Cypress Hills Ethnohistory Ecology:

Cypress Hills Ethnohistory and Ecology Robson Bonnicksen, Stuart J. Baldwin, 1978 **A Geography of Blood** Candace Savage, 2013-11-12 When Candace Savage and her partner buy a house in the romantic little town of Eastend she has no idea what awaits her At first she enjoys exploring the area around their new home including the boyhood haunts of the celebrated American writer Wallace Stegner the backroads of the Cypress Hills the dinosaur skeletons at the T Rex Discovery Centre the fossils to be found in the dust dry hills She also revels in her encounters with the wild inhabitants of this mysterious land two coyotes in a ditch at night their eyes glinting in the dark a deer at the window a cougar pussy footing it through a gully a few minutes walk from town But as Savage explores further she uncovers a darker reality a story of cruelty and survival set in the still recent past and finds that she must reassess the story she grew up with as the daughter granddaughter and great granddaughter of prairie homesteaders *An Archeological Overview of Butte District Prehistory* Sherri Deaver, Ken Deaver, 1990 *The Cypress Hills* Walter Hildebrandt, Brian Hubner, 1994 Get them out was a Canadian government policy to remove Aboriginal Peoples from the Cypress Hills area according to Nekaneet Band Elder Gordon Oakes in this book s foreword Walter Hildebrandt and Brian Hubner explain why the Cypress Hills a 2 600 square kilometre plateau straddling the Alberta Saskatchewan US border were an important gathering place for Aboriginal Peoples for thousands of years and why the Canadian government did not want them there The Indians and the M tis came because game and lodge pole pine were plentiful Buffalo abounded and the authors describe all aspects of the buffalo hunt from spiritual preparation to the final kill Fur traders and wolfers came too mostly from Montana and with them clashes between the different worlds leading to the 1873 Cypress Hills massacre That event brought the North West Mounted Police and led to the building of Fort Walsh in the Hills It was in the Hills that Chief Sitting Bull and the Dakotas sought refuge after defeating Custer at the Battle of Little Big Horn While the NWMP worked to maintain peace they also helped disperse Aboriginal Peoples from the area As a result today there is only one Indian Reserve in the Cypress Hills area Structured Worlds Aubrey Cannon, 2014-10-14 Hunter gatherer societies are constrained by their environment and the technologies available to them However until now the role of culture in foraging communities has not been widely considered Structured Worlds examines the role of cosmology values and perceptions in the archaeological histories of hunter fisher gatherers The essays examine a range of cultures Mesolithic Europe Siberia Jomon Japan the Northwest Coast the northern Plains and High Arctic of North America to show the role of conceptual frameworks in subsistence and settlement technology mobility migration demography and social organization Spanning from the early Holocene period to the present day Structured Worlds draws on archaeology and ethnography to explore the role of beliefs ritual and social values in the interaction between foragers and their physical and social landscape Material culture animal bones and settlement patterns show that the behaviours of hunter gatherers were shaped as much by cultural concepts as by material need *Pleistocene Bone Technology in the Beringian Refugium* Robson

Bonnichsen,1979-01-01 Examination of vertebrate faunal remains held in museum collections is reported To understand or identify human modification of bone and antler the analysis emphasizes post mortem processes including geological biological and cultural ones that have led to the alteration and distribution of bone elements In addition to provide analogs for this analysis bone breaking experiments were conducted Published in English Medicine that Walks Maureen Katherine Lux,2001-01-01 Challenging the view that Aboriginal medicine was helpless to deal with European disease Lux argues that the diseases killing the Plains people were not contagious epidemics but grinding poverty malnutrition and overcrowding **American Indians and Yellowstone National Park** Peter Nabokov, Lawrence L. Human Ecology of the Canadian Prairie Ecozone B. A. Nicholson,2011 The Canadian Prairie Ecozone CPE is spatially defined by the foothills of Alberta on the west and the boreal forest parkland interface on the north and the east As members of the multidisciplinary SCAPE Study of Cultural Adaptations in the Canadian Prairie Ecozone Project the authors have synthesized a comprehensive account of the successive cultural lifeways and social practices of precontact groups that have succeeded one another over time and space in this region over the past 11 000 years **Tipi Rings and Plains Prehistory**

James T. Finnigan,1982-01-01 This study compares a model of the relationship between tipi and the tipi ring using primarily ethnographic information to data from the British Block Cairn site in southeastern Alberta It demonstrates that the tipi required a considerable investment of raw materials and as a result the tipi ring is a product of a carefully reasoned decision on the correct anchoring strategy for a given environmental setting Published in English **Of Men and Herds in**

Canadian Plains Prehistory Bryan H. C. Gordon,1979-01-01 This is a preliminary study of temporal and spatial relationships between Canadian Plains peoples climates and bison populations over the past 10 000 years Discreteness of two bison populations hunting and band movements and communication are discussed together with the probable role of grassland faciation as a control on bison migration Published in English The True Spirit and Original Intent of Treaty 7

Walter Hildebrandt,Dorothy First Rider,Sarah Carter,1996 There are several historical accounts of the Treaty 7 agreement between the government and prairie First Nations but none from the perspective of the aboriginal people involved In spite of their perceived silence however the elders of each nation involved have maintained an oral history of events passing on from generation to generation many stories about the circumstances surrounding Treaty 7 and the subsequent administration of the agreement The True Spirit and Original Intent of Treaty 7 gathers the collective memory of the elders about Treaty 7 to provide unique insights into a crucial historical event and the complex ways of the aboriginal people Restoring a
