Gayle Kaye, 2011-07-15 A NEWFOUND FAMILY Suddenly divorced dad Gabe Lawrence was more than a part time father He and his adorable girls were now a full time family Seeking advice on raising his six year old twins he turned to Dr Sabrina Moore noted expert on kids Gabe thought the good doctor s theories were a little off So to bring her research back to reality he invited Sabrina to observe his fledgling family and get to know his daughters But Sabrina was more than Gabe ever expected her eyes her smile and the funny thing she did to his heart where had that come from He would bet his newfound daddyhood that her research shouldn t include distracting him with her kisses or making him fall in love with her Should it

Father's Trouble \$ Carter Taylor Seaton, 2003 Lawrence Burgher suffers deprivation and ridicule as a child marking him for life Determined to make the world respect him he sees wealth and power as a means to that end Under the tutelage of Edward Keeley his mentor and future business partner Lawrence parlays inherited land in Shapely West Virginia into a burgeoning career in real estate and banking By 1918 Lawrence moves his wife Anna and his family to the booming city of Huntington West Virginia to become Vice President of Keeley s bank in that city As his real estate career escalates and his family grows so does his ambition Burgher borrows money to take advantage of the emerging land boom Early success leads to arrogance and arrogance to poor decisions He leverages his property to make his purchases spending his cash on an increasingly lavish life style By 1924 feeling the pinch of debt which he can not repay Lawrence resorts to making secret new loans to himself to pay the old ones Keeley a man with few scruples himself calls Lawrence to task whereupon Lawrence quits his position at the bank When Keeley recalls Burgher Lawrence sees it as an opportunity to oust his former partner Soon caught in a financial trap of his own making Burgher resorts to kiting checks falsifying loans and forgery to cover the truth of his situation During a routine bank examination the Banking Commissioner discovers the shaky financial condition of the bank and notices evidence of Burgher s irregular activities Given fair warning Burgher changes nothing When the bank is closed for lack of funds in its reserve all of Burgher s problems come to light He is indicted for embezzlement and forced into bankruptcy This tragedy is so devastating that the family forms a protective shell around themselves vowing to hold their heads up no matter what the public gossip Held together by Anna s strength the family bears the humiliation of a public trial where Burgher is convicted and sentenced to ten years in the penitentiary Despite appeals to the U S Supreme Court the

conviction stands Lawrence Burgher is taken to the state penitentiary at Moundsville West Virginia to suffer over crowding rampant tuberculosis and confinement in a cell smaller than the closets in his home When the Great Depression hits the Burgher family is already deep in poverty In the spring after Lawrence leaves Anna is struck with excruciating headaches Diagnosed with a brain tumour she goes to Baltimore for surgery and spends her final year in a hospital blind and dying The oldest daughter Eileen takes over raising her younger siblings on her meagre teacher s pay Moving again and again into successively smaller homes the de facto orphans still maintain their dignity in the face of public gossip and pity In 1932 Anna Burgher dies Three months later Lawrence Burgher dies suddenly in the penitentiary Thoroughly shaken it becomes the children s unspoken rule never to discuss their father s troubles A myth is born and is eventually handed down to their children Father s troubles becomes a code word which they understand but which is translated for the next generation into a romantic story of wealth lost during the Depression Until Maggie is nearly forty she never knows the real story And when she begins to inquire she is told some things are better left alone Maggie however is determined to know the truth hoping it will help her to understand her strained relationship with her mother Over a twenty year period she digs into the past without the help of her family Through her efforts Maggie gains a new respect for her mother as she realises the strength of the Burgher women is deeply embedded in her and is the finest legacy she could have been given

Daddy's Little Girl and Mommy's Little Boy Zester Hatfield, 2005 Mr Hatfield with all of his years of experience in marriage parenting family missions and in the Church pulls no punches in calling Christ s Bride to return to His Truth God s revealed Law Word regarding discipleship men and women of faith and grace in Manhood and Womanhood outrageously successful spousal relations parenting with training in romance sexual satisfaction love and marriage He is calling all believers especially men to confession and repentance and to receive understand and apply these Truths in the Power of the Holy Spirit as the only acceptable response in which God will revive and reform the Family and the Church in the 21st Century Not for the weak kneed weak minded or humanistically influenced this is for Christ s Bride as we prepare for and anticipate His return These applications of God s revealed Law Word and His uncommon common sense in the lives of America s postmodern Christian culture and especially the promise of duplicating of these successes for love and marriage in our children is exciting and challenging to the point of precedent setting magnitudes The reader will experience riveting and exciting challenges to the status quo of our present day Christian culture Based on interviews with more than 1000 adults nationwide the survey discovered that less than one out of every five adults believes that children under the age of 13 are being superbly or pretty well prepared for life emotionally physically spiritually intellectually or physically Fewer than one out of every twenty adults believes that America s youngsters are receiving above average preparation in all five of those areas of life Americans Agree Kids Are Not Being Prepared for Life The Barna Group October 26 2004 The couples who discover the answers to the moral morass of our postmodern Christian culture are those who know that the future of their children is in jeopardy and that we are in a war for

the control of that future Sadly the statistics of broken homes divorces adultery domestic violence drugs and promiscuity to mention only some of the ills of our culture are almost equally divided between Christian families and non Christian families This is unacceptable as a comparison and must change Consequently fathers and mothers of faith and grace are those who are and or who will experience God s promise of victory over these fruits of our fallen nature and live a marriage experience that captures the best of God s gifts of love sex and romance in marriage Daddy s Little Girl and Mommy s Little Boy brings us clear evidence of just how America s Christian couples can have this victory in their marriage and how to duplicate this success in their sons and daughters
