Dad's Army David Carroll, 2009-03-30 Immortalised by Dad's Army this is the true story of the men who manned the British frontline

In Search of the Real Dad's Army Stephen M. Cullen, 2012-02-29 A fascinating examination of one of the best known British forces of the Second World War An efficient and increasingly professional military unit History of War What was the Home Guard Who were the men and women who served in it And what can be said of their real role and significance once the popular myths have been stripped away Despite the fame of the Home Guard of Dad's Army the true story of this wartime organization tends to be neglected The myths obscure the reality Stephen Cullen's aim in this thoroughgoing new study is to cut through the misunderstandings in order to reassess the Home Guard and its contribution to Britain's war effort and to deepen our understanding of the men and women who were members of it He sets the Home Guard in the long historical context of domestic defense planning then focuses on the preparations made before the outbreak of the Second World War In detail he traces the changing role of the Home Guard during its wartime existence as it adapted to meet the multitude of challenges it faced from civil defense and intelligence gathering to training for guerrilla warfare This enjoyable and well illustrated book covers the rags to riches story of the Home Guard from the 1940 volunteer in civilian clothing armed with a keepsake from an earlier war to the fully trained and equipped part time soldier The Armourer An interesting and accurate account of a force that was in fact a well drilled well organised and by wars end a very professional fighting unit by the time of its stand down in 1944

In Search of the Real Dad's Army, 2016

The Real Dad's Army Norman Longmate, 2010-08-15 A narrative history of the Home Guard from its creation in May 1940 to the end of the Second World War

The Home Guard in Hertfordshire, 1940-1945 John David Sainsbury, 2012 In this very detailed account of the Hertfordshire Home Guard the local picture is set against the background of national developments Over 130 illustrations also provide a fascinating pictorial history of the force in Hertfordshire This book shows that there was much more to the Home Guard than the BBC's Dad's Army would have us believe

The Amateur Military Tradition, 1558-1945 Ian Frederick William Beckett, 1991

Fortress Britain 1940 Andrew Chatterton, 2024-08-15 Through meticulous research in archives and crumbling ventilation shafts Chatterton paints a picture of Britain in the Second World War that turns our popular narrative on its head This is important shocking and impressive Dan Snow MBE historian broadcaster and television presenter Alone unprepared and weak These are generally the words used to describe Britain's position in 1940 part of a narrative that has been built up ever since the end of World War II However the reality is very different On land sea and in the air Britain was prepared It had the most powerful navy in the world the RAF was relatively strong but more importantly was operating as part of a plan and a joined up group system that was in reality never in any real danger of being defeated even the post Dunkirk British Army was better armed than the post war narrative tells us These forces were backed up by the Home Guard and thousands of men and women in secret roles ready to help fight the

invasion of the country Even if all of this had gone wrong and the Nazis had defeated Britain militarily then a separate highly secret civilian group were ready to become active only after the occupation had started One word associated more than any other during this period of the Second World War is Alone Churchill played upon this in his speeches but in 1940 Britain had a hugely powerful empire Although in many cases this support was thousands of miles away the Empire and other Allies would have played a huge role had the Germans had invaded one that has been overlooked in many accounts **Dad's Army Goes to War** Melody Foreman,2024-12-30 For decades the classic evergreen BBC comedy Dad s Army has entertained millions of viewers around the world But the farcical antics of Walmington on Sea s bumbling Home Guard platoon camouflage the true military service of some of the actors themselves Despite their light hearted appearance many of the cast saw active service in one or even both of the world wars and much of it far from humorous The inspiration behind the sitcom was the experiences of one its writers Jimmy Perry who as a young 16 year old wannabe comedian was still waiting for his call up papers when he joined the eager warriors of the Home Guard in 1940 Little did he know how decades later that ribald group of men in the Watford battalion would provide the inspiration which put his name up in lights Indeed was it Perry s own goofy gullibility as a teenager that helped form the character of Private Pike Also admitted Perry the affable Lance Corporal Jones in real life Clive Dunn a former prisoner of war who served in the 4th Queen s Own Hussars was partly based on an old soldier Perry knew who had served in the Sudan This veteran recalled being told by a CO to piss on your rifle to cool it down Perry went on to serve in India in the Royal Artillery and then later with Combined Services Entertainments As a twenty year old British Army officer David Croft was stationed in North Africa when a raft of comical events including his struggles with a Bofors gun went on to shape the calamities which befall the Dad s Army troopers theater mad Derbyshire lad Arthur Lowe who played the redoubtable Captain Mainwaring was thin with knobbly knees when he was seconded to the No 2 Field Entertainment Unit in Egypt Meantime languid good mannered actor John Le Mesurier reported for duty with the Royal Tank Regiment complete with golf clubs in his car boot By 1943 he was ironically enduring life in Deolali Doolally in India when he had a captaincy thrust upon him until being demobbed in 1946 The astonishing bravery of actor and playwright Arnold Ridley who was denied a DSO and a Military Medal for his actions during the First World War makes for heart rending reading His creation of dear old Private Godfrey won him millions of adoring fans The classical actor John Laurie Private We re all doomed Frazer was also a hero of the trenches Always dry witted he once made everyone laugh on set when he remarked I ve played every part in Shakespeare I was considered to be the finest Hamlet of the 1920s and I had retired and now I am famous for doing this crap That each man including the mocking Laurie helped turn Dad s Army into everlasting success will never be forgotten And why Well in reality they had seen war and knew war and yet always completely realised and understood how the power of laughter is the ultimate triumph Britain's Final Defence Dale Clarke,2016 Known affectionately as Dad s Army the Home Guard was Britain s very serious attempt to protect our shores

from invasion by Nazi Germany in the Second World War In the Spitfire summer of 1940 all that the 16 million unpaid untrained part timers of the Local Defence Volunteers as the organisation was originally called wanted was a service rifle for each man but even that was too much for a country threatened by defeat to provide Britain s Final Defence is the first book to explore the efforts made to arm the home defence force between 1940 and 1944 and describe the full range of weaponry available for Britain s last stand against invading Axis forces **Paramilitary Forces of India** M. D. Sharma,M.C.

Sharma,2008 In today s situation the security and safety of our countrymen is not only into the hands of Indian army and state police but also forces known as Paramilitary Forces The security of Indian borders and internal matters are being looked after by these brave men working in these Paramilitary Forces including their history origin organization duties and functions role and future It also examines the role of these forces in counter insurgency and also international peacekeeping under UN Covering all paramilitary organizations of India this volume provides valuable information to students researchers and laymen An excellent book which will serve as a sound and lively introduction for all and also will makes an impressive and substantial contribution to study of Paramilitary Forces of India *Fighting Nazi Occupation* Malcolm Atkin,2015-09-18

Everyone knows about the Home Guard but what about the other Secret Intelligence Services SIS and M16 You can read about them in this book This England When Winston Churchill made his we shall never surrender speech in 1940 he was speaking in the knowledge that Britain s Secret Intelligence Service was planning a civilian British resistance movement to mobilize after the country had been occupied Britain s planning for clandestine warfare developed out of a fierce battle between the Secret Intelligence Service and the War Office for the control of guerrilla warfare and conflicting ideas over the legitimacy of armed civilians A multi layered system of secret organizations was the result The Auxiliary Units are the best known of these ungentlemanly forces but in this perceptive new study based on painstaking original research Malcolm Atkin clearly demonstrates that they were never intended as a resistance organization Instead they were designed as a short term guerrilla force whilst their Special Duties Branch was designed to spy on the British public as much as any Nazi invader Meanwhile deep in the shadows was the real resistance organization Section VII of SIS Malcolm Atkin s conclusions will cause controversy among military historians and will change our understanding of the preparations made in Britain to resist Nazi occupation in the Second World War A detailed yet accessible historical study ProtoView **A Very British**

Experience Andrew Stewart,2020-01-29 In terms of the Second World War and Britain s wartime strategy three elements deserve close scrutiny the paramount importance of defending the British mainland and its population the challenges of building and maintaining coalitions and alliances and the central role the African continent assumed in all British strategic planning A concluding essay reflects upon the degree to which in the face of an often uncertain and unconvincing approach these critical themes underpinned the British experience of the conflict Topics addressed include 1940 and the Defence of Britain relations with the United States the British Empire Air Training Plan General Boy Browning and Operation Market

Garden the recall of General Alan Cunningham from Libya in 1941 plans for defending the Royal Family Exercise Genesis which turned west London into a battleground for a day in May 1942 and the role of the Eastern Fleet off Africa Andrew Stewart provides a compelling chapter on the loss of the Tobruk garrison in June 1942 one of the worst military disasters suffered by the British Empire during the Second World War The essay on Tobruk demonstrates how all three defining elements of wartime experience converged the loss of public confidence about how the war was being conducted its impact on the relationship with the Union of South Africa a key partner in the Dominion wartime coalition and the absolute necessity that existed for deep strategic planning on the African continent subsequently to be realised at the final battle at El Alamein

Contesting home defence Penny Summerfield, Corinna Peniston-Bird, 2013-07-19 Contesting home defence is a new history of the Home Guard a novel national defence force of the Second World War composed of civilians who served as part time soldiers it questions accounts of the force and the war which have seen them as symbols of national unity It scrutinises the Home Guard's reputation and explores whether this people's army was a site of social cohesion or of dissension by assessing the competing claims made for it at the time It then examines the way it was represented during the war and has been since notably in Dad's Army and discusses the memories of men and women who served in it The book makes a significant and original contribution to debates concerning the British home front and introduces fresh ways of understanding the Second World War

World War II & the media. A collection of original essays. Christopher Hart, Guy Hodgson, Simon Gwyn Jones, 2014 A collection of original essays from leading academics on the media during and after World War 2 The chapters in this volume address both contemporary and post war uses of World War 2 with contributions from television journalism cinema popular music radio and popular memory studies

Wirral at War Mike Royden, 2022-06-15 *Wirral at War* is a tribute to the wartime record of the people of the Wirral in the two World Wars

The Home Guard S. P. Mackenzie, 1995 The extraordinarily popular British television program Dad's Army suggests that Britain's Home Guard during the Second World War was home to charming incompetence and lighthearted buffoonery In 1940 however the threat of a German invasion of Britain appeared very real S P MacKenzie's detailed and readable history of the Home Guard offers a new perspective on the men who took up the challenge Despite its popular image of old men and teenagers playing soldiers the Home Guard often as large as the wartime army became an astonishingly strong political force in its own right Quite literally the people in arms it proved able to exert a good deal of influence on policy The Home Guard was never called upon to fulfil its military role though there was a brief attempt to resurrect it in the 1950s Since then it has been largely neglected by military historians and there have been few serious examinations of the part it played in the Home Front This book fills that gap
