**Daddy's Story** Baba Daddy, 2015-05-14 Its a story you shouldnt be reading its a personal journey that was originally written by a father for only his daughters eyes Its an emotional story that shows how a father was brought to his lowest point in his life where he could see no return But the father held on his daughter was his vision his daughter was what kept him going and kept them both from harms way Its all about a fathers love and devotion to his daughter in a world where he struggles to grasp how parents can play games in aid to gain for themselves in a world where fathers at times are pushed aside and their voices ignored and unheard just like a childs just like the life he lived A father leaves his story for his daughter so she can understand in years to come how he fought for her how he gave up his life just so his daughter could be brought up in a normal way Its now a fathers turn to speak up to show his daughter and maybe the world how and why they have an unbreakable bond to show how this bond has been tested and pushed to its limits This story is for every person for every mum for every dad who has a child they love its for every person who has a parent they love and cherish because this story will make you fall in love with how a father loves his daughter and how far he will go to make sure she is fine Its a story to show the world nothing can beat the love of your child and nothing should its a story he hopes will change the thinking of many people one day

**Life Without the Father** Clyde A. Stewart, 2010-02 Fathers play the most influential role in the stability and future success of their children Yet so many times children are left to grow up fatherless In Life Without the Father Clyde Stewart recounts his experiences as a young black man growing up without a father When he found himself as a teenager with a child he had to make a choice perpetuate the cycle or break free Life Without the Father is written to guide men into success as they choose to fulfill their responsibilities as fathers With common sense and spiritual insight Clyde navigates the issues that fathers deal with and leads them to a place where they can see the vast importance of their role in this world He reveals how God s divine purpose has been to entrust the seed of humanity with men and that the blessings of the harvest are only possible through obedience to that calling God has not called fathers in vain however because he has given them the power of his Holy Spirit so that they can accomplish and receive the blessings set before them For those struggling with fatherhood learn to see the true greatness and potential of a solid relationship with your child For those that feel they have nothing to offer find the special calling of God that he has only given to you

**Daddy's Girls** Suzanne Gold, 2000-11-17 Daddys Girls is a rich yet simple family tale of love madness and spirit told in the three first person points of view of its three women Overlapping vignettes create a vivid patchwork of lifes defining moments to reveal dark forces lurking beneath the familys typical middle class veneer as they struggle to love one another The story is fiction with a dash of magical realism but the inspiration is autobiographical Daddys Girls recently received a glowing review from Terry Mathews of Bookbrowser com She calls it A book that will speak to you on many levels that can alter your perception of the world broaden your horizons and urge you to think outside the box The best book Ive read since Cunninghams THE HOURS And

sister Phoenix and her mother demanded all the attention so much so that she and her father didn't have a relationship at all. Now that her father was filing for a divorce, he felt guilty for not being a part of her life and wanted to make up for it, but Amy wasn't sure she was ready for that. North Wilkerson had a similar upbringing. Although his mother was dead now, before her death she was an awful person and an even worse mother. After having sworn off family ties to his parents, he was just now allowing his father back into his life. Amy and Booker Wilkerson were close friends in college. Amy was only supposed to be in town for a few days, and when Booker called inviting her to dinner, she couldn't pass up the opportunity to catch up on old times. When Booker's cousin North and his uncle joined them for dinner, they all had a blast. But when North just showed up at her father's house and took over, Amy wasn't sure what to think of him. What did he think he was doing? She barely knew him. Amy needed to nip this in the bud before it went much further. She was perfectly capable of taking care of herself. She didn't need a man now or would she ever need a man, any man.
