Dads Armybig Guns:

Big Guns Dad's Army, 1991 **Dad's Army - Big Guns; Menace from the Deep; the Bullet is Not for Firing**
Jimmy Perry, **Jimmy Perry and David Croft** Simon Morgan-Russell, 2004 This book explores the collaborative sitcoms of two of British television's most well known comedy writers. Written over a period of twenty five years the four series *Dad's Army*, *It Ain't Half Hot Mum*, *Hi de Hi* and *You Rang M Lord* have endured as much loved and often repeated classics. The book explores the themes of Perry and Croft's writing in terms of their own biography and as articulations of British cultural and televisual history. Focusing on issues central to the concept of identity in British culture: class, gender, sexuality and race, and analysing individual episodes and scenes in the four series, Jimmy Perry and David Croft evaluate the contributions made by these two writers to the genre of situation comedy and locates the programmes in the immediate contexts of their production. Including new interview material from David Croft, this book will be invaluable to students and lecturers of television studies and cultural studies.

Dad's Army Goes to War Melody Foreman, 2024-12-30 For decades the classic evergreen BBC comedy *Dad's Army* has entertained millions of viewers around the world. But the farcical antics of Walmington-on-Sea's bumbling Home Guard platoon camouflage the true military service of some of the actors themselves. Despite their light-hearted appearance, many of the cast saw active service in one or even both of the world wars, and much of it far from humorous. The inspiration behind the sitcom was the experiences of one of its writers, Jimmy Perry, who as a young 16-year-old wannabe comedian was still waiting for his call-up papers when he joined the eager warriors of the Home Guard in 1940. Little did he know how decades later that ribald group of men in the Watford battalion would provide the inspiration which put his name up in lights. Indeed, was it Perry's own goofy gullibility as a teenager that helped form the character of Private Pike? Also admitted Perry, the affable Lance Corporal Jones in real life Clive Dunn, a former prisoner of war who served in the 4th Queen's Own Hussars, was partly based on an old soldier Perry knew who had served in the Sudan. This veteran recalled being told by a CO to piss on your rifle to cool it down. Perry went on to serve in India in the Royal Artillery and then later with Combined Services Entertainment. As a twenty-year-old British Army officer, David Croft was stationed in North Africa when a raft of comical events, including his struggles with a Bofors gun, went on to shape the calamities which befall the *Dad's Army* troopers. Theater mad Derbyshire lad Arthur Lowe, who played the redoubtable Captain Mainwaring, was thin with knobbly knees when he was seconded to the No 2 Field Entertainment Unit in Egypt. Meantime, languid good-mannered actor John Le Mesurier reported for duty with the Royal Tank Regiment complete with golf clubs in his car boot. By 1943 he was ironically enduring life in Deolali Doolally in India when he had a captaincy thrust upon him until being demobbed in 1946. The astonishing bravery of actor and playwright Arnold Ridley, who was denied a DSO and a Military Medal for his actions during the First World War, makes for heart-rending reading. His creation of dear old Private Godfrey won him millions of adoring fans. The classical actor John Laurie, Private We're all doomed Frazer, was also a hero of the trenches.

Always dry witted he once made everyone laugh on set when he remarked I've played every part in Shakespeare I was considered to be the finest Hamlet of the 1920s and I had retired and now I am famous for doing this crap That each man including the mocking Laurie helped turn Dad's Army into everlasting success will never be forgotten And why Well in reality they had seen war and knew war and yet always completely realised and understood how the power of laughter is the ultimate triumph
