Daggers Edge:

Vengeance at a Dagger's Edge Brian J. Hendrickson, 2022-05-04 You know the truth You saw your father murdered right before they tried to kill you You return home to find that your entire village was destroyed Everyone you have even known is dead so what do you do about it How far are you willing to fall in order to have your vengeance For one small elf prince the answer is easy as far as he has to even if that means giving up everything that made him who he was Journey with the young elf prince as he follows the winding trails and explores the darkest corners of the world and his mind testing his iron will and extraordinary agility with every step One thing is for sure no matter how many or which trails he walks there is only one destination the man that ordered his entire world destroyed and the man that carried out those orders The question then becomes will he live long enough to see this mission through to the end or will his obsession drive him over the edge first
