movement clash with Global Consolidated's forces the fate of Earth hanging in the balance Will they succeed in reclaiming their stolen sky or will the suffocating grip of corporate greed extinguish their last breath of rebellion Noel's Struggle Candace Elizabeth Coats, 2025-08-21 Much like the mythical phoenix that is reborn and rises from its own ashes Noel's struggle is a flight like no other It is a journey through savannas of grief plateaus of trauma and dunes of suspense all leading into an oasis of healing Our protagonist Noel is an instantly likeable character navigating her early adulthood One can t help but root for her from the very beginning Not long into the story a twist an antagonist a vicious stalker turns Noel's seemingly mundane life upside down watching her every move as he delights himself with her discomfort In the thrilling close encounters the stalker looks for windows of opportunity to attain his malicious goals The story touches upon some uncomfortable themes of assault and perversion a difficult aspect to get through but essential to highlight the severity of the moral depravity of the antagonist as well as the overall concept of what the antagonist represents Through her journey Noel must navigate the complex nature of friendships and relationships in times of trauma and mental health crises She navigates matters of trust confidence and sound decision making in times of risk It teaches key lessons in the importance of surrounding oneself with the right company and knowing when and how to communicate in times of need The title of the book suggests a tale of struggle but what stands even more so than the struggle is the journey of healing and recovery The book provides insightful details into the changing nature of Noel's self image the personal growth she experiences and has profound dialogues which resonate with the reader and takes them on a journey of self discovery and healing The Flight of the Spellbound Claire Trella Hill, 2025-05-02 Falcon by day Girl by night Eyl has transformed against her will every day for nine years She and her fellow captives are magically bound to their captor and the wizard's mental state is deteriorating.
