*Death Fricassee* Tawdra Kandle,Tamara Kendall,2017-05-25      *The Recipe for Death Box Set I* Tawdra Kandle,Tamara Kendall,2017-10-31      **Last Chance** Paul Price,2004-08 In the 1960 s Rex Price began a business venture in Island Park Idaho bringing the love of his life and their ten children along for the ride Through the simpleness of the era and the depth of the experience Last Chance was more than a place and a time it became a home to this family Grounded in traditions encircled with hope and blessed with the religion of fly fishing this family experiences a paradise living a life that becomes so rich and meaningful in its daily content shaping all of them in such a way that it holds them bound together through all the traverses of their own lives and fashions a sweetness in their growing old together It was the tenets and times of fly fishing that shaped my temperament towards living and my trust in timeless bonds Fly fishing is somehow tied to your soul and I m not sure how but I do believe it is a gift of the heart a natural communion and unifying of the spiritual and the material that we all are searching for fly fishermen seem to have found it      *The Prodigal Father* Mark A. Bryan,1997 In *The Prodigal Father* Mark Bryan addresses this important social issue by offering a proven program to help fathers assume a vital role in their children s lives Through my work and my own experience as an absent father I ve come to realize that what we call deadbeat dads are actually broken hearted dads says Bryan Living in shame and denial about the pain of their loss even when they were the ones who decided to give up their kids these men feel hopeless and overwhelmed at the thought of attempting a reunion Mark Bryan knows the problems of men who are divorced and don t see their kids as often as they would like as well as those of the men who have totally lost touch with their children He knows the guilt and shame they feel the pangs at holiday times the wrench when a father is alone and sees other fathers playing with their kids taking them to school waiting with them in the line at McDonald s He knows how fathers wonder how they got out of the picture how they became extraneous He also knows that kids miss their fathers as much as their fathers miss them He knows this because he is a reunited father himself and because he has reunited many fathers with their children through his Father Project workshops Bryan tells many of their stories and his own in this book In *The Prodigal Father* Bryan recounts in detail the steps he took

that led finally to the close relationship that he and his son Scott now enjoy More recently working with small groups of men around the country Bryan developed an eight step program to lead men from estrangement to reunion Many men who never expected to see their children again now see them regularly participate in decisions in their day to day lives and enjoy the richness and joy only children can provide Bryan s carefully conceived plan helps men negotiate the sensitive and potentially explosive path back It includes Acknowledging the loss and the pain Taking steps to regain self respect and become the man you d want to father your children Making amends to your child s mother Planning the meeting with your child Reuniting Recognizing the specific needs of your child at each age Establishing an ongoing relationship becoming close Embracing your child s extended family the stepfather and half sisters and brothers A special chapter is addressed to mothers urging them to help in the reunion process Bryan s message will bring hope and happiness not only to the men who find their way back but to their children so often silent about their deep grief over the separation and to the mothers long overburdened by the responsibilities of single parenthood Says Bryan I will be touring to more than twenty cities to get the message of Reunion for Fathers across Will you help me reach those millions of fathers and mothers whose distance keeps their children from knowing their fathers Will you help those 21 million children who never see their fathers live fuller lives and gain a love they so fervently need I am asking your help to bring this message to your audience For this is not just a book It is a mission
