Czaaowiek I Zaswiaty Wizje Kar Posmiertnych W Polsce Sredniowiecznej:

The Slavic Religion in the Light of 11th- and 12th-Century German Chronicles (Thietmar of Merseburg, Adam of Bremen, Helmold of Bosau) Stanisław Rosik, 2020-03-23 In this volume Stanisław Rosik focuses on the meaning and significance of Old Slavic religion as presented in three German chronicles the works of Thietmar of Merseburg Adam of Bremen Helmold of Bosau written during the time of the Christianization of the Western Slavs The source analyses show the ways the chroniclers understood explained and represented pre Christian beliefs and cults which were interpreted as elements of a foreign barbarian culture and were evaluated from the perspective of Church doctrine In this study individual features of the three authors are discussed including the issue of the credibility of their information on Old Slavic religion and broader conclusions on medieval thought are also presented **Człowiek i zaświaty** Stanisław Bylina, 1992 History of Wills, Testators and

Their Families in Late Medieval Krakow Jakub Wymułek, 2021-06-22 This volume offers the first comprehensive analysis of wills in late medieval Krakow It presents the origins of testamentary acts in the Kingdom of Poland and its centre Krakow and their subsequent transformation from so called canonical wills to communal wills Wymułek discusses the socio cultural role of wills and sets them in their contemporary legal social and economic context In doing so he uncovers their influence on property ownership and family relations in the city as well as on the religious practices of the burghers Ultimately this work seeks to change the perception of wills by treating the testamentary act itself as an important agent of historical social change a tool of power *Between the Devil and the Host* Michael Ostling, 2011-11-03 For the first time in English Michael Ostling tells the story of the imagined Polish witches showing how ordinary peasant women got caught in webs of suspicion and accusation finally confessing under torture to the most heinous of crimes **The Soul in the Axiosphere from an**

Intercultural Perspective, Volume One Joanna Jurewicz, Ewa Masłowska, Dorota Pazio-Wlazłowska, 2020-05-04 The essays collected in this volume form a multifaceted discourse on religious philosophical historical ethnocultural and sociocultural literary and linguistic issues A multicultural approach to the problem of the soul allows the presentation of it on a microscale focused on national and regional specificity as well as on the macroscale oriented toward universal values which can be observed in the cultures of peoples distant from each other in both time and space The book consists of 28 chapters addressing the fundamental themes of human existence which find expression in cultural texts in both colloquial and artistic language and which have a prominent place in anthropological psychological metaphysical and theological debates
