**Cybercrime** Sara L. Latta,2012-01-01 Credit card scams identity theft this is the new age of computer crime Even though there is no smoking gun deleted computer evidence can still be detected by expert detectives These forensic investigators can track down criminals who use the computer as their weapon Readers will discover the techniques these officers use to solve real life computer based crimes      **Aphrodite IX / Cyber Force #1** Matt Hawkins,2014-07-16 A double sized crossover event unlike any before Two teams seven centuries apart united by one woman s diabolical plan The Chairwoman from CYBER FORCE had a plan to recreate the world in her children s image Things didn t go as planned Featuring the present day team of Cyber Force and the 28th century Aphrodite IX this story lays the foundation for the new comic series IXth GENERATION launching in 2015      *Deadly Dance* Dee Davis,2024-01-26 As the intelligence specialist for A Tac a black ops CIA unit masquerading as Ivy League faculty Hannah Marshall is used to working behind the scenes But when a brutal murder hits too close to home Hannah finds herself in the middle of the action falling in love while racing to outwit a sadistic mastermind A KILLER CLOSES IN After the death of her A Tac partner Hannah doubts everything she thought she knew about love and loyalty When handsome Harrison Blake joins the team she s reluctant to trust him or to act on her intense attraction to him Then Hannah receives a podcast of a gruesome murder and the only person who can help her find the killer is Harrison Harrison has spent years trying to hunt down the cunning monster who killed his sister Now investigating with Hannah he faces a shocking possibility his sister s murderer has resurfaced As the danger escalates Hannah and Harrison grow closer and the desire simmering between them ignites After Hannah disappears Harrison has only one chance to save the woman he loves      *Virtual Death* Morgan R. Bramlet,2009-07-28      **Profile of a Murder** Roger Vizi,2001-10-11 Owosso is a small quiet town in the Midwest The type of town where you know everyone and you aren t afraid to walk down the streets at night All this changes when on the morning of July 12th a call comes into the 911 dispatch office reporting a body being found in the woods This one call and the circumstances arising from the investigation bring attention to this town like it has never seen before when it is discovered that this killer is one of it s own      **Race to the Moon** Fatima,2017-12-18 It s 2050 a promise had been made by the people all over the world to start afresh and help those in need Cyber and a few others have been forced to take part in a competition which is going to be a Race to the Moon but will they make it to the Moon and back Or is something sinister at play All of them fight for their freedom at NASA base for something evil is at work to prevent them from going to the Moon and beyond Some of them get injured but it doesn t stop them from reaching their destination the Moon Even though they are being attacked and traumatized by some sort of life form it won t stop them from their goals to reach the Moon and beyond and connect with others But when they reach the Moon people are lost with no traces left behind Will Cyber be able to rescue them Or will she become a victim herself

*Cyber Security in the Age of Artificial Intelligence and Autonomous Weapons* Mehmet Emin Erendor,2024-11-19

Although recent advances in technology have made life easier for individuals societies and states they have also led to the emergence of new and different problems in the context of security In this context it does not seem possible to analyze the developments in the field of cyber security only with information theft or hacking especially in the age of artificial intelligence and autonomous weapons For this reason the main purpose of this book is to explain the phenomena from a different perspective by addressing artificial intelligence and autonomous weapons which remain in the background while focusing on cyber security By addressing these phenomena the book aims to make the study multidisciplinary and to include authors from different countries and different geographies The scope and content of the study differs significantly from other books in terms of the issues it addresses and deals with When we look at the main features of the study we can say the following Handles the concept of security within the framework of technological development Includes artificial intelligence and radicalization which has little place in the literature Evaluates the phenomenon of cyber espionage Provides an approach to future wars Examines the course of wars within the framework of the Clausewitz trilogy Explores ethical elements Addresses legal approaches In this context the book offers readers a hope as well as a warning about how technology can be used for the public good Individuals working in government law enforcement and technology companies can learn useful lessons from it

Deadly Messenger J. Jones,2009-09-24 Deadly Messenger centers around an FBI agent in pursuit of a serial killer known to stalk and attack women he meets while chatting on the Internet Special Agent John Logan has been on the appropriately dubbed Cyber Slasher case for almost seven years Always seeming to be one step behind the killer he s yet to make a substantial break and his superiors are threatening to pull him from the case Although the killer s method of operation varies from case to case two keys link them all the use of a rare anesthetic Phenyltetrizine and the victim s intimate association with a mysterious stranger on the Internet Can Logan catch the killer before someone close to him becomes the next victim

*Cyberthreats* Susan W. Brenner,2009 As new technologies develop terrorist groups are developing new methods of attack by using the Internet and by using cyberspace as a battlefield it has become increasingly difficult to

discover the identity of attackers and bring them to justice The seemingly limitless boundaries of cyberspace has allowed virtually anyone to launch an attack from a remote and anonymous location But once these attacks occur it raises several important questions who should respond and how how should nation states effectively deal with a cyber attack and will the United States and other nation states be able to survive in a world where virtual boundaries are limitless In *Cyberthreats The Emerging Fault Lines of the Nation State* Susan Brenner gives a thorough explanation of how military and law enforcement personnel respond to these attacks and why bringing cyber terrorist to justice can be difficult and sometimes impossible

**The Dynamics of Murder** R. Barri Flowers, 2012-11-26 In recent years there has been a surge in school shootings workplace homicides hate violence and deadly terrorist attacks in the United States This has resulted in a greater focus on homicidal behavior its antecedents ways to recognize warning signs of at risk victims and offenders and preventive measures It has also led to increased efforts by lawmakers to create and pass tough crime legislation as well as improved federal state and local law enforcement response to murder and other violent crimes *The Dynamics of Murder Kill or Be Killed* is a multifaceted probe of murder offenses offenders victims and characteristics of homicide in American society This book breaks new ground in homicide studies by examining issues generally ignored or neglected among researchers Topics include murders occurring in the workplace and in schools those perpetrated by gangs and terrorists those incited by bias and intimate and intrafamilial murders The book discusses sexual killers serial and mass murderers and suicide It also examines psychological and sociological theories on murder and violence as well as the increasing role the Internet plays in these crimes Case studies of actual murderers are included including serial killers Gerald and Charlene Gallego mass murderer Byran Koji Uyesugi the murder suicide case of Sahel Kazemi and the intrafamilial murders committed by Charles Stuart and Sarah Marie Johnson A comprehensive exploration of the crime of murder in American society this fascinating study is an essential resource for researchers criminologists and other professionals in a wide range of disciplines

**GameAxis Unwired** , 2008-03 GameAxis Unwired is a magazine dedicated to bring you the latest news previews reviews and events around the world and close to you Every month rain or shine our team of dedicated editors and hardcore gamers put themselves in the line of fire to bring you news previews and other things you will want to know *Flipphonia* Jason O'Neil, 2022-12-18 In this novel an American non profit company initiates a national movement to heal the youth s addiction to mobile social media like smart phones Voice Synthesis Inc VSI based in Alexandria Virginia was founded by Matt and Heather Flynn billionaires from their Turbopod T Pod vehicles sold around the world The couple does research to determine that the addiction starts at age ten and is a primary culprit in the dramatic reduction of the Work Ethic in America The book provides alarming statistics as VSI s employees focus on the problem at home in the schools in retail businesses in the government the military and board rooms It becomes clear to the reader that the social media devices greatly contribute to dumbing of citizens ripe for control by a Socialist government The reader follows VSI as it enlists a well known company to

apply artificial intelligence to voice synthesis systems to create a useful Flip Phone for the youth FLIPA can access communications but not the Internet and streaming video Nationally known cyber gurus who formed a company called Padlockers create a computer E Worm which debilitates the production of popular smart phones in China At the same time the government provides programs attractive for companies to bring back the production of the devices to America The story ends with a realistic hope for the future as the simple FLIPA wins over legions of youth one Flip Phone at a time **Michael Benson's True Crime Bundle: Watch Mommy Die, A Killer's Touch & A Knife In The Heart** Michael

Benson, 2012-03-06 In The Hands Of A Sadist First he bound and beat his girlfriend a 43 year old librarian Then he went after her teenaged daughter warning her Scream and I will kill you both before knocking her unconscious When the teenager awoke he proceeded to rape her And in a final horrifying act of depravity he forced the girl to watch as he slit her mother's throat But the killing didn't stop there In The Crosshairs Of A Killer Stephen Stanko was described as a perfect gentleman who seemed so pleasant and so normal But behind Stanko's mild mannered appearance round spectacles and quiet intelligence was a coldblooded ex convict who kept a grisly scrapbook on serial killers and convinced everyone he was a nice guy until he killed and killed again On The Trail Of A Psycho A well orchestrated manhunt caught up with Stanko who tried to get away with his crimes by pleading insanity But the jury saw through his ruse and the ruthless killer was sentenced to death Case Seen On 48 Hours Includes 16 Pages of Shocking Photos A PRETTY YOUNG WOMAN Denise Amber Lee was a 21 year old happily married mother of two little boys She had her whole life ahead of her until an intruder broke into her Florida home Within a few short hours she was savagely terrorized murdered and buried naked in a shallow grave near a desolate swamp A DEPRAVED KILLER Michael King a 38 year old out of work plumber was a ticking time bomb For years neighbors called the police on King complaining that among other things he'd thrown battery acid in their pool and slashed their tires Denise's fate was far worse In a horrifying act of cruelty King bound her with duct tape raped her repeatedly then shot her dead A TRAGIC FAILURE Incredibly Denise managed to call 911 twice during her abduction Eyewitnesses and her distraught husband also called but a slow inefficient system tragically failed her As a result Florida passed the Denise Lee Law setting voluntary standards for 911 systems King was sentenced to death But for Denise and her loving family it was too late Includes 16 Pages of Shocking Photos Difficult to put down This is one that I highly recommend True Crime Book Reviews on Watch Mommy Die Die For Love Sarah Ludemann was new to love The Pinellas Florida 17 year old was a late bloomer When she fell for a boy she was blind to the world of sex drugs and drama swirling around her Soon Sarah had a bitter enemy in 18 year old waitress Rachel Wade both girls were head over heels with a cocky two timer named Joshua Camacho On a warm spring night their passions erupted into violence A knife flashed under the streetlights When the fight was over one girl was dead and the other charged with murder In an emotion packed courtroom the whole story took shape a troubling tale of conflicting lives tangled sexual affairs and the high price of having the right feelings for the wrong guy Brisk pacing shocking
