Cyprus Conflict And Conciliation 1954 1958:

Cyprus Stephen G. Xydis,1967 **Cyprus** Stephen G. Xydis,1967 **Cyprus** Stephen George Xydis,Mershon Center for Education in National Security,1967 *Cyprus and International Peacemaking 1964-1986* Farid Mirbagheri,2014-05-01 This book traces the international community's attempts to achieve a solution to the Cyprus problem from 1964-86 and analyzes why it has failed. It also discusses the deep mutual distrust between Turks and Greeks throughout the Eastern Mediterranean which hampers all attempts to reach a satisfactory solution to this intractable problem. Mirbagheri also examines the divergent policies of the key external players and how they have contributed to the current stalemate. Assassination in Colonial Cyprus in 1934 and the Origins of EOKA Andrekos Varnava,2021-01-11 This book explores the assassination of Antonios Triantafyllides, a leading Cypriot lawyer and politician in British colonial Cyprus in January 1934. This event has been the infamous subject of rumours since its occurrence and a taboo subject for Cypriot society and historians alike as the event has been silenced or dismissed. This book explores the assassination in its broadest possible context by situating it within the broader events within the British Empire, the region and the world more generally at that time. The basis for the exploration is a community of records through which all the evidence is sifted, reading it both with and against the grain in order to provide the most likely answer to who was really behind this mysterious cold case. Through rigorous analysis, this book concludes that those who most likely masterminded the assassination supported radical right-wing extremist pro-enosis nationalism and were subsequently also prominent in forming the EOKA terrorist group in the 1950s. **Political Geography and the Cyprus Conflict, 1963-1971** Richard Arthur Patrick,1976 *The Evolution of British Counter-Insurgency during the Cyprus Revolt, 1955-1959* Preston Jordan Lim,2018-06-12 This book evaluates the prosecution of British counter-insurgency operations during the Cyprus Revolt of 1955-1959. Historians have typically cast the Cyprus Revolt as a failure, situating it within the larger pattern of the post-1945 failure of conventional armies to deal with insurgencies. By analyzing the reminiscences of British policemen, National Servicemen and officers both junior and senior, the study provides a ground-up assessment of the British counter-insurgency effort. The work examines also the contradictions gripping Greek and Turkish Cypriot opinion, arguing that developments during this time period set the scene for intercommunal violence in the 1960s and 1970s. Military history is taken in a broad sense and includes the Cypriot government's attempts to control its image in the eyes of international opinion. By intimately dealing with indigenous news outlets like the Times of Cyprus and Halk n Sesi, this book offers lessons for modern policymakers and civil servants concerned with the importance of sound press strategy. *Great Power Politics in Cyprus* Haralambos Alexandrou,Michalis Kontos,Nikos Panayiotides,2014-06-30 This volume approaches foreign interventions in Cyprus from two different angles: a vertical angle which corresponds to a case-by-case historical analysis of foreign interventions which have taken place throughout the modern history of Cyprus and a horizontal angle which corresponds to the implementation of systemic models.

of analysis in approaching foreign interventions in Cyprus Furthermore the volume deals with domestic perceptions formed as a result of foreign interventions in Cyprus focusing particularly on their impact on the politics and public rhetoric of the Cyprus problem especially as regards the Greek Cypriot community **Cyprus** Stephen G.
