D H Lawrence The New World:

D.H. Lawrence and the New World David B. Cavitch,1966 **D. H. Lawrence and the New World** David Cavitch,1969 Art for my sake A woman at the back of me There must be a new world To transfer all my life to America A world of perilous pure freedom The inner chaos of the Rockies This high plateau of death An exit from the fallen self D. H. Lawrence and the New World David Cavitch,1969 Art for my sake A woman at the back of me There must be a new world To transfer all my life to America A world of perilous pure freedom The inner chaos of the Rockies This high plateau of death An exit from the fallen self D.H. Lawrence's Australia David Game,2016-03-09 The first full length account of D H Lawrence s rich engagement with a country he found both fascinating and frustrating D H Lawrence s Australia focuses on the philosophical anthropological and literary influences that informed the utopian and regenerative visions that characterise so much of Lawrence s work David Game gives particular attention to the four novels and one novella published between 1920 and 1925 what Game calls Lawrence s Australian period shedding new light on Lawrence s attitudes towards Australia in general and more specifically towards Australian Aborigines women and colonialism He revisits key aspects of Lawrence s development as a novelist and thinker including the influence of Darwin and Lawrence s rejection of eugenics Christianity psychoanalysis and science While Game concentrates on the Australian novels such as Kangaroo and The Boy in the Bush he also uncovers the Australian elements in a range of other works including Lawrence s last novel Lady Chatterley s Lover Lawrence lived in Australia for just three months but as Game shows it played a significant role in his quest for a way of life that would enable regeneration of the individual in the face of what Lawrence saw as the moral collapse of modern industrial civilisation after the outbreak of World War I *The American Lawrence* Lee M. Jenkins,2021-01-18 Reassessing Lawrence s relationship to American modernism and his American literary contemporaries Jenkins offers new insights into the literary exchange between America and Europe **Huxley's Brave New World: Essays** David Garrett Izzo,Kim Kirkpatrick,2014-07-15 Aldous Huxley s prophetic novel of ideas warned of a terrible future then 600 years away Though Brave New World was published less than a century ago in 1932 many elements of the novel s dystopic future now seem an eerily familiar part of life in the 21st century These essays analyze the influence of Brave New World as a literary and philosophical document and describe how Huxley forecast the problems of late capitalism Topics include the anti utopian ideals represented by the rigid caste system depicted the novel s influence on the philosophy of culture industry philosophers Max Horkheimer and Theodor Adorno the Nietzschean birth of tragedy in the novel s penultimate scene and the relationship of the novel to other dystopian works **D. H. Lawrence's Australia** Dr David Game,2015-08-28 In this first full length account of D H Lawrence s rich engagement with a country he found both fascinating and frustrating Game examines how Australia informed the utopian and regenerative visions that characterize so much of Lawrence s work He sheds new light on Lawrence s attitudes towards Australian Aborigines women and colonialism and revisits key aspects of Lawrence s

development as a novelist and thinker *Wandering into Brave New World* David Leon Higdon, 2013-10-01 Wandering into Brave New World explores the historical contexts and contemporary sources of Aldous Huxley's 1932 novel which seventy years after its initial publication remains the best known and most discussed dystopian work of the twentieth century This new study addresses a number of questions which still remain open Did his round the world trip in 1925-1926 provide material for the novel Did India's caste system contribute to the novel's human levels Is there an overarching pattern to the names of the novel's characters Has the role of Hollywood in the novel been underestimated Is Lenina Crowe a representative 1920s flapper Did Huxley have knowledge of and sources for his Indian reservation characters and scenes quite independent of and more accurate than those of D H Lawrence's writings Did Huxley's visit to Borneo contribute anything to the novel New research allows substantive answers and even explains why Huxley linked such figures as Henry Ford and Sigmund Freud It also shows how the novel overcomes its intense grounding in 1920s political turmoil to escape into the timelessness of dystopian fiction *D.H. Lawrence and the Great War* Jae-kyung Koh, 2007 This study focuses on the work of D H Lawrence 1885-1930 One of the few major English writers to come from an industrial working class background Lawrence contributed to the development of all the major literary genres bringing to them a fresh perspective and a willingness to experiment radically with form His brief but productive literary career largely coincided with the crisis years of the Great War and its aftermath and his creative engagement with contemporary events is reflected in a body of work which conveys vividly and powerfully the experience of the time Lawrence's diagnosis of his own time was informed by the radical ideas which arose in the intellectual ferment of the first decades of the twentieth century ideas about mind and consciousness relationships and sexuality community and history In his fiction the Great War is set in a long historical perspective drawing in particular on Nietzsche's analysis of the origins of European nihilism This study focuses on Lawrence's prose fiction and essays in particular which explore the polymorphous effects social political psychological of the War His treatment of the profound forces which have shaped European history and his sense that contemporary conditions are capable of creating sharply contrasting futures point forward to Michel Foucault's paradoxical vision of historical development *D.H. Lawrence Today* Barry Jeffrey Scherr, 2004 D H Lawrence Today is a rare and extraordinary blend of intellectual political history psycho-literary biography and literary criticism not seen in Lawrence studies since the heyday of F R Leavis Barry J Scherr provides a vigorous defense of Lawrence against his powerful enemies in the literary cultural political academic world a world dominated today by the political correctness of the elite extreme left wing intelligentsia Dr Scherr employs a daring original intense strategy to deal with Lawrence's enemies involving unique intricate complex explication de texte as well as incisive polemic Unconventional and seminal D H Lawrence Today is the most stimulating provocative courageous book on Lawrence to appear in many years *New World Symphonies* Jack Sullivan, 1999-01-01 This groundbreaking book shows for the first time the profound and transformative influence of American literature music

and mythology on European music Although the impact of the European tradition on American composers is widely acknowledged Jack Sullivan demonstrates that an even more powerful musical current has flowed from the New World to the Old The spread of rock and roll around the world the author contends is only the latest chapter in a cross cultural story that began in the nineteenth century with Gottschalk in Paris and Dvor k in New York Sullivan brings popular and canonical culture into his wide ranging discussion He explores the effects on European music of American authors as diverse as Twain DuBois Melville and Langston Hughes examining in particular Dvor k s fascination with Longfellow the obsession of Debussy and Ravel with Poe and the inspiration Whitman provided for Holst Vaughan Williams and dozens more Sullivan uncovers the African American musical influence on Europe beginning with spirituals and culminating in the impact of jazz on Stravinsky Bart k Walton and others He analyzes the lure of Hollywood and Broadway for such composers as Weill Korngold and Britten and considers the power of the American landscape from the remoteness of the prairie to the brutal energy of the American city In European music Sullivan finds American culture and mythology continue to resonate

Exchanges between Literature and Science from the 1800s to the 2000s Márcia Lemos, 2017-03-07 This collection of essays responds to the intense interest that the relations between the discourses of literature and other cultural practices and those of science have obtained throughout various fields of study Spanning a period between the mid nineteenth century and the twenty first century the work collected here is firmly focused on the cultural significance of scientific discoveries and practices and especially on the manifold representations of science and scientists in literature and the arts Its four sections develop from an initial moment of dwindling indefiniteness of borders between literature and the sciences to the historical perception of an increasing divide between the two cultures to use C P Snow s influential expression as well as calls for a form of convergence or consilience in Edward Wilson s words The final section turns to the medical sciences a porous scientific discipline in relation to the humanities which suggests that consilience can already be found partially in specific areas As such this collection contributes towards critically extending that integration through the discussion of key literary representations of science its promises and its problems

Reading the Modern British and Irish Novel 1890 - 1930 Daniel R. Schwarz, 2008-04-15 Daniel R Schwarz has studied and taught the modern British novel for decades and now brings his impressive erudition and critical acuity to this insightful study of the major authors and novels of the first half of the twentieth century An insightful study of British fiction in the first half of the twentieth century Draws on the author s decades of experience researching and teaching the modern British novel Sets the modern British novel in its intellectual cultural and literary contexts Features close readings of Hardy s Jude the Obscure Conrad s Heart of Darkness and Lord Jim Lawrence s Sons and Lovers and The Rainbow Joyce s Dubliners and Ulysses Woolf s Mrs Dalloway and To the Lighthouse and Forster s A Passage to India Shows how these novels are essential components in a modernist cultural tradition which includes the visual arts Takes account of recent developments in theory and cultural studies Written in an engaging style avoiding jargon

Notions of Otherness Mark Axelrod-Sokolov,2019-04-30 One can approach the notion of otherness or alterity in various ways politically aesthetically ethically culturally religiously and sexually Writing in Saylor org Lilia Melani defined the other as an individual who is perceived by the group as not belonging as being different in some fundamental way Any stranger becomes the Other The Other in a society may have few or no legal rights may be characterized as less intelligent or as immoral and may even be regarded as sub human The collection of essays Notions of Otherness addresses many of these approaches as ways of interrogating how varied yet how similar they are in relation to the individual literary texts

Aldous Huxley and Utopia Jerome Meckier,2022-11-30 Within the cycle that runs from Erewhon to Island British literary utopias compete with one another to form the most persuasive picture of what the future might or should be like At issue for Butler Wells Zamiatin Orwell and others is whether utopia be it positive or negative is essentially prediction or hypothesis Huxley contributed to this debate at roughly fifteen year intervals his three utopias becoming its key texts In addition Aldous Huxley and Utopia examines ironic cure scenes the obsession with golf in the brave new world attitudes towards death in Brave New World and Island problems with names and history in the former the role of islands in both the detrimental impact of Madame Blavatsky and young Krishnamurti on the story of Pala and the significance of a zoological conclusion of Island

The Problem with Pleasure Laura Frost,2013-07-09 Aldous Huxley decried the horrors of modern pleasure or the proliferation of mass produced widely accessible entertainment that could degrade or dull the mind He and his contemporaries including James Joyce T S Eliot Gertrude Stein D H Lawrence and Jean Rhys sought to radically redefine pleasure constructing arduous and indirect paths to delight through their notoriously daunting work Laura Frost follows these experiments in the art of unpleasure connecting modernism s signature characteristics such as irony allusiveness and obscurity to an ambitious attempt to reconfigure bliss In The Problem with Pleasure Frost draws upon a wide variety of materials linking interwar amusements such as the talkies romance novels the Parisian fragrance Chanel no 5 and the exotic confection Turkish Delight to the artistic play of Joyce Lawrence Stein Rhys and others She considers pop cultural phenomena and the rise of celebrities such as Rudolph Valentino and Gypsy Rose Lee against contemporary sociological scientific and philosophical writings on leisure and desire Throughout her study Frost incorporates recent scholarship on material and visual culture and vernacular modernism recasting the period s high low elite popular divides and formal strategies as efforts to regulate sensual and cerebral experience Capturing the challenging tensions between these artists commitment to innovation and the stimulating amusements they denounced yet deployed in their writing Frost calls attention to the central role of pleasure in shaping interwar culture

Richard Wagner and the Modern British Novel John Louis DiGaetani,1978 Examines the profound influence Richard Wagner had on modern British fiction and such authors and artists as Shaw Ford Madox Ford Oscar Wilde Aubrey Beardsley and Jessie Weston

Travel, Modernism and Modernity Robert Burden,2016-03-09 Focusing on the significance of travel in Joseph Conrad E M Forster D H Lawrence Henry James and

Edith Wharton Robert Burden shows how travel enabled a new consciousness of mobility and borders during the modernist period For these authors Burden suggests travel becomes a narrative paradigm and dominant trope by which they explore questions of identity and otherness related to deep seated concerns with the crisis of national cultural identity He pays particular attention to the important distinction between travel and tourism at the same time that he attends to the slippage between seeing and sightseeing between the local character and the stereotype between art and kitsch and between older and newer ways of storytelling in the representational crisis of modernism Burden argues that the greater awareness of cultural difference that characterizes both the travel writing and fiction of these expatriate writers became a defining feature of literary modernism resulting in a consciousness of cultural difference that challenged the ethnographic project of empire

Culture and the Rites/Rights of Grief Zbigniew Białas, Paweł Jędrzejko, Julia Szoltysek, 2013-09-20 Although generally resented and deemed unfavourable for individuals societies and nations grief grievance and grieving along with a complex list of epithets that could under varying circumstances accompany them racial grief political grievance protracted grieving chronic grief traumatic unresolved grievance nevertheless occupy a significant place in culture and its manifestations in literature art history science and politics Culture and the Rites Rights of Grief offers an intellectual excursion into realms of potentially regenerative problematics too frequently dismissed without due consideration In this light the volume constitutes a weighty contribution to the field of literary and cultural studies First and foremost however Culture and the Rites Rights of Grief is to be intellectually enjoyed by readers with an interest in present day literary cultural and political phenomena at the intersection of which grief and grieving execute an imposing presence albeit one that remains as indeterminate and flitting as the nature of contemporary cross cultural and cross disciplinary encounters Aldous Huxley and Alternative Spirituality Jake Poller, 2019-08-12 Aldous Huxley and Alternative Spirituality offers an incisive analysis of the full range of Huxley s spiritual interests spanning both mysticism neo Vedanta Taoism Mahayana and Zen Buddhism and Western esotericism mesmerism spiritualism the paranormal Jake Poller examines how Huxley s shifting spiritual convictions influenced his fiction such as his depiction of the body and sex and reveals how Huxley s use of psychedelic substances affected his spiritual convictions resulting in a Tantric turn in his work Poller demonstrates how Huxley s vision of a new alternative spirituality in Island in which the Palanese select their beliefs from different religious traditions anticipates the New Age spiritual supermarket and traces the profound influence of Huxley s ideas on the spiritual seekers of the twentieth century and beyond
