Dads Army Christmas Special Present Arms:

Dad's Army Bill Pertwee, 2009-11-03 Dad's Army has been an enduring highlight of the small screen since its debut on British television in 1968. The show, which follows the exploits of the Home Guard of Walmington-on-Sea, a fictional seaside town on the south coast of England, ran for nine series in total, comprising 80 episodes and regularly attracting viewing figures of over 18 million at the height of its popularity. Today it is still shown weekly on BBC2 and was recently placed fourth in a BBC poll of Britain's Best Sitcoms Ever. The show has permeated British society with the characters' signature catchphrases, particularly Captain Mainwaring's 'Stupid boy' having entered the lexicon of popular culture. Such is its appeal that in August 2008 Jonathan Ross paid tribute to Dad's Army with an hour-long special looking back on the show's success and reliving its funniest moments. Yet Dad's Army is also credited with drawing attention to the important role that Local Defence Volunteers, later known as the Home Guard, played in the Second World War in guarding coastal areas of Britain and other important industrial and military sites such as factories and explosives stores and in observing and reporting enemy aircraft. Bill Pertwee found fame as ARP Warden Hodges in the series and has put together a comprehensive tribute to all aspects of the show. This book includes extensive features on the two creators of Dad's Army, Jimmy Perry and David Croft, along with biographies of the whole cast of actors who brought this British comedy classic to life, paying particular attention to such memorable figures as Arthur Lowe, Captain Mainwaring, John Le Mesurier, Sergeant Wilson, Clive Dunn, Corporal Jones, and Ian Lavender, Private Pike. As an integral part of the show itself, Bill Pertwee is uniquely positioned to give an intimate view of his co-stars, their families, and the supporting production team. His colourful account includes many hilarious incidents on and off the set, such as filming for Columbia Pictures and being invited to tea at 10 Downing Street. Numerous colour photos, as well as a fine selection of well-reproduced original stills, supplement the informative text, and a full episode listing is included, together with articles on the many Dad's Army spin-offs and side projects, including the highly successful stage play, movie adaptation, and radio series.

The Napoleonic 'Dad's Army' Paul L. Dawson, 2024-04-30 During the crisis year of 1792, when war against France was at its closest, a variety of societies and associations of Loyal Britons were set up throughout Britain. Their aim was to organise patriotic anti-French forces in defense of king and country and to help maintain the established order. The need to provide an internal defense force resulted in the Volunteer Act of 1794. It witnessed the formation of hundreds of volunteer regiments on the upswell in loyalist sentiment following the disorder and instability witnessed across the Channel in Revolutionary France. By 1798, there were 118,000 volunteers, but faced with the possibility of a French invasion of Southern England, William Pitt's government aimed to expand this number substantially. By 1804, there were an astonishing 380,000 volunteers under arms, and the various Corps made up half to one-third of all the home service forces. When we add in those volunteers who agreed to serve overseas as garrison troops in India, for example, the number grows to approximately 800,000, meaning that around one in every five adult males participated in military activities. This amazing

groundswell of patriotic fervour has seldom been investigated before Using diaries and archive sources this book seeks to explore the Dad s Army of the Napoleonic Wars These men were far more than local bands of volunteers they represented a militarisation of society not previously seen and which was repeated again when the world was thrown into war in the twentieth century

Vicar to Dad's Army Frank Williams,Chris Gidney,2003 He is one of the best known faces in television comedy yet the long suffering vicar of Walmington on Sea is in real life a Christian of deep conviction Perfectly cast as the eccentric vicar constantly tetchy at the invasion of his church hall by Captain Mainwaring and the elderly platoon he appeared in the famous BBC series throughout its nine year run and also in many other television and stage dramas Still in constant demand for public appearances Frank takes an affectionate view behind the scenes of Dad s Army and the world of show business and reveals his personal journey through faith

ADVENTURES OF ARABELLA AND THE SEVEN MAIDENS Dorothy Angkahan,2025-01-28 Arabella is off on her second journey to help people who are oppressed in the world The child doesn t know where her next journey is taking her but she is looking forward to more adventures and to help others if she can When Arabella is finally transported to another faraway land she becomes astonished about her second goodwill mission to help people from a dire situation because she must go with her new

companion whom Arabella will meet in her second journey and they must travel around the world to collect the seven keys from the seven maidens. Afterward Arabella and her companion return where her companion is from to free the people there from a devastating curse that has plagued the land the king's southern part of his kingdom. While the two girls travel to each maiden's territory they're faced with perils and trials on the way. So no one can say that the girls don't have their hands full yet during their goodwill mission they'll meet wonderful people of foreign tongues and cultures between the maidens' territories. Also Arabella and her companion will develop a meaningful relationship with each other that's binding for life. They both have strong faith for their age but they would have to because without faith and divine intervention their goodwill mission won't be successful. This Arabella learned from her first journey and more so in this second journey. One thing the girls will have in common with their perils and trials they both will see their faith grow and through perseverance they both will gain wisdom yet maintaining humility and a heart of charity on the way. If Arabella is thinking her first and previous journey was overwhelming then she'll surely find this second journey surpasses her first with amazing and incomprehensible adventures and perils on the way so her and new companion's faith may be tested. Thus with each goodwill mission her faith will grow stronger and the values she learns from her journeys are indeed preparing her to rule wisely and justly as baroness of the Wellington dynasty someday.

First Battle of El Alamein fought under Auchinleck in the emergency that dangerous summer of 1942 was to be followed within three months by Montgomery's celebrated battle and its consequent fame. The important argument of Military Maverick however is that First Alamein was the real turning point in the Desert War and that makes Dorman Smith's account even more valuable. The letters and diary entries are linked by commentary and explanation by the editor Lavinia Greacen and by the military historian John Lee.

Armor, 1964. The magazine of mobile warfare **Dad's Army Goes to War** Melody Foreman, 2024-12-30. For decades the classic evergreen BBC comedy *Dad's Army* has entertained millions of viewers around the world. But the farcical antics of Walmington-on-Sea's bumbling Home Guard platoon camouflage the true military service of some of the actors themselves. Despite their light-hearted appearance, many of the cast saw active service in one or even both of the world wars, and much of it far from humorous. The inspiration behind the sitcom was the experiences of one of its writers, Jimmy Perry, who as a young 16-year-old wannabe comedian was still waiting for his call-up papers when he joined the eager warriors of the Home Guard in 1940. Little did he know how decades later that ribald group of men in the Watford battalion would provide the inspiration which put his name up in lights. Indeed, was it Perry's own goofy gullibility as a teenager that helped form the character of Private Pike? Also admitted Perry, the affable Lance Corporal Jones in real life Clive Dunn, a former prisoner of war who served in the 4th Queen's Own Hussars, was partly based on an old soldier Perry knew who had served in the Sudan. This veteran recalled being told by a CO to piss on your rifle to cool it down. Perry went on to serve in India in the Royal Artillery and then later with Combined Services Entertainment. As a twenty-year-old British Army officer, David Croft was stationed in North Africa when a raft of comical events, including his struggles with a Bofors gun, went on to shape the calamities which befell the *Dad's Army* troopers. Theater mad Derbyshire lad Arthur Lowe, who played the redoubtable Captain Mainwaring, was thin with knobbly knees when he was seconded to the No. 2 Field Entertainment Unit in Egypt. Meantime, languid good-mannered actor John Le Mesurier reported for duty with the Royal Tank Regiment complete with golf clubs in his car boot. By 1943 he was ironically enduring life in Deolali Doolally in India when he had a captaincy thrust upon him until being demobbed in 1946. The astonishing bravery of actor and playwright Arnold Ridley, who was denied a DSO and a Military Medal for his actions during the First World War, makes for heart-rending reading. His creation of dear old Private Godfrey won him millions of adoring fans. The classical actor John Laurie, Private We're All Doomed Frazer, was also a hero of the trenches. Always dry-witted, he once made everyone laugh on set when he remarked, 'I've played every

part in Shakespeare I was considered to be the finest Hamlet of the 1920s and I had retired and now I am famous for doing this crap That each man including the mocking Laurie helped turn Dad s Army into everlasting success will never be forgotten And why Well in reality they had seen war and knew war and yet always completely realised and understood how the power of laughter is the ultimate triumph
