Blood Lines Sheila Marie Contreras, 2009-07-21. 2009 Runner-up Modern Language Association Prize in United States Latina and Latino and Chicana and Chicano Literary and Cultural Studies. *Blood Lines: Myth, Indigenism, and Chicana/o Literature* examines a broad array of texts that have contributed to the formation of an indigenous strand of Chicano cultural politics. In particular, this book exposes the ethnographic and poetic discourses that shaped the aesthetics and stylistics of Chicano nationalism and Chicana feminism. Contreras offers original perspectives on writers ranging from Alurista and Gloria Anzaldúa to Lorna Dee Cervantes and Alma Luz Villanueva, effectively marking the invocation of a Chicano indigeneity whose foundations and formulations can be linked to U.S. and British modernist writing. By highlighting intertextualities such as those between Anzaldúa and D. H. Lawrence, Contreras critiques the resilience of primitivism in the Mexican borderlands. She questions established cultural perspectives on the native which paradoxically challenge and reaffirm racialized representations of Indians in the Americas. In doing so, *Blood Lines* brings a new understanding to the contradictory and richly textured literary relationship that links the projects of European modernism and Anglo-American authors on the one hand and the imaginary of the post-revolutionary Mexican state and Chicana writers on the other hand.

A Russian Jew of Bloomsbury Galya Diment, 2011. *A Russian Jew of Bloomsbury* looks at the remarkable influence that an outsider had on the tightly knit circle of Britain's cultural elite. Among Kotliansky's friends were Katherine Mansfield, Leonard and Virginia Woolf, Mark Gertler, Lady Ottoline Morrell, H. G. Wells, and Dilys Powell. But it was his close and turbulent friendship with D. H. Lawrence that proved to be Kotliansky's lasting legacy. In a lively and vibrant narrative, Galya Diment shows how, despite Kot's determination, he could never escape the dark aspects of his past or overcome the streak of anti-Semitism that ran through British society, including the hearts and minds of many of his famous literary friends.

Women Editing Modernism Jayne Marek, 2021-10-21. For many years, young writers experimenting with forms and aesthetics in the early decades of this century, small journals known collectively as little magazines were the key to recognition. Joyce, Stein, Eliot, Pound, Hemingway, and scores of other iconoclastic writers now considered central to modernism received little encouragement from the established publishers. It was the avant-garde magazines, many of them headed by women, that fostered new talent and found a readership for it. Jayne Marek examines the

work of seven women editors Harriet Monroe Alice Corbin Henderson Margaret Anderson Jane Heap H D Bryher Winifred Ellerman and Marianne Moore whose varied activities often behind the scenes and in collaboration with other women contributed substantially to the development of modernist literature Through such publications as Poetry The Little Review The Dial and Close Up these women had a profound influence that has been largely overlooked by literary historians Marek devotes a chapter as well to the interactions of these editors with Ezra Pound who depended upon but also derided their literary tastes and accomplishments Pound s opinions have had lasting influence in shaping critical responses to women editors of the early twentieth century In the current reevaluation of modernism this important book long overdue offers an indispensable introduction to the formative influence of women editors both individually and in their collaborative efforts
