Daheshism And The Journey Of Life:

Daheshism and the Journey of Life Mounir Murad,1993 In the year 1842 Thomas Cole 1801 1848 painted a set of four oil paintings entitled THE VOYAGE OF LIFE As the title indicates the artist likened life to a voyage This voyage begins with man emerging as a child from a dark cave into the river of life in a spring setting As this voyage through the river of life continues man is seen passing through the stages of youth manhood then finally old age Likewise the setting of nature is seen correspondingly passing through the stages of summer autumn then finally winter Any voyage must have a starting point destination duration Also any voyage is a continuation of some sort of existence there is a continuity of existence after the voyage is complete What is this voyage Why does it have to exist What existed before this voyage What will happen after the destination is reached Why is it short for some long for others Why is it easier for some harder for others Daheshism deals with these issues many others Daheshism is a revolution in the human approach to philosophy life religion It is a new garment for the body of traditional thought belief The aim of Daheshism is to provide a universal belief that encompasses all other beliefs It accomplishes synthesis rather than fragmentation of religious beliefs expansion rather than contraction of philosophical thought To order P O Box 16680 8680 Alexandria VA 22302 Telephone 703 845 8223 FAX 703 845 8224 or
