come Larry's Lincoln was only a two speed And who Sparky is We survived with some wonderful memories This teenage stuff isn't always easy but it can be great fun Teenagers are a strange mixture of hormones guts and uncertainty Add in a healthy dose of orneriness a lot of rock and roll a dance step or two a few likeminded friends and you'll get trouble enough If however you throw in a little coal dust a swimming hole a taste of Roy's moonshine a bunch of school skipping some military service red blue jeans Judy's bottle of Listerine and a thick layer of snow and ice then you have real West Virginia Coal Camp trouble To say that we grew up poor is an understatement but don't forget we grew up in a great country that afforded us luxuries and opportunities that make us seem very wealthy in the eyes of most of the world For that I am very grateful Coal Camp Teens weren't so different from other teens or were they The rich culture of the mines and the hills blended together to fashion people who were especially strong No one ever said that teenage years were easy Sure there were fun times and memories that will be cherished for the rest of our lives There were also lessons to be learned Learning lessons is especially hard when you think you already know it all There is nothing good about a paddling unless you learn something from it There is not much good that can be said about war except when it is necessary to preserve our freedom In much the same way the trials and temptations that filled our teenage years are nothing to brag about except that they made us what we are today Coal Camp Teens explores the strange world of the teenager In particular the teenager growing up in the coal camps of Campbell's Creek West Virginia
