Daddy's Magic Hugs for You Julia Gray,2023-01-02 A sweet everyday story to celebrate the special bond between a little one and their daddy As children grow up and explore the world their daddy s hugs make sure they feel safe and loved every step of the way      **Daddy Hugs** Karen Katz,2011-05-03 How many daddy hugs does it take to say I love you Cuddle and count with this hug read book      The Miracle in a Daddy's Hug John Burns,2003-09-01 Something miraculous happens when a daddy wraps his arms around his child It s as if a heart shaped hole begins to fill with the miracle substance called life

Miracle in a Daddy's Hug GIFT John Burns,2010-06-15 The Miracle in a Daddy s Hug has a two fold meaning It s about the child who is a miracle full of miracles and it s about the miracle producing power of a daddy wrapping his arms words and heart around his child In a world where so many boys and girls grow up deprived of their father s love we see the repercussions of this depravation in the individual lives of these children and in society as a whole The Miracle in a Daddy s Hug has a two fold meaning It s about the child who is a miracle full of miracles and it s about the miracle producing power of a daddy wrapping his arms words and heart around his child This easy to read and understand book shares seven components of the miracle in a daddy s hug First it examines the miracle of the child and the dad Then it looks at the value of touch words time love and faith This book helps parents understand their children it provides vision and strategies for both moms and dads and it builds confidence in every dad that he can raise miracles called children      **I Want to Hug My Daddy** Karen VonStein,2011-05 This book is about the experiences my granddaughter experienced when her dad was deployed to Iraq He was deployed in Iraq for a year While he was gone we wanted to make the transition for Jillian as easy as possible      *Daddy's Hugs* Charlotte Russell Johnson,2003-03 The text s major premise is that the role of fathers is essential to promote healthy child development and appropriate role modeling The book exhorts the role of fatherhood in the lives of children Daddy s Hugs offers striking commentary on the plight of fatherless children Fathers are portrayed as more than financial breadwinners Instead they are depicted as essential emotional caregivers The book praises and provides examples of fathers who take an active role in parenting There is an excellent balance of positive negative and neutral fathering role models The humorous vignettes make this book an easy read The book is able to stray away from the common mistake of male bashing The devaluation of the role of fathers and their inadequate preparation for this role is explored in depth Women are not viewed as passive victims to be exploited by males but as active participants in child rearing and parenting It reveals groundbreaking insight into the importance of male role models to prepare males for life and women for mate selection It is one of the most radical paradigm shifts in child development since Dr Benjamin Spock s Baby and Child Care This book is excellent for mothers fathers children potential parents and partners as well as those who will work with individuals families or are in need of a good laugh      My Daddy is Sick Stanley Singleton ,2022-04-28 Our house used to be the happiest house in the world full of goodies laughing and playing But now the laughing has disappeared and CRYING not the good crying has
