God's Footprints in Personal Life, Family Life, and Ministry Gide DA(c)mosthA"ne,2024-02-12 Following God's footsteps and the mystery of God's will in Christian life and walk can be a daunting task. Multitudes of voices, life choices, and sociocultural options and challenges make it hard for one to perceive and understand clearly when God is truly speaking and what does His message entail. Thus like Abraham it may require an absolute departure from the habitual way of life to a far out city, country, or region where God can start with us anew. Also we must be willing to surrender our will to God's will and follow in His footsteps wherever He may lead in daily life. Now that requires self-sacrifice and applied humility, a practical death to self. At times it's about listening to God's voice through a moral, spiritual, or ministerial decision. Other times it's just about family life crises or it can be regarding political or social issues. God's will happens when we commit to listen to His word and apply it to practical life effortlessly for His sake. This author lived through it all and acknowledges that God's will is about following in His footsteps in every area of life, however mysterious or difficult it may appear. God's purpose for our lives journey is already set in heaven; surrendering to His purpose will lead to a very content, satisfying, and joyful life regardless of the challenges we experience throughout our lifetime. This autobiography will challenge you to begin exploring God's footsteps in different facets of your own life and intentionally pursue His mysterious plan.
